Think and Believe Frederick W. Marks, 2012 A coherent forceful and compelling case for God and the Church founded by Jesus of Nazareth This is a remarkable achievement of solid factual information that is loaded with ammunition for the new evangelization Contains colorful vignettes of historic moments alternating with sustained argument Marks challenges the reader to set aside long held assumptions and prejudices Jesus is the only one who proclaimed himself sinless and the only one who ever claimed to be God His followers converted an entire empire without resort to violence and after winning Rome they not only gave the world its calendar but transformed pagan culture beyond recognition These hard cold facts are presented here with copious notes for easy identification of persons events or doctrines that may be unfamiliar The reader will also find a detailed index and useful appendices     *The Divine Revelation* Karl August Auberlen, 1867     **Kant: A Biography** Manfred Kuehn, 2001-03-19 This is the first full length biography in more than fifty years of Immanuel Kant one of the giants amongst the pantheon of Western philosophers as well as the one with the most powerful and broad influence on contemporary philosophy It is well known that Kant spent his entire life in an isolated part of Prussia living the life of a typical university professor This has given rise to the view that Kant was a pure thinker with no life of his own or at least none worth considering seriously In this biography Manfred Kuehn debunks that myth once and for all Taking account of the most recent scholarship Professor Kuehn allows the reader whether interested in philosophy history politics German culture or religion to follow the same journey that Kant himself took in emerging as a central figure in modern philosophy     *I Am Put Here for the Defense of the Gospel* Terry L. Miethe, 2016-04-19 Dr Norman L Geisler has been called the father of evangelical Christian philosophy He has written more than one hundred books and taught at universities and top seminaries for some fifty six years He was the first president of the Evangelical Philosophical Society and the founder and first president of the International Society of Christian Apologetics He has spoken or debated in more than two dozen countries and held pastoral pulpit ministries in four states Many view him as a cross between Thomas Aquinas and Billy Graham No one has done more to communicate the modern challenges of the Faith to the average Christian to the church and to the academy This volume offers creative and constructive essays from twenty three contributors all notable in their own right who preserve and propagate Dr Geisler's ideas and express appreciation for his influence Those who know him best say he is true faithful and blessed by God     America's Book Mark A. Noll, 2022 Noll's magisterial work highlights not only the centrality of the Bible for the nation's most influential religious figures Methodist Francis Asbury Richard Allen of the African Methodist Episcopal Church Catholic Bishop Francis Kenrick Jewish scholar Solomon Schechter agnostic Robert Ingersoll but also why it was important for presidents like Abraham Lincoln notable American women like Harriet Beecher Stowe Elizabeth Cady Stanton and Frances Willard dedicated campaigners for civil rights like Frederick Douglass and Francis Grimké lesser known figures like Black authors Maria Stewart and Harriet Jacobs and a host of others of high estate and low

The Missiological Spirit Amos Yong, 2014-11-10 The field of the theology of mission has developed variously across Christian traditions in the last century Pentecostal scholars and missiologists also have made their share of contributions to this area This book brings the insights of pentecostal theologian Amos Yong to the discussion It delineates the major features of what will be argued as central to a viable vision and praxis for Christian mission in a postmodern post Christendom post Enlightenment post Western and postcolonial world

What emerges will be a distinctively pentecostally and evangelically informed missiological theology one rooted in the Christian salvation history narrative of Incarnation and Pentecost that is yet open to the world in its many and various cultural ethnic religious and disciplinary discourses and realities The argument unfolds through dialogical engagements with the work of others concrete case studies and systematic theological reflection Yong s pneumatological and missiological imagination proffers a model for Christian theology of mission suitable for the twenty first century global and pluralistic context even as it exemplifies how a missiological understanding of theology itself unfolds amidst engagements with contemporary ecclesial practices and academic theological impulses
