From The Darkness To The Light My Journey With The Masters:

From the Darkness to the Light Paul Kwame Kyei, 2012-06 My journey in this life began in a small village in Ghana in West Africa My father was a fetish priest a practitioner of our traditional religion As a boy I became a Christian the first in my family to do so I served in the Methodist Church for many years and I was known there as a fiery preacher Then I found the ascended masters the great souls of East and West from all races and religions who have returned to God in the ritual of the ascension Elizabeth Clare Prophet their messenger became my mentor and teacher I have followed the path of the masters and their teachings for nearly forty years In those years I have witnessed miracles and passed through many tests and challenges I have seen black magic and witchcraft and felt their effects I have seen how the Light overcomes the Darkness Through it all the masters have never left me This is the story of my journey My hope is that what I have written may shed some light on the path for those who follow

From Darkness to Light Despo Pishiri, 2021-08-16 During a client hypnosis session author Despo Pishiri unintentionally managed to communicate with her Higher Self The client was in a deep state of hypnosis and Despo s Higher Self used this opportunity to talk to her through her client The Higher Self provided valuable information about Despo s past lives which triggered her curiosity to understand the mechanisms involved in the process of spiritual development This initial channeling encouraged her to find her true self and it became the catalyst for writing this her first book From Darkness to Light With a blend of personal and professional testimony she reinforces the message of love compassion and tolerance inherent in the three religions of Hinduism Buddhism and Christianity against the backdrop of knowing who you are She stresses the similarities between the three religions and reinforces the ideas of their teachings Useful and enlightening From Darkness to Light shares Despo s personal discoveries as well as offers principles about self and healing your body mind and spirit

Love Master Linda Grace Byers,2018-01-11 Within the past year I set the lofty goal of mastering the art of love According to Malcolm Gladwell skill mastery requires ten thousand hours of practice I pulled out my calculator and punched in some numbers At eight hours a day seven days a week I could be a love master in approximately 3 434 years All I have to do to accomplish this ambitious feat is to love and to love some more even when I would rather not If this sounds overly simplified you caught me read the book and see how I am doing dear reader Come along with me as I work my way toward God and the way he wants us all to live and love The collection of written pieces originally published as blogs within this book move from heavy to light shadow to brightness and sometimes there is the murky in between You will see a repeat of themes as I make sense of my experiences and gain insights along the way The writing is raw it is soul exposure for the sake of self and others I am assuming we can relate to one another or at least this is my hope My motivation to become a love master stemmed from a keen and painful awareness of my own lack of training in the noble ways of handling difficult situations and interactions with other humans I know there is a better way a godly way Jesus came to show us how and he is the perfect example of the excellence we can live Jesus is the ultimate Love Master I invite you to join me inside the pages of the book you hold in your hands Love Mastery is within your reach
