Lesson 1

Cinderella

Materials: Chart paper, Student Fairy Tale Book, Cinderella, Coach Craft
Activity

1. Introduce the Fairy Tale Genre. Ask students what makes a Fairy Tale. List some ideas on the chart paper. Now, go over the "What Is A Fairy Tale?" page in the student book. Tell students that we will read several different fairy tales in this unit and we will look for these things as we read each fairy tale.
2. The Fairy Tale for this lesson is Cinderella. There are several versions of Cinderella. Use this link to go to an online version if you do not have access to the book. www.kids-pages.com Go to stories and then click on Cinderella. There are also several versions on YouTube that you can show to your students. Begin by reading a version of Cinderella to your students. Next, discuss the elements in Cinderella that are common to Fairy Tales. Go to the Fairy Tale Recipe page and check the boxes that apply to Cinderella. Next, have students complete the "All About Cinderella" page. Finally have students read the story passage that is included for Cinderella. You could have students read this alone, with a partner or you could use it as a

Fairy Tales For 4th Grade Common Core:

Learning about Folktales, Fables, and Fairy Tales Martha E. H. Rustad, 2014-07-01 If a story has magical creatures or a fairy princess you're reading folklore. How else do you know? Quick fun examples help you understand the magic of fairy tales, fables, and folk tales. *The Common Core Companion: Booster Lessons, Grades 3-5* Leslie Blauman, 2015-07-14 Skill building through potent instruction day by day. In these much anticipated sequels to *The Common Core Companion* Janiel Wagstaff and Leslie Blauman provide a collection of connected lessons and formative writing assessments that bring Monday to Friday clarity to the task of integrating reading and writing with ELA standards. In each volume the 50 lessons are divided into five week-long learning sequences addressing key literacy goals. A best practice glossary, if-then charts, unit planning calendars, and other tools round out these essential references both in book and online. Follow each sequence and week by week you'll build the instructional potency to help students achieve a year's worth of growth as you integrate Writing Narratives with Identifying Sensory Words in Text, Research with Identifying Topic and Details, Opinion Writing with Close Reading for Text Evidence, Comparing and Contrasting with Publishing Using Digital Tools, Informative Writing with Use of Text Features. *Mapping Comprehensive Units to the ELA Common Core Standards, K-5* Kathy Tuchman Glass, 2012-04-26 Consultant and former teacher Glass helps K-5 teachers make sense of the new Common Core State Standards in English language arts/ELA and presents numerous classroom activities, differentiation ideas, and rubrics. She introduces a process for developing a unit of study using the ELA Common Core Standards and includes a template with each key component explained in detail. There is also a lesson design template and sample lessons using the template. The website provides reproducibles for classroom use. Annotation 2012 Book News, Inc. Portland, OR: booknews.com. **Leading the Common Core Initiative** Carl A. Harvey II, Linda L. Mills, 2014-11-25 Defining both the Common Core Standards and the school librarian's role in their implementation, this book offers ready-to-use lesson plans and other tools for grades K-5 and identifies opportunities for collaborative teaching. As elementary schools in nearly all 50 states are faced with meeting the Common Core State Standards, CCSS school librarians need to understand the challenges and have lesson plans ready to help. This resource introduces the CCSS in English and mathematics to K-5 librarians and aides, helping them to understand the concepts, analyzing the impact on the school library, and providing lesson plans, resources, and other tools for implementation in integrated instruction with other curricula and collaborative teaching with other elementary teachers. Based upon the authors' own experiences in adopting the CCSS in their school, the included exemplar lesson plans and ideas are designed to support school librarians as they begin to collaborate with teachers in using the Common Core Standards in their daily classroom instruction. The book also discusses the opportunities for advocacy that result from the librarian's instrumental role in implementing the CCSS both as a staff developer and a collaborative partner teacher. **Integrating Children's Literature through the Common Core State Standards** Rachel L. Wadham, Terrell A. Young, 2015-07-28 Implementation

of the Common Core State Standards with the integration of children's literature can transform teaching and learning into a holistic and engaging experience. Tackling nearly every aspect of the English Language Arts Standards and the measures they employ, it offers a thorough plan for engaging elementary school students with literature. It explores the benefits and teaching principles behind CCSS and explains how to apply them to literature. Along with the strengths it has in connection to CCSS, you will learn about the history of children's literature and what both fiction and nonfiction bring to the classroom. You will find plenty of practical applications of the CCSS including book lists and lesson ideas along with thorough examples. There is also a wealth of information on the kinds of readers you will encounter and explanations of how to meet their needs. A final section focuses on creating a curriculum connecting the theory throughout the book with concrete lessons, plans, and units that cover the main CCSS skill sets.

