MARTIN LUTHER, HAROLD ULRIK SVERDRUP,
ERICH PONTOPPIDAN, EMIL GUNERIUS LUND

Explanation Luthers Small Catechism Sverdrup

**Morwenna Ludlow,Charlotte
Methuen,Andrew Spicer**

Explanation Luthers Small Catechism Sverdrup:

Explanation of Luther's Small Catechism Harald Ulrik Sverdrup,1900 **Explanation of Luther's Small Catechism** Erick Pontoppidan,2017-09-28 Many explanations of Luther's Small Catechism have been prepared by approved teachers in the Church. Prominent among these is the one prepared by Dr Erick Pontoppidan, Bishop of Bergen, Norway, 1748-1755, afterwards Chancellor of the University of Copenhagen till his death in 1764. His larger Explanation of Luther's Small Catechism appeared in 1737. This in epitomized form has long been used in the Church of Norway and in the Norwegian Lutheran Church of America and has there proved to be an efficient and blessed means of advancing the religious training of the young. A well known and widely used Epitome of Pontoppidan's Explanation was made by Rev H U Sverdrup, pastor during 1849-1883 of Balestrand parish in Sogn, Norway. This received royal authorization in 1865. In 1893 an abridgment of Sverdrup's Epitome was sanctioned by the Department of Church and Education. It is from this abridgment that the following translation has been made. This translation has been made at the request of the Publishing Committee of the United Norwegian Lutheran Church of America and is issued by its Publication House at Minneapolis, Minn. The translation of the text of Luther's Small Catechism is the Standard English Version made by a joint committee of leading Lutheran church bodies in the United States and completed in 1898. This is printed separately at the beginning of the book so as to facilitate its use in the important work of memorizing. It is printed again in Italics throughout the questions and answers where it has been slightly modified in two or three instances in order to conform more closely with Sverdrup's arrangement. These modifications however present no essential changes. The words "Go ye therefore and make disciples of all the nations" have been substituted for those of the English Catechism Version "Go ye and teach all nations" so as to accord with the Norwegian rendering of Matth 28:19. For obvious reasons a literal translation has not been made of certain questions and answers whose original phraseology depended on the Norwegian Catechism text. In these cases the translation has been conformed to the text of the Standard English Version. Otherwise the original has been followed as closely as possible. May the blessing of God attend this little book on its mission among the children and young people of our Church and prosper it as a means of establishing them in the faith which was once delivered unto the saints. E. G. L. Minneapolis, April 10, 1900.

Luther's Small Catechism Explained in Questions and Answers Harald Ulrik Sverdrup,2021-04-25 This is the 1897 publication of an Explanation of Luther's Small Catechism by Pastor H U Sverdrup based on Dr Pontoppidan's Explanation of the Catechism. The book is a translation into English and is abridged from an earlier version. Luther's Small Catechism is a catechism written by the church reformer Martin Luther and published in 1529 for the training of children. Luther's Small Catechism reviews the Ten Commandments, the Apostles' Creed, the Lord's Prayer, the Sacrament of Holy Baptism, the Office of the Keys, and Confession and the Sacrament of the Eucharist. It is included in the Book of Concord as an authoritative statement of what Lutherans believe.
