## CE.6 Study Guide

### STANDARD CE.6A

#### -- NATIONAL GOVERNMENT STRUCTURE

The structure and powers of the national government.

The **Constitution** of the United States defines the structure and powers of the national government.

The powers held by government are divided between the **national government** in Washington, D.C., and the governments of the **50 states**.

*What is the structure of the national government as set out in the United States Constitution?*

*What are the powers of the national government?*

**Legislative, executive, and judicial powers** of the national government are distributed among **three** distinct and independent **branches of government**.

#### The legislative branch

- Consists of the **Congress**, a **bicameral legislature** consisting of the **House of Representatives** (435 members, based upon populations of the states) and the **Senate** (100 members—two per state)
- **Makes the laws of the nation**
- **Approves the annual budget**
- **Confirms presidential appointments**
- **Raises revenue** through taxes and other levies
- **Regulates interstate and foreign trade**
- **Declares war**

#### The executive branch

- Headed by the **president** of the United States, the chief executive officer of the nation
- **Executes the laws of the land**

- Prepares the **annual budget** for congressional action
- **Appoints** cabinet officers, ambassadors, and federal judges
- Administers the **federal bureaucracy**

#### The judicial branch

- Consists of the **federal courts**, including the **Supreme Court**, the highest court in the land
- The **Supreme Court** exercises the power of **judicial review**.
- The **federal courts** try cases involving **federal law** and questions involving **interpretation of the Constitution** of the United States.

### STANDARD CE.6B

#### -- SEPARATION OF POWERS

The principle of separation of powers and the operation of checks and balances.

The **powers** of the national government are **separated** among **three branches** of the government in ways that **limit** any one branch from **abusing its power**.

*How do the separation of powers and the system of checks and balances protect against an abuse of power by any one branch of the national government?*

#### Separation of powers

The Constitution of the United States in **Articles I, II, and III** defines the powers of the **legislative, executive, and judicial** branches of the national government.

#### Checks and balances

Each of the three branches of the national government **limits** the exercise of **power** by the other two branches.

The legislative branch