Teaching the Standards Harriet D. Porton, 2013-04-09 With the upcoming implementation of CCSS in E-LA and mathematics in 2014 and the expected implementation in science, history, social studies, and technical subjects, educators need a grounded, specific text on how to scaffold students from where they are to where they need to be according to the Common Core State Standards. The CCSS assume that students already have more skills, prior knowledge, and motivation than may be real. Therefore, teachers and administrators require some assistance for helping all students reach the rigorous demands of CCSS. This text provides specific, successful strategies that are targeted for each of the secondary content areas. This text is designed to help all

educators translate the CCSS so that it can become a guiding force not a stumbling block *Using Picture Books for Standards-Based Instruction, Grades K-2* Patricia A. Messner, Brenda S. Listening and Math **The Handbook of Critical Literacies** Jessica Zacher Pandya, Raúl Alberto Mora, Jennifer Helen Alford, Noah Asher Golden, Roberto Santiago de Roock, 2021-09-07 The Handbook of Critical Literacies aims to answer the timely question what are the social responsibilities of critical literacy academics researchers and teachers in today's world. Critical literacies are classically understood as ways to interrogate texts and contexts to address injustices and they are an essential literacy practice. Organized into thematic and regional sections, this handbook provides substantive definitions of critical literacies across fields and geographies, surveys of critical literacy work in over 23 countries and regions, and overviews of research practice and conceptual connections to established and emerging theoretical frameworks. The chapters on global critical literacy practices include research on language acquisition, the teaching of literature and English language arts, Youth Participatory Action Research, environmental justice movements, and more. This pivotal handbook enables new and established researchers to position their studies within highly relevant directions in the field and engage, organize, disrupt, and build as we work for more sustainable social and material relations. A groundbreaking text, this handbook is a definitive resource and an essential companion for students, researchers, and scholars in the field. **Handbook of Research on Teaching the English Language Arts** Douglas Fisher, Diane Lapp, 2017-11-06 Now in its fourth edition, the Handbook of Research on Teaching the English Language Arts, sponsored by the International Literacy Association and the National Council of Teachers of English, remains at the forefront in bringing together prominent scholars, researchers, and professional leaders to offer an integrated perspective on teaching the English language arts and a comprehensive overview of research in the field. Reflecting important developments since the publication of the third edition in 2010, this new edition is streamlined and completely restructured around big ideas in the field related to theoretical and research foundations, learners in context, and new literacies. A Companion Website extends and enhances the Handbook with a wealth of additional resources. The Handbook of Research on Teaching the English Language Arts, Fourth Edition, addresses all of the language arts within a holistic perspective: speaking, listening, language, writing, reading. It is well grounded and balanced in theory and research while promoting validated practice. Features authors who are known for their expertise and who represent diversity in culture, years in the profession, and geographic location. Gives attention to special populations and instructional contexts. Includes new media literacies. Has the authority of a research handbook while remaining practical for students in masters and doctoral classes. **RTI and Socio-Economically Disadvantaged Students** Angel Barrett, 2013-01-01 In this six-page tri-fold laminated guide, Dr. Angel Barrett provides a range of evidence-based Tier 1 and Tier 2 Response To Intervention (RTI) strategies that are targeted to address the educational needs of students who are socio-economically disadvantaged. It identifies the greatest challenges these students face, which include lack of prior background knowledge and experience, language deficits, especially in vocabulary and linguistic patterns, lack of prior success in school. Specific strategies are provided for overcoming each of these challenges and for improving access to the core curriculum. These include backwards

lesson planning pre teaching modeling strategies and reasoning aloud guiding questions choral reading and sentence frames The guide addresses the impact of the Common Core State Standards on students who are socio economically disadvantaged including the likelihood that scaffolding will be needed to narrow the proficiency gap especially in English Language Arts ELA It includes an at risk flowchart that identifies when and how to provide supports to help students with ELA skills such as reading fluency and comprehension and mathematics skills such as computation and problem solving Interventions specifically targeting language development in English Language Learners are included as well Dr Barrett draws from her extensive experience working with socio economically disadvantaged youth as a teacher and principal to offers tips for creating a college and career ready environment and involving parents
