## **From Willow Creek To Sacred Heart Rekindling My:**

**From Willow Creek to Sacred Heart** Chris Haw, 2012 The bestselling coauthor of *Jesus for President* chronicles his spiritual journey through evangelical Christianity and his return to Catholicism A respectful and engaging look at the megachurch movement and a heartfelt expression of love for the Catholic Church's liturgy and its commitment to the poor In the spirit of Merton's *Seven Storey Mountain* and Dorothy Day's *The Long Loneliness* Chris Haw's *From Willow Creek to Sacred Heart* recounts the journey of a young Christian seeking a personal relationship with Christ within the context of a faith community committed to love justice and solidarity with the poor Haw's journey spans contemporary American Christianity from a nominal Catholic background to megachurch Evangelicalism to a new monastic community and then back to Catholicism after an intense spiritual experience on Good Friday Haw's story and style will appeal to Catholics who champion the Church's social teachings those drawn to monastic practices and living in intentional community and those seeking solidarity with the poor and marginalized

[Super flumina issue 3](#) Community of Mary, Mother of the Redeemer, 2020-03-30 The Community of Mary Mother of the Redeemer now releases its third issue of their journal *Super flumina* A journal of theological commentary and crankyness This Pascha Easter issue continues to have all of the theological commentary without sacrificing any of the crankyness We have everything in this issue from pandemic laments to Powers and Principalities to longing for Holy Communion and for each others company but all of it set within the context of Resurrection Hope

**The Silent Schism** Brother Louis DeThomas, 2016-03-24 Pope Francis has called upon Catholics to use what he calls the grammar of simplicity when talking with one another and with others outside the church In this groundbreaking work Brother Louis DeThomas and Sr Cynthia Nienhaus use the grammar of simplicity to describe the current schism happening in the Catholic Church worldwide and offer solutions for how to heal it Using the grammar of simplicity found in *The Message Catholic Ecumenical Edition* they demonstrate that Jesus was always less worried about doctrine dogmas and dictums and more interested in the radical law of love They call on both traditionalists and progressives in the church to recapture the mission of Jesus to bring about the reign of God on earth as it is in heaven

*Becoming a Christian in Christendom* Jason A. Mahn, 2016-11-01 How might one live the Christian faith within a culture that idealizes and privileges Christianity while also relativizing it rendering it redundant and innocuous Arguing for a reconceptualization of the theology of the cross and radical communal practices this book brings together two clusters of critics of Christian acculturation and accommodation 1 Lutherans such as Kierkegaard and Bonhoeffer who lift up radical discipleship against the propensity toward cheap grace and 2 various Anti Constantinians including neo monastic communities who resist the church's collusion with power politics symbolized by the conversion of Constantine in the early fourth century Drawing on these diverse resources author Jason Mahn explores some pervasive dangers of America's new Christendom its accommodation to an exploitative economy that cheapens the meaning of grace its endorsement of political liberalism within

which the church becomes another special interest group its justification of war and other forms of necessary violence and its self defeating lip service to religious inclusivity Mahr provocatively imagines alternatives to conventional Christianity ones whereby the church embodies an alternative politic where it commits to cruciform non violence appreciates gifts by giving them away and knows its boundaries well enough to learn from those on the other side *Why I Am Catholic (and You Should Be Too)* Brandon Vogt, 2017-10-06 Winner of a 1st Place Award for Popular Presentation of the Faith by the Catholic Press Association A New Era An Ancient Faith A Compelling Invitation Catholicism is once again capturing hearts and headlines From a surprising surge in Gen Z conversions to a growing movement of college students entering the Church a spirit of renewal is taking hold Against this backdrop of cultural reawakening marked by the historic election of an American pope and the canonization of the first millennial saint *Why I Am Catholic and You Should Be Too* offers a bold and deeply personal response to one of today's most urgent spiritual questions Why are people embracing Catholicism now Brandon Vogt senior publishing director for Bishop Robert Barron's Word on Fire Catholic Ministries once identified as spiritual but not religious a label familiar to many millennials But while studying mechanical engineering at Florida State University his restless search for truth brought him unexpectedly and powerfully into the heart of the Catholic Church In this accessible and engaging book which has sold more than 70 000 copies Vogt shares his own conversion story and presents a compelling twenty first century case for Catholicism Drawing on the wisdom of great Catholic thinkers G K Chesterton St John Henry Newman St Teresa of Calcutta Peter Kreeft and Bishop Barron he explains how the Church even with its imperfections offers the most meaningful answers to life's biggest questions Vogt explores how Catholicism is true good and beautiful by addressing such topics as How we know God exists Who Jesus really is How religion makes us happier and healthier The Church's essential role in shaping Western civilization The deeper meaning behind the Church's teachings on sex and marriage The healing power of the Sacrament of Reconciliation Why beauty and art matter in the life of faith Whether you're wrestling with doubts rediscovering your faith or simply curious about what's drawing so many to the Church *Why I Am Catholic* speaks directly to the spirit of renewal stirring today Vogt reveals Catholicism not as a relic of the past but as a radiant living faith for the future Monasticism in Modern Times Isabelle Jonveaux, Stefania Palmisano, 2016-10-14 This book presents a broad sociological perspective on the contemporary issues facing Christian monasticism Since the founding work of Max Weber the sociology of monasticism has received little attention However the field is now being revitalized by some new research Focusing on Christian monks and nuns the contributors explore continuity and discontinuity with the past in what superficially might appear a monolithic tradition Contributors speak not only about monasticism in Europe and the United States but also in Africa and Latin America a different landscape where the question of recruitment does not figure among issues considered as problematic Life at the End of Us Versus Them Marcus Peter Rempel, 2017-11-06 Our present moment can no longer sustain a stable us defined against an alien them So say Ren Girard and Ivan Illich radical

critics of both Christianity and culture If they are right this makes our time an endtime The end of us against them can deteriorate into the chaos of each against each or it can open outward into freely chosen communion It is an expectant and apocalyptic time How does one live in this strange endtime world As a wanderer in the odd cross culture country Girard and Illich have mapped the author finds himself in a surprising new place in relation to those who are his other women queer folk refugees Muslims atheists and Indigenous people In this collection of essays he blinks looks around and makes some field notes
