

You borrowed Direct Subsidized Loans and/or Direct Unsubsidized Loans to help you finance your education. Repaying these loans is a serious responsibility. This guide explains some of the most important information that you will need to successfully manage and repay your loans.

Throughout this guide, the words "we," "us," and "our" refer to the U.S. Department of Education. The word "loan" refers to one or more Direct Subsidized Loans or Direct Unsubsidized Loans that you borrowed.

The William D. Ford Federal Direct Loan Program

The William D. Ford Federal Direct Loan (Direct Loan) Program includes the following types of loans:

- Federal Direct Stafford/Ford Loans (Direct Subsidized Loans)
- Federal Direct Unsubsidized Stafford/Ford Loans (Direct Unsubsidized Loans)
- Federal Direct PLUS Loans (Direct PLUS Loans)
- Federal Direct Consolidation Loans (Direct Consolidation Loans)

Loans made under the Direct Loan Program are known collectively as "Direct Loans." Direct Loans are made by the U.S. Department of Education.

U.S. Department of Education

Where You Can Find Your Direct Loan Records

Direct Loans are reported to the National Student Loan Data System (NSLDS). NSLDS is our central database for student aid records. It provides a centralized view of your loans, tracking your loans from when they are approved through when they are paid off. You may access your account on the NSLDS web site at www.nsls.ed.gov by using a Personal Identification Number (PIN) that we assign to you along with other identifying data. If you do not have Internet access, you may call 800-4-FED-AID (800-433-3243).

FSA Ombudsman

The FSA Ombudsman works with federal student loan borrowers to resolve loan disputes or problems from an impartial, independent viewpoint. If you have a problem with a federal student loan that you have not been able to resolve through the normal processes, contact the FSA Ombudsman at 877-557-2575 or www.ombudsman.ed.gov.

The Ombudsman will research your problem and work with you and the agency or company involved in the problem to identify options for resolving the disagreement. The process of finding all the facts of a complaint and explaining that information to all the parties involved often leads to the development of reasonable and fair solutions. Regardless of the outcome, the Ombudsman will explain how the conclusion was reached.

The Ombudsman is not an advocate or a legal advisor and cannot force or reverse decisions. Your complaint is considered from all perspectives in an impartial and objective way. When the facts of your complaint suggest a need for systemic change, it is the Ombudsman's job to help develop recommendations for those changes.

Master Promissory Note for Direct Subsidized Loans and Direct Unsubsidized Loans

Direct Subsidized Loans and Direct Unsubsidized Loans are made to students to help pay for the cost of education beyond high school. In most cases, the loans you received were made under a Master Promissory Note (MPN). The MPN is a legally binding agreement between you and us and contains the terms and conditions of your loans.

Under an MPN, you may receive more than one loan over a period of up to 10 years to pay for your educational costs, as long as the school you are attending is authorized to make multiple loans under the MPN and chooses to do so.

If the school you are attending is not authorized or chooses not to make multiple loans under the MPN, or if you do not want to receive more than one loan under the MPN, you must sign a new MPN for each loan that you receive. If you do not want to receive more than one loan under the MPN, you must notify the school you are attending or the Direct Loan Servicing Center in writing.

Interest Rate

The interest rate on Direct Subsidized Loans and Direct Unsubsidized Loans is a variable rate that is based on a formula established by law. The interest rate may be adjusted each year on July 1. As a result, your interest rate may change annually, but it will never exceed 8.25 percent. We will notify you annually of the actual interest rate for each loan that you receive.

Payment of Interest

We do not charge interest on a Direct Subsidized Loan while you are enrolled in school at least half-time, during your grace period, and during deferment periods. We charge interest on a Direct Subsidized Loan during all other periods (starting on the day after your grace period ends), including forbearance periods.

We charge interest on a Direct Unsubsidized Loan during all periods (starting on the day your loan is paid out). This includes periods while you are enrolled in school at least half-time, during your grace period, and during deferment and forbearance periods. Therefore, you will pay more interest on a Direct Unsubsidized Loan than on a Direct Subsidized Loan.

If you do not pay the interest as it is charged on either type of loan, we will add it to the unpaid principal amount of your loan. This is called "capitalization." Capitalization increases the unpaid principal balance of your loan, and we will then charge interest on the increased principal amount.

You may be able to claim a federal income tax deduction for interest payments you make on Direct Loans. For further information, refer to IRS Publication 970, which is available at www.irs.ustreas.gov.

Repayment Incentive Programs

A repayment incentive is a benefit that we offer to encourage you to repay your loan on time. Under a repayment incentive program, the interest rate we charge on your loan may be reduced. Some repayment incentive programs require you to make a certain number of payments on time to keep the reduced interest rate. The two repayment incentive programs described below may be available to you. The Direct Loan Servicing Center can provide you with more information on other repayment incentive programs that may be available.

(1) Interest Rate Reduction for Electronic Debit Account Repayment

Under the Electronic Debit Account (EDA) repayment option, your bank automatically deducts your monthly loan payment from your checking or savings account and sends it to us. EDA helps to ensure that your payments are made on time. In addition, you receive a 0.25 percent interest rate reduction while you repay under the EDA option. We will include information about the EDA option in your first bill. You can also get the information on the Direct Loan Servicing Center's web site, or by calling the Direct Loan Servicing Center.

(2) Up-Front Interest Rebate

You may receive an up-front interest rebate on your Direct Subsidized Loans and Direct Unsubsidized Loans. The rebate is equal to a
