#### QUESTION 1

- 1.1. Learners did not respond well in this question. They only focussed on the Xhosa culture and failed to discuss other racial cultures as illustrated in the question paper.
- 1.2. This question was well answered by the majority of learners. This is reflected in the marks they have obtained. This overwhelming response can be attributed to the fact that the topic was about the use of cellular phones which they are really fond of.
- 1.3. Few students attempted to answer this question due to either ignorance or lack of information regarding the importance of newspaper or magazine reading, thus failing to sharpen their reading skills.
- 1.4. Those learners who have chosen this topic have failed to specify their requests or suggestions to the State President whom they had to 'imaginary' meet, as a result they put forward the state of affairs in South Africa (mainly bad) which defeated the purpose of the question.
