There's No Place Like Home Jasinda Wilder, 2017-12-13 I see us in a million montages you and me Ava in a million vignettes Visions of us You are beneath me You stare up at me You gaze lovingly into my eyes and you do not look away as you come apart I see

this moment over and over and over again You whisper something as the shudders wrack you yet the words you whisper are lost to me I want those words they mean everything What is it you whisper in the moment of our most intimate completion My name surely What is it you whisper Ava Please tell me Whisper those sounds to me again even just once I beg you Come to me and come for me and come with me I will hear those sweet dulcet syllables blooming from your lips and I will know myself and I will know I am home Memory is a harsh mistress she embellishes the beautiful and serene yet she also sharpens the edges of pain All I have left of my husband Christian is memory Everything else is gone Our son Henry conceived and cherished and born and grown in the fertile soil of our love he is dead He molds six feet under the black loam of a Florida cemetery The home we created for ourselves in Ft Lauderdale is a pile of rubble demolished by a hurricane That home and everything in it is utterly gone Even the rubble by now is likely cleared away And all I know is right now I m scared of letting myself grieve for Henry I m scared I ll never find Christian And if I never find Christian what will I do Who will I be

Goode Vibrations Jasinda Wilder,2020-08-28 I m no stranger to beautiful places and beautiful women the life I ve led has left me jaded to both or so I thought Then a working holiday photographing the wild lonely places of America leads me to a goddess She s all long black hair and dangerous curves fiercely independent with art in her soul She sets me on fire she turns me inside out and in so doing she shows me the man I ve kept hidden within the inner sanctum of my lonely heart She is Poppy Goode and I cannot live without her Hitchhiking from Manhattan New York to Ketchikan Alaska seems like a pretty interesting way to discover one s self and one s purpose in this universe I meet all kinds of people along the way so it s not
