STUDIES IN EARLY AMERICAN
METHODISM by FRANK BAKER

From Wesley To Asbury Studies In Early American Methodism

John A Grigg

From Wesley To Asbury Studies In Early American Methodism:

From Wesley to Asbury Frank Baker,1976 The persistence of Wesley's thought and methods in American Methodism is illustrated in an account of the religion's early growth in the New World [The Methodists and Revolutionary America, 1760-1800](#) Dee E. Andrews,2010-07-01 The Methodists and Revolutionary America is the first in depth narrative of the origins of American Methodism one of the most significant popular movements in American history Placing Methodism's rise in the ideological context of the American Revolution and the complex social setting of the greater Middle Atlantic where it was first introduced Dee Andrews argues that this new religion provided an alternative to the exclusionary politics of Revolutionary America With its call to missionary preaching its enthusiastic revivals and its prolific religious societies Methodism competed with republicanism for a place at the center of American culture Based on rare archival sources and a wealth of Wesleyan literature this book examines all aspects of the early movement From Methodism's Wesleyan beginnings to the prominence of women in local societies the construction of African Methodism the diverse social profile of Methodist men and contests over the movement's future Andrews charts Methodism's metamorphosis from a British missionary organization to a fully Americanized church Weaving together narrative and analysis Andrews explains Methodism's extraordinary popular appeal in rich and compelling new detail **Religion and Violence in Early American Methodism** Jeffrey Williams,2010-04-22 Early American Methodists commonly described their religious lives as great wars with sin and claimed they wrestled with God and Satan who assaulted them in terrible ways Carefully examining a range of sources including sermons letters autobiographies journals and hymns Jeffrey Williams explores this violent aspect of American religious life and thought Williams exposes Methodism's insistence that warfare was an inevitable part of Christian life and necessary for any person who sought God's redemption He reveals a complex relationship between religion and violence showing how violent expression helped to provide context and meaning to Methodist thought and practice even as Methodist religious life was shaped by both peaceful and violent social action **The Methodist Experience in America Volume I** Kenneth E. Rowe,Dr. Russell E. Richey,Jean Miller Schmidt,2010-08-01 Beginning in 1760 this comprehensive history charts the growth and development of the Methodist and Evangelical United Brethren church family up and through the year 2000 Extraordinarily well documented study with elaborate notes that will guide the reader to recent and standard literature on the numerous topics figures developments and events covered The volume is a companion to and designed to be used with THE METHODIST EXPERIENCE IN AMERICA A SOURCEBOOK for which it provides background context and interpretation Contents include Launching the Methodist Movements 1760 1768 Structuring the Immigrant Initiatives 1769 1778 Making Church 1777 1784 Constituting Methodism 1784 1792 Spreading Scriptural Holiness 1792 1816 Snapshot I Methodism in 1816 Baltimore 1816 Building for Ministry and Nurture 1816 1850s Dividing by Mission Ethnicity Gender and Vision 1816 1850s Dividing over Slavery Region Authority and Race 1830 1860s Embracing the War Cause's 1860 1865 Reconstructing

Methodism s 1866 1884 Snapshot II Methodism in 1884 Wilker Barre PA 1884 Reshaping the Church for Mission 1884 1939 Taking on the World 1884 1939 Warring for World Order and Against Worldliness Within 1930 1968 Snapshot III Methodism in 1968 Denver 1968 Merging and Reappraising 1968 1984 Holding Fast Pressing On 1984 2000 A wide angled narrative that attends to religious life at the local level to missions and missionary societies to justice struggles to camp and quarterly meetings to the Sunday school and catechisms to architecture and worship to higher education to hospitals and homes to temperance to deaconesses and to Methodist experiences in war and in peace making A volume that attends critically to Methodism s dilemmas over and initiatives with regard to race gender ethnicity sexual orientation and relation to culture A documentation and display of the rich diversity of the Methodist experience A retelling of the contests over and evolution of Methodist EUB organization authority ministerial orders and ethical doctrinal emphases *Wesley and the People Called Methodists* Prof. Richard P. Heitzenrater, 2013-08-20 This second edition of Richard P Heitzenrater s groundbreaking survey of the Wesleyan movement is the story of the many people who contributed to the theology organization and mission of Methodism This updated version addresses recent research from the past twenty years includes an extensive bibliography and fleshes out such topics as the means of grace Conference Large Minutes Charles Wesley Wesley and America ordination prison ministry apostolic church music children Susanna and Samuel Wesley the Christian library itinerancy connectionalism doctrinal standards and John Wesley as historian Oxford don and preacher **The Wesleys and the Anglican Mission to Georgia, 1735-1738** John Thomas Scott, 2020-10-23 The Wesleys and the Anglican Mission to Georgia 1735 1738 considers the fascinating early history of a small group of men commissioned by trustees in England to spread Protestantism both to new settlers and indigenous people living in Georgia Four minister missionaries arrived in 1736 but after only two years these men detached themselves from the colonial enterprise and the Mission effectively ended in 1738 Tracing the rise and fall of this endeavor Scott s study focuses on key figures in the history of the Mission including the layman Charles Delamotte and the ministers John and Charles Wesley Benjamin Ingham and George Whitefield In Scott s innovative historical approach neglected archival sources generate a detailed narrative account that reveals how these men s personal experiences and personal networks had a significant impact on the inner workings and trajectory of the Mission The original group of missionaries who traveled to Georgia was composed of men already bound together by family relations friendships and shared lines of mentorship Once in the colony the missionaries prospects altered as they developed close ties with other missionaries including a group of Moravians and other settlers John Wesley returned to England after his romantic relationship with Sophy Hopkey soured Structures of imperialism class and race underlying colonial ideology informed the Anglican Mission in the era of trustee Georgia The Wesleys and the Anglican Mission to Georgia enriches this historical picture by illuminating how a different set of intricacies rooted in personal dynamics was also integral to the events of this period In Scott s study the history of the expansive eighteenth century Atlantic world emerges as a riveting account of life

