John OWEN (D.D.)

Faith And Justification:

The Doctrine of Justification by Faith John Owen, 2016-09-28 A puritan approach to justification Owen explores the early church and other historical thinking about the topic of justification Then he approaches the topic of faith and how importantly that plays in our being justified Lastly he expounds on the Lord Jesus righteousness as the reason that we can stand justified Special Issue—Justification by Faith: A Historical Evaluation Various, 2024-12-01 In this issue of Affirmation Heb 1 3 it is impossible to progress in our full salvation without the assurance and without the security that come with a proper realization and experience of justification by faith The faith that joins us to Christ as righteousness for our justification is the very faith that permeates and operates throughout all of God's salvation work in His believers 1 Tim 1 4 and thus a proper understanding of justification by faith sets us on the right path to the full salvation of our entire being Our hope is that in reading these accounts of the church's advancing understanding of justification by faith across the millennia our readers will come to the same appreciation and the same boldness that we have arrived at in writing these accounts

Justification by Faith in Catholic-Protestant Dialogue Anthony N. S. Lane, 2006-06-10 In this assessment of the recent Catholic Protestant dialogue concerning the doctrine of justification Anthony Lane begins by discussing traditional Protestant doctrine with close reference to Calvin and traditional Catholic doctrine with close reference to the Council of Trent He goes on to examine eight key documents from Hans Kung's Justification 1957 to the Joint Declaration on the Doctrine of Justification 1999 Fifteen key theological issues are then explored These include the status of theological language used by Catholics and Evangelicals the definition of justification the grounds on which a person is accounted righteous the question of sin remaining in the Christian whether faith alone can save the relationship between law and gospel the question of merit and reward the assurance of salvation and finally a discussion on the Roman Magisterium and current Evangelical responses to recent changes in Catholic theology In conclusion Anthony Lane discusses the extent to which any agreement or convergence of thinking has been achieved and its future significance **Justification by Faith** Gerhard O.

Forde, 2012-04-11 Justification by faith alone labels theologically the motor that energizes the Reformation The dynamic behind the language can still mean renewal for theology and church today but only if that legal metaphor is not left to stand alone Gerhard Forde calls for a recovery of Paul's equally vital metaphor of death resurrection which speaks of our dying to the old and being raised to new life in Christ Justification he contends is death and rising and where these complementary metaphors are allowed to interpret one another the Gospel can once again explode with all its original power This fresh appropriation of the confessional witness contributes not only to an enhanced understanding of Reformation teachings but also to an ecumenical dialogue that is zeroing in more closely on the catholic provenance and current vitality of the Augsburg Confession **Of Justification by Faith and Works** William Law, 1762 *Justification. Is it by faith or by works?.*, 1857

Faith Alone R. C. Sproul, 1999-02-01 A leading theologian explains the biblical doctrine of justification by faith alone and

urges fellow evangelicals to embrace this classic Protestant teaching Justification by Faith Nate Pickowicz,2018-11-07

The battle of the Protestant Reformation was waged over this primary question How does a sinful person get right with a just God At the heart of it the Reformers contended that sinners are justified declared righteous by God through faith alone in Jesus Christ While Martin Luther is often credited with re discovering the doctrine of justification it was Calvin who more fully explored the depths of this doctrine giving it a thorough treatment in his magisterial work Institutes of the Christian Religion In this volume Nate Pickowicz has selected out and edited Calvin s treatment on justification the marrow of Reformation doctrine **Justification by Faith. A sermon, on Romans iv. 5** John Wesley,1815 The Doctrine of Justification by Faith through the imputation of the Righteousness of Christ, explained, confirmed and vindicated John OWEN (D.D.),1816 The doctrine of justification by faith through the imputation of the righteousness of Christ explained ... and vindicated John Owen,1823 Justification and Sanctification Peter Toon,2018-01-11 In the sixteenth century the Western Church was rent asunder by the quarrel over justification Today scholars from churches on both sides of the controversy are carefully rethinking the question Dr Toon shows how contemporary biblical scholarship and exegesis are attempting to resolve the thorny question of justification without compromising the integrity of either side Provocative and far reaching in its analysis and conclusions Justification and Sanctification gives the student an invaluable introduction while providing the scholar a fresh look at the issue By Faith Alone Gary L. W. Johnson,Guy Prentiss Waters,2007-03-06 The Reformation swept across Europe with a God glorifying gospel of grace Now the doctrine of grace cherished and proclaimed by the Reformers is under renewed assault from an unexpected place the evangelical church itself With the help of several theologians Gary L W Johnson and Guy P Waters trace the background and development of two seemingly disparate movements that have surfaced within the contemporary church the New Perspective s on Paul and the Federal Vision and how they corrupt the truth of salvation by faith alone By regaining a focus on the doctrine of grace pastors seminarians and future leaders can regain the cohesion coherence and direction to truly build the church to withstand the attacks of false and empty doctrines **Challenging the Traditional Interpretations of Justification by Faith, Part 1** John A. Campbell,Tony H. Espinosa,Mitchell J. Kennard,Joel I. Oladele,John-Paul Petrash,Kerry S. Robichaux,2022-01-01 This volume is the first of a two part work that evaluates the teaching of justification by faith from the early church to modern times in light of the Scriptures and the ministry of Watchman Nee and Witness Lee Part 1 begins with a thorough presentation of the evaluative standard by which the authors will measure the teachings of the various Christian traditions Then following a historical overview of justification by faith in the major traditions they proceed to give a detailed assessment of the doctrine as taught in the patristic era in the medieval era and by Martin Luther at the inception of the Protestant Reformation The volume aims to point out the shortcomings and contributions of the first 1 500 years of the church s teaching on justification by faith and to offer a fresh understanding of this foundational truth of the Christian faith **No Other Gospel** Josh

Moody,2011-01-05 As fallen human beings we are quick to deviate from the true gospel for as Pastor Josh Moody writes we tend toward human gospels Believers must constantly battle to maintain the purity and simplicity of the gospel Paul was acutely aware of this as he wrote his letter to the Galatians He was writing to an established church experienced believers who had started to slip in their gospel witness Moody finds in Galatians particular relevance and parallels to many churches today Stemming from a series of sermons delivered to his church he examines thirty one reasons Paul gives for this gospel Moody writes this book with a pastor s heart addressing important topics such as The Gospel Not Moralism and The Use of Gospel Freedom Paul s message is foundational to the Christian faith and thoughtful readers will benefit from Moody s exposition The Doctrine of Justification by Faith Through the Imputation of the Righteousness of Christ, Explained, Confirmed, & Vindicated John Owen,1677 *Faith Alone---The Doctrine of Justification* Thomas R. Schreiner,2015-09-15 Renowned biblical scholar Thomas Schreiner looks at the historical and biblical roots of the doctrine of justification and offers an updated defense of this pillar of Reformed theology Reinvigorating one of the five great declarations of the Reformation sola fide Schreiner Summarizes the history of the doctrine looking at the early church and the writings of several of the Reformers Walks readers through an examination of the key biblical texts in the Old and New Testament that support the Reformed understanding of justification Discusses whether justification is transformative or forensic and introduces readers to some of the contemporary challenges to the Reformation teaching of sola fide with particular attention to the new perspective on Paul Five hundred years after the Reformation the doctrine of justification by faith alone still needs to be understood and proclaimed In Faith Alone you will learn how the rallying cry of sola fide is rooted in the Scriptures and how to understand this doctrine in a fresh way THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God s glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches
