**Gone to Green Series Bundle, Gone to Green, Goodness Gracious Green & Glory of Green - eBook [ePub]** Judy Christie, 2014-02-04 This bundle contains *Gone to Green*, *Goodness Gracious Green* and *The Glory of Green*. *Gone to Green* When Lois goes from being a corporate journalist at a large paper in the Midwest to the owner of *The Green News* Item a small twice weekly newspaper in rural North Louisiana her orderly life starts to unravel. The paper was an unexpected inheritance from a close colleague and Lois must keep it for at least a year bringing a host of challenges, lessons and blessings into her life. Whether fighting a greedy deceitful politician or rescuing a dog she fears, Lois notices the headlines in her life have definitely improved. She learns how to provide small town news in a big hearted way and realizes that life is full of newsworthy moments. When she encounters racial prejudice and financial corruption, Lois also discovers more about the goodness of real people and the importance of being part of a community. While secretly preparing the paper for a sale, Lois begins to realize that God might indeed have a plan for her life and that perhaps the allure of city life and career ambition are not what she wants after all. *Goodness Gracious Green* The charming and uncertain journalist is delighted with her decision to keep *The Green News* Item and excited about the possibility of romance with her good looking catfish farmer coach neighbor and the growth of her fresh faith and friendships. Her second year in Green has scarcely been rung in though before Lois is wrung out. The former owners of the paper want it back. The mayor's dog bites her on the face. A series of fires threaten Lois. And while her friends blossom, Lois feels wilted. Although Lois finds fresh hopes turning stale in her second year in Green in the midst of challenges and lessons, Lois's journey still explodes with possibilities. *The Glory of Green* With wedding plans well underway, Lois Barker plots to gracefully get rid of her groom's catfish collection, stuffed ceramic woven. Her husband to be, Chris, on the other hand, has decided to get rid of something else, his homestead, which he gives to a needy Mexican family at church. Life is full of possibilities and the community of Green is tickled pink that their newspaper owner is settling down with one of their own. However, the beloved small town journalist is about to be blown away by tragedy and by the grace that enfolds her in her third year in Green, Louisiana.
