Exodus In The Jewish Experience Echoes And Reverberations

Pamela Barmash, W. David Nelson

Exodus In The Jewish Experience Echoes And Reverberations:

Exodus in the Jewish Experience Pamela Barmash, W. David Nelson, 2015 *Exodus in the Jewish Experience Echoes and Reverberations* investigates how the Exodus has been and continues to be a crucial source of identity for both Jews and Judaism. It explores how the Exodus has functioned as the primary model from which Jews have created theological meaning and historical self understanding. It probes how and why the Exodus has continued to be vital to Jews throughout the unfolding of the Jewish experience. As an interdisciplinary work, it incorporates contributions from a range of Jewish Studies scholars in order to explore the Exodus from a variety of vantage points. It addresses such topics as the Jewish reception of the biblical text of Exodus, the progressive unfolding of the Exodus in the Jewish interpretive tradition, the religious expression of the Exodus as ritual in Judaism, and the Exodus as an ongoing lens of self understanding for both the State of Israel and contemporary Judaism. The essays are guided by a common goal to render comprehensible how the re-envisioning of Exodus throughout the unfolding of the Jewish experience has enabled it to function for thousands of years as the central motif for the Jewish people.

Exodus in the Jewish Experience Pamela Barmash, W. David Nelson, 2015-05-14 *Exodus in the Jewish Experience Echoes and Reverberations* investigates how the Exodus has been and continues to be a crucial source of identity for both Jews and Judaism. It explores how the Exodus has functioned as the primary hermeneutical model from which Jews have created theological meaning and historical self understanding.

Reimagining Exodus David Zaslow, 2017-03-01 More than half the world's population is familiar with the exodus of the Israelites from Egypt when they were liberated from slavery. Religious groups and movements of liberation from the Puritans to Mormons to the American Civil Rights Movement have used it as a template and an inspiration in their own struggles for freedom. In Jewish tradition, the Exodus is applied to the individual life journey with captivities, freedoms, and wildernesses. This book will explore how the struggles in Genesis can be applied to our issues today, personal and cultural. Rabbi Zaslow weaves a connective tapestry for people of faith who no longer want their religions to divide them from each other. *Reimagining Exodus* takes the reader on a timeless journey. It shows how the Passover story has been a roadmap for both spiritual and personal liberation for thousands of years. As the foundational story beneath Judaism and Christianity, it is time to reimagine how this seminal story relates to our world and our personal lives today. Fr. Richard Rohr, Center of Action and Contemplation. David Zaslow has taken one of the greatest stories ever told and made it even greater. This book is a tremendous gift to anyone who is taking a journey of the soul seeking to escape internal slavery and make it to the promised place where suffering is no more. Marianne Williamson, teacher and author of *Tears to Triumph*. With the mind of a scholar, the heart of a poet, and the soul of a Hasidic teacher, Rabbi David Zaslow explains the Biblical exodus as more than an epic event. This book offers readers the ancient story as a contemporary compass, one which can guide our lives toward greater meaning and purpose regardless of the faith we follow, citizenship we hold, or the politics we practice. Rabbi Brad Hirschfeld, President, Clal, The National Jewish Center for

Learning and Leadership *Exodus in the New Testament* Seth M. Ehorn, 2022-03-24 In focusing exclusively on the book of Exodus and its constant allusions in the New Testament this new collection of studies seeks both to increase knowledge of the textual transmission of Exodus in the first century and to encourage further methodological reflection on the use of Scripture vs scriptural traditions as employed by ancient authors First exploring the role of Exodus within Judaism in the Second Temple Period the contributors then reflect upon the rhetorical impact of Exodus citations and allusions in the New Testament By taking the reader from the Four Gospels through the Pauline and Disputed Letters and Hebrews and all the way to Revelation itself this volume demonstrates both the unity and the diversity of appeals to Exodus traditions in Jewish and Christian literature within the Second Temple Period *In the Shadow of Empire* Pamela Barmash, Mark W. Hamilton Hamilton, 2021-11-05 Empires Come and Go Homelands Never Readers of the Hebrew Bible know the basic story line during the early sixth century BCE the Babylonian ruler Nebuchadnezzar sacked Jerusalem deported a portion of the population to Mesopotamia and triggered a crisis of faith in the minds of prophets priests and liturgists that still echoes through the centuries Though many Judahites chose to make their way home under Persian imperial control the straightforward biblical story of exile and return masks many complex issues of evidence and fact Unlike previous studies that focused narrowly on the Babylonian exile of the Judahite elites this volume widens the geographical and temporal scope to include the Assyrian Babylonian and Persian Empires Improved access to and understanding of relevant texts iconography and material culture provide an opportunity for scholars to reappraise methods of imperial control and the responses of those in exile and under occupation Contributors Pamela Barmash Ryan P Bonfiglio Caralie Cooke Lisbeth S Fried Martien A Halvorson Taylor Mark W Hamilton Matt Waters and Ian D Wilson lay a firm foundation for future work on the long sixth century **God's Quest** Lyman C.D. Kulathungam, 2019-12-09 Why bother with God when he is viewed as a sacred superstition a discarded non entity or a pretext for religious wars Jews and Christians have doubted and discarded God at many times throughout the ages and have also justified countless conflicts in his name Their history however tells a different story Here we observe the historical reality of God's relentless quest to relate with people whether Jew or gentile Despite significant differences between these communities this is the DNA that binds them and places them in a paradigm different from the one articulated in The Quest Christ Amidst the Quest where people are seeking to be freed from their predicament The Judeo Christian narrative shows God's incessant quest orchestrated through various channels such as scriptural revelation miraculous interventions covenantal commitments divine presence in the tabernacle or the temple God's sacrificial incarnation in Christ and the advent of the anticipated Jewish Messiah The narrative climaxes in a grand finale when humans and their habitat will be ushered into an age of peace and harmony Journeying through such a narrative will provide assurance that God is walking with you amidst life's turmoil and that the best is yet to be *A Theology of Justice in Exodus* Nathan Bills, 2020-10-16 This book traces the theme of justice throughout the narrative of Exodus in order to explicate how yhwh's reclamation of Israel for

service worship reveals a distinct theological ethic of justice grounded in yhwh s character and Israel s calling within yhwh s creational agenda Adopting a synchronic text immanent interpretive strategy that focuses on canonical and inner biblical connections Nathan Bills identifies two overlapping motifs that illuminate the theme of justice in Exodus First Bills considers the importance of Israel s creation traditions for grounding Exodus s theology of justice Reading Exodus against the backdrop of creation theology and as a continuation of the plot of Genesis Bills shows that the ethical disposition of justice imprinted on Israel in Exodus is an application of yhwh s creational agenda of justice Second Bills identifies an educational agenda woven throughout the text The narrative gives heightened attention to the way yhwh catechizes Israel in what it means to be the particular beneficiary and creational emissary of yhwh s justice These interpretative lenses of creation theology and pedagogy help to explain why Israel s salvation and shaping embody a programmatic applicability of yhwh s justice for the wider world This volume will be of substantial interest to divinity students and religious professionals interested in the themes of exodus exile and return

A Short History of Judaism and the Jewish People Steven Leonard Jacobs, 2023-11-16 In this exciting addition to Bloomsbury s Short Histories series Steven Leonard Jacobs critically yet concisely examines the history of Judaism and the Jewish people drawing from maps photographs and archives to illuminate the history of one of the world s oldest religions Beginning by establishing a definition of Judaism Jacobs explores the historiography of the Jewish people in addition to the role of memory in charting history Including a comprehensive breakdown of the history of Judaism the author splits discussion into defined eras taking readers from the beginnings of Judaism to the split between Judah in the South and Israel in the North the united Monarchy and the Age of the Prophets Exploring the social structures and institutions of ancient Israel Jacobs incorporates key themes such as civic life economics and art before analysing the interactions of Judaism with Romanism and Hellenism Moving through the Middle Ages and Pre Modernity and acknowledging the role of key figures such as Yosef Karo and Moses Mendelssohn this book brings the narrative up to the present day and uncovers the foundations of Judaism in modernity Jacobs authoritative yet engaging prose shines through each of the thirteen chapters which seamlessly intertwine to produce a thorough yet concise examination of the history of Judaism and Jewish peoples

Biblical Reception, 4 David Tollerton, 2016-12-01 Biblical Reception is rapidly becoming the go to annual publication for all matters related to the reception of the bible The annual addresses all kinds of use of the bible in art music literature film and popular culture as well as in the history of interpretation For this fourth edition of the annual guest editor David Tollerton has commissioned pieces specifically on the use of the bible in one film Exodus Gods and Kings and these chapters consider how the film uses the bible and how the bible functions within the film

Understanding the Pentateuch as a Scripture James W. Watts, 2017-10-23 A cutting edge scholarly review of how the Pentateuch functions as a scripture and how it came to be ritualized in this way Understanding the Pentateuch as a Scripture is a unique account of the first five books of the Bible describing how Jews and Christians

ritualize the Pentateuch as a scripture by interpreting it by performing its text and contents and by venerating the physical scroll and book Pentateuchal studies are known for intense focus on questions of how and when the first five books of the Bible were composed edited and canonized as scripture Rather than such purely historical literary or theological approaches Hebrew Bible scholar James W Watts organizes this description of the Pentateuch from the perspectives of comparative scriptures and religious studies He describes how the Pentateuch has been used in the centuries since it began to function as a scripture in the time of Ezra and the origins of its ritualization before that time The book Analyzes the semantic contents of the Pentateuch as oral rhetoric that takes the form of stories followed by lists of laws and sanctions Gives equal space to its ritualization in the iconic and performative dimensions as to its semantic interpretation Fully integrates the cultural history of the Pentateuch and Bible with its influence on Jewish and Christian ritual and in art music theatre and film Understanding the Pentateuch as a Scripture is a groundbreaking work that highlights new research data and organizes the material to focus attention on the Pentateuch's and Bible's function as a scripture

Coherent Judaism Shai Cherry, 2021-06-29

Coherent Judaism begins by excavating the theologies within the Torah and tracing their careers through the Jewish Enlightenment of the eighteenth century Any compelling contemporary Judaism must cohere as much as possible with traditional Judaism and everything else we believe to be true about our world The challenge is that over the past two centuries our understandings of both the Torah and nature have radically changed Nevertheless much Jewish wisdom can be translated into a contemporary idiom that both coheres with all that we believe and enriches our lives as individuals and within our communities Coherent Judaism explains why pre modern Judaism opted to privilege consensus around Jewish behavior halakhah over belief The stresses of modernity have conspired to reveal the incoherence of that traditional approach In our post Darwinian and post Holocaust world theology must be able to withstand the challenges of science and history Traditional Jewish theologies have the resources to meet those challenges Coherent Judaism concludes by presenting a philosophy of halakhah that is faithful to the covenantal aspiration to live long on the land that the Lord our God has given us

The Oxford Handbook of Biblical Law Pamela Barmash, 2019-10-10 Major innovations have occurred in the study of biblical law in recent decades The legal material of the Pentateuch has received new interest with detailed studies of specific biblical passages The comparison of biblical practice to ancient Near Eastern customs has received a new impetus with the concentration on texts from actual ancient legal transactions The Oxford Handbook of Biblical Law provides a state of the art analysis of the major questions principles and texts pertinent to biblical law The thirty three chapters written by an international team of experts deal with the concepts significant texts institutions and procedures of biblical law the intersection of law with religion socio economic circumstances and politics and the reinterpretation of biblical law in the emerging Jewish and Christian communities The volume is intended to introduce non specialists to the field as well as to stimulate new thinking among scholars working in biblical law

A History of German Jewish Bible Translation Abigail

Gillman,2018-04-27 Between 1780 and 1937 Jews in Germany produced numerous new translations of the Hebrew Bible into German Intended for Jews who were trilingual reading Yiddish Hebrew and German they were meant less for religious use than to promote educational and cultural goals Not only did translations give Jews vernacular access to their scripture without Christian intervention but they also helped showcase the Hebrew Bible as a work of literature and the foundational text of modern Jewish identity This book is the first in English to offer a close analysis of German Jewish translations as part of a larger cultural project Looking at four distinct waves of translations Abigail Gillman juxtaposes translations within each that sought to achieve similar goals through differing means As she details the history of successive translations we gain new insight into the opportunities and problems the Bible posed for different generations and gain a new perspective on modern German Jewish history

Memory - Papers Read at the Jewish and Christian Perspectives Conference, Utrecht 2022 ,2025-07-28 Memory Papers Read at the Jewish and Christian Perspectives Conference Utrecht 2022 connects past present and future This conference volume demonstrates the diversity of memory in the Jewish and Christian traditions Memory turns out to be a key to investigating and better understanding many aspects of Judaism and Christianity including their mutual relationship In these traditions memory is not simply about recalling events but about preserving identity culture and divine teachings The act of remembering is central to how communities pass down their religious beliefs laws and moral frameworks across generations It also plays a role in communal cohesion ensuring that the experiences of the fathers and their wisdom would not get lost but rather actively re lived and celebrated

Understanding the Bible as a Scripture in History, Culture, and Religion James W. Watts,2021-04-27 UNDERSTANDING THE BIBLE AS A SCRIPTURE IN HISTORY CULTURE AND RELIGION The Bible is a popular subject of study and research yet biblical studies gives little attention to the reason for its popularity its religious role as a scripture Understanding the Bible as a Scripture in History Culture and Religion integrates the history of the religious interpretation and ritual uses of biblical books into a survey of their rhetoric composition and theology in their ancient contexts Emphasizing insights from comparative studies of different religious scriptures it combines discussion of the Bible s origins with its cultural history into a coherent understanding of its past and present function as a scripture A prominent expert on biblical rhetoric and the ritualization of books James W Watts describes how Jews and Christians ritualize the Bible by interpreting it by expressing it in recitations music art and film and by venerating the physical scroll and book The first two sections of the book are organized around the Torah and the Gospels which have been the focus of Jewish and Christian ritualization of scriptures from ancient to modern times and treat the history of other biblical books in relation to these two central blocks of the Hebrew Bible and New Testament In addition to analyzing the semantic contents of all the Bible s books as persuasive rhetoric Watts describes their ritualization in the iconic and expressive dimensions in the centuries since they began to function as a scripture as well as in their origins in ancient Judaism and Christianity The third section on the cultural history and scriptural function of modern bibles concludes by

discussing their influence today and the controversies they have fueled about history science race and gender Innovative and insightful Understanding the Bible as a Scripture in History Culture and Religion is a groundbreaking introduction to the study of the Bible as a scripture and an ideal textbook for courses in biblical studies and comparative scripture studies

Modern Responsa Pamela Barmash,2024 **Writing a Commentary on Leviticus** Christian A. Eberhart,Thomas Hieke,2019-04-15 Writing a commentary on a biblical book is not limited to the scholar s study and desk Hence several experts in the field of Hebrew Bible currently writing a larger commentary on the book of Leviticus followed the invitation of Christian Eberhart and Thomas Hieke to meet between 2014 and 2016 at the Annual SBL Conference They shared their experiences discussed hermeneutical and methodological considerations and presented their ideas about particular themes and issues in the third book of the Torah The results of these consultative panels had significant impact on the production of the commentaries The first part of this volume features essays reflecting on the process of writing a Leviticus commentary including boosts and obstacles while suggesting innovative insights on particular problems of the book The second part identifies certain themes of Leviticus especially sacrifices and rituals the cult the notion of unintentional and deliberate sins and purity impurity the bad and how to eliminate them and the relationship to the sphere of God the holy This section demonstrates how commenting a biblical book highly depends on the perspective a scholar takes and how different commentaries on the same biblical text come to different conclusions because of a diversity of methodological and hermeneutical approaches These are issues innate in the subject matter in the end the variety of approaches bears witness to the complexity intricacy and richness of the biblical text This volume therefore offers a fascinating inside view into the studies and onto the desks of several prolific biblical experts who share their reflections and concepts about their commentaries on Leviticus with an interested audience *Sexuality and Law in the Torah* Hilary Lipka,Bruce Wells,2020-03-19 This book examines many of the laws in the Torah governing sexual relations and the often implicit motivations underlying them It also considers texts beyond the laws in which legal traditions and ideas concerning sexual behavior intersect and provide insight into ancient Israel s social norms The book includes extended treatments on the nature and function of marriage and divorce in ancient Israel the variation in sexual rules due to status and gender the prohibition on male with male sex and the different types of sexualities that may have existed in ancient Israel The essays draw on a variety of methodologies and approaches including narrative criticism philological analysis literary theory feminist and gender theory anthropological models and comparative analysis They cover content ranging from the narratives in Genesis to the laws of Exodus Leviticus and Deuteronomy to later re interpretations of pentateuchal laws in Jeremiah and texts from the Second Temple period Overall the book presents a combination of theoretical discussion and close textual analysis to shed new light on the connections between law and sexuality within the Torah and beyond **Routledge Handbook of Jewish Ritual and Practice** Oliver Leaman,2022-07-08 Ritual and practice are some of the most defining features of religion linked

with its central beliefs Discussing the wide range of Jewish ritual and practice this volume provides a contemporary guide to this significant aspect of religious life and experience Drawing on a wide range of disciplines this volume describes not only what takes place but the reasons behind this and the implications both the theory and practice have for our understanding of Judaism Organized in terms of texts periods practices languages and relationships with the other the book includes accounts of prayer food history synagogues and the various legal and ideological debates that exist within Judaism with the focus on how they influence practice Coming at a time of renewed interest in the role of the body in religion this book aims to bring the theoretical and scriptural issues which arise in this area of Jewish life and culture up to date This volume is aimed at students and researchers working in Jewish studies specifically and religious studies in general Designed to be helpful to those on courses in relevant areas especially in the United States this book includes substantial bibliographical material

The Bible in Folklore Worldwide Eric Ziolkowski, 2023-12-31 The Bible in Folklore Worldwide a two volume illustrated Handbook provides readers with original studies of the reception of the Bible in the folklores of different cultures around the world This second volume focuses on biblically derived characters tales and motifs in Asian African Oceanic and American cultures
