Unequal Neighbors Kristen Hill Maher, David Carruthers, 2021-04-02 San Diego and Tijuana are the site of a national border enforcement spectacle but they are also neighboring cities with deeply intertwined histories cultures and economies In *Unequal Neighbors* Kristen Hill Maher and David Carruthers shift attention from the national border to a local one examining the role of place stigma in reinforcing actual and imagined inequalities between these cities Widespread bordered imaginaries in San Diego represent it as a place of economic vitality safety and order while stigmatizing Tijuana as a zone of poverty crime and corruption These dualisms misrepresent complex realities on the ground but they also have real material effects the vision of a local border benefits some actors in the region while undermining others Based on a wide range of original empirical materials the book examines how asymmetries between these cities have been produced and reinforced through stigmatizing representations of Tijuana in media everyday talk economic relations and local tourism discourse and practices However both place stigma and borders are subject to contestation and the book also examines debordering practices and counter narratives about Tijuana s image While the details of the book are particular to this corner of the world the kinds of processes it documents offer a window into the making of unequal neighbors more broadly The dynamics at the Tijuana border present a framework for understanding how inequalities that manifest in cultural practices produce asymmetric borders between places [San Diego - Frommer's Travel Guides](#) Stephanie Avnet Yates, 1998-09 The most authoritative easy to use guide a traveller can buy **Los Angeles and San Diego** Christine Delsol, Maribeth Mellin, 2015 The authors provide their preferences in lodgings meals attractions and shopping carefully balanced to offer either luxury or thrift in a book that features website info hours closest public transportation and more for each entry Includes maps and charts Original **Frommer's Los Angeles** Tara de Lis, 2011-09-27 Free full color foldout map Insider advice from our author a local expert who hits all the highlights from the Sunset Strip to the Los Angeles County Museum of Art She s checked out all the city s best hotels and restaurants in person and offers authoritative candid reviews that will help you find the choices that suit your tastes and budget You ll also get up to the minute coverage of shopping spas and nightlife in depth coverage of Disneyland and Knott s Berry Farm and advice on side trips to Long Beach the South Coast and Santa Catalina Island Where to find the best hotels at every price point the newest restaurants and food trucks the best free experiences including free museum hours the best surfing beaches the most scenic drives plus how to land a spot on a gameshow Insightful commentary on navigating the roads including where not to drive and when plus tips on everything from navigating museums to spotting celebrities Opinionated reviews No bland descriptions and lukewarm recommendations Our expert writers are passionate about their destinations they tell it like it is in an engaging and helpful way Exact prices listed for every establishment and activity no other guides offer such detailed candid reviews of hotels and restaurants We include the very best but also emphasize moderately priced choices for real people User friendly features including star ratings and