unfolding on a local and individual level **Methodism and the Southern Mind, 1770-1810** Cynthia Lynn Lyerly, 1998 Early Methodism was a despised and outcast movement that attracted the least powerful members of Southern society: slaves, white women, poor and struggling white men, and invested them with a sense of worth and agency. Methodists created a public sphere where secular rankings, patriarchal order, and racial hierarchies were temporarily suspended. Because its members challenged Southern secular mores on so many levels, Methodism evoked intense opposition, especially from elite white men. *Methodism and the Southern Mind* analyzes the public denunciations, domestic assaults on Methodist women and children, and mob violence against black Methodists. Encyclopedia of Protestantism Hans J. Hillerbrand, 2004-08-02 For more information, including sample entries, full contents, listing, and more, visit the Encyclopedia of Protestantism web site. Routledge is proud to announce the publication of a new major reference work from world-renowned scholar Hans J. Hillerbrand. The Encyclopedia of Protestantism is the definitive reference to the history and beliefs that continue to exert a profound influence on Western thought. Featuring entries written by an international team of specialists and scholars, the encyclopedia traces the course of Protestantism from its beginnings prior to 1517, when Martin Luther nailed his 95 Theses to the door of Wittenberg Cathedral, to the vital and diverse international scene of the present day. **The Oxford Handbook of Methodist Studies** William J. Abraham, James E. Kirby, 2009-09-25 With the decision to provide a scholarly edition of the Works of John Wesley in the 1950s, Methodist Studies emerged as a fresh academic venture. Building on the foundation laid by Frank Baker, Albert Outler, and other pioneers of the discipline, this handbook provides an overview of the best current scholarship in the field. The forty-two included essays are representative of the voices of a new generation of international scholars, summarizing and expanding on topical research and considering where their work may lead Methodist Studies in the future. Thematically ordered, the handbook provides new insights into the founders' history, structures, and theology of Methodism and into ongoing developments in the practice and experience of the contemporary movement. Key themes explored include worship, forms, mission, ecumenism, and engagement with contemporary ethical and political debate. *American Methodist Worship* Karen B. Westerfield Tucker, 2011-04-27 This book offers a comprehensive examination of Methodist practice, tracing its evolution from the earliest days up to the present. Using liturgical texts as well as written accounts in popular and private sources, Karen Westerfield Tucker investigates the various rites and seasons of worship in Methodism and examines them in relation to American society. **A Controversial Spirit** Philip N. Mulder, 2002 According to the author, during the era of awakenings and revival, the various denominations in the Southern States of the USA shared the same goal of saving souls but disagreed over the correct definition of true religion and conversion. **James F. Jaquess** Patricia B. Burnette, 2013-04-08 Tall, handsome, and charismatic, James Jaquess impressed men and charmed ladies who knew him as a preacher, a college president, or colonel of an Illinois regiment. In 1864, he and James Gilmore talked to Jefferson Davis about terms of peace. Lincoln recognized his many abilities and invited Jaquess to serve as one of his personal agents.

But after the Civil War ended this biography reveals Jaquess life changed for the worse He was tried in Kentucky for the death of a woman and failed as a carpetbagger in Arkansas and Mississippi Then he convinced his family and friends in Indiana and numerous residents of New York to invest in Lawrence Townley bonds and share in a fortune waiting in England This venture ended in poverty for him and a sentence in a British prison When he returned to America for his final years Jaquess still held the respect of the men of the 73rd Infantry and the affection of the women who knew him as president of their college in Jacksonville His misadventures having turned his black hair to white he still possessed the charisma that had led to his national fame Jonathan Edwards, Religious Tradition, and American Culture Joseph A. Conforti,1995 As the

charismatic leader of the wave of religious revivals known as the Great Awakening Jonathan Edwards 1703 58 is one of the most important figures in American religious history However by the end of the eighteenth century his writings were gener

New Dictionary of Theology Martin Davie,Tim Grass,Stephen R. Holmes,John McDowell,Thomas A. Noble,2016-04-27

This classic one volume reference work is now substantially expanded and revised to focus on a variety of theological themes thinkers and movements From African Christian Theology to Zionism this volume of historical and systematic theology offers a wealth of information and insight for students pastors and all thoughtful Christians Conscience in Crisis Richard K.

MacMaster,Samuel L. Horst,Robert F. Ulle,2001-08-27 *The Lives of David Brainerd* John A Grigg,2009-09-25 The story of the eighteenth century preacher David Brainerd has been told in dozens of popular biographies articles and short essays Almost without exception these works are celebratory even hagiographic in nature making him into a kind of Protestant saint a model for generations of missionaries This book will be the first scholarly biography of Brainerd drawing on everything from town records and published sermons to hand written fragments to tell the story not only of Brainerd s life but of his legend **Dictionary of Canadian Biography / Dictionnaire Biographique Du Canada** Francess G. Halpenny,Jean

Hamelin,1983-11 The Dictionary of Canadian Biography is the definitive biographical reference work in Canadian history No serious student of Canada s past can function without access to this thorough balanced and reliable source R Hall Globe and Mail **America's God** Mark A. Noll,2002-10-03 Religious life in early America is often equated with the fire and brimstone

Puritanism best embodied by the theology of Cotton Mather Yet by the nineteenth century American theology had shifted dramatically away from the severe European traditions directly descended from the Protestant Reformation of which Puritanism was in the United States the most influential In its place arose a singularly American set of beliefs In America s God Mark Noll has written a biography of this new American ethos In the 125 years preceding the outbreak of the Civil War theology played an extraordinarily important role in American public and private life Its evolution had a profound impact on America s self definition The changes taking place in American theology during this period were marked by heightened spiritual inwardness a new confidence in individual reason and an attentiveness to the economic and market realities of Western life Vividly set in the social and political events of the age America s God is replete with the figures who made up the

early American intellectual landscape from theologians such as Jonathan Edwards Nathaniel W Taylor William Ellery Channing and Charles Hodge and religiously inspired writers such as Harriet Beecher Stowe and Catherine Stowe to dominant political leaders of the day like Washington Jefferson and Lincoln The contributions of these thinkers combined with the religious revival of the 1740s colonial warfare with France the consuming struggle for independence and the rise of evangelical Protestantism to form a common intellectual coinage based on a rising republicanism and commonsense principles As this Christian republicanism affirmed itself it imbued in dedicated Christians a conviction that the Bible supported their beliefs over those of all others Tragically this sense of religious purpose set the stage for the Civil War as the conviction of Christians both North and South that God was on their side served to deepen a schism that would soon rend the young nation asunder Mark Noll has given us the definitive history of Christian theology in America from the time of Jonathan Edwards to the presidency of Abraham Lincoln It is a story of a flexible and creative theological energy that over time forged a guiding national ideology the legacies of which remain with us to this day

Awash in a Sea of Faith Jon Butler, 1990 Challenging the formidable tradition that places early New England Puritanism at the center of the American religious experience Yale historian Jon Butler offers a new interpretation of three hundred years of religious and cultural development Butler stresses the instability of religion in Europe where state churches battled dissenters magic and astonishingly low church participation He charts the transfer of these difficulties to America including the failure of Puritan religious models and describes the surprising advance of religious commitment there between 1700 and 1865 Through the assertion of authority and coercion a remarkable sacralization of the prerevolutionary countryside advancing religious pluralism the folklorization of magic and an eclectic syncretistic emphasis on supernatural interventionism including miracles America emerged after 1800 as an extraordinary spiritual hothouse that far eclipsed the Puritan achievement even as secularism triumphed in Europe *Awash in a Sea of Faith* ranges from popular piety to magic from anxious revolutionary war chaplains to the cool rationalism of James Madison from divining rods and seer stones to Anglican and Unitarian elites and from Virginia Anglican occultists and Presbyterians raised from the dead to Jonathan Edwards Joseph Smith and Abraham Lincoln Butler deftly comes to terms with conventional themes such as Puritanism witchcraft religion and revolution revivalism millenarianism and Mormonism His elucidation of Christianity's powerful role in shaping slavery and of a subsequent African spiritual holocaust with its ironic result in African Christianization is an especially fresh and incisive account *Awash in a Sea of Faith* reveals the proliferation of American religious expression not its decline and stresses the creative tensions between pulpit and pew across three hundred years of social maturation Striking in its breadth and deeply rooted in primary sources this seminal book recasts the landscape of American religious and cultural history

American Religious Leaders Timothy L. Hall, 2014-05-14 Profiles the lives and achievements of more than 270 spiritual leaders arranged alphabetically who made major contributions to the history of American religious life
