Confessions Of An Economic Heretic Routledge Revivals:

Confessions of an Economic Heretic J. A. Hobson, 2012-06-15 First published in 1938 this is a reissue of the autobiography of influential economist J A Hobson *Confessions of an Economic Heretic (Routledge Revivals)* J. A. Hobson, 2012 First published in 1938 this Routledge Revival is a reissue of the autobiography of influential economist J A Hobson A comprehensive work it details many aspects of his life including his background influences ethical principles philosophy and religion In a life which spanned great social political and economic change not least that brought about in the aftermath of the first world war Hobson s humanist economic philosophy had a lasting impact upon economic and sociological thought **Confessions of an Economic Heretic** John Atkinson Hobson, 1938 *Reappraising J. A. Hobson (Routledge Revivals)* Michael Freeden, 2009-09-10 J A Hobson was one of the most influential social economic and political theorists of late nineteenth and early twentieth century Britain In this volume first published in 1990 eight scholars reassess the importance and relevance of his work today and affirm him as a major British thinker These original studies place Hobson in context by explaining his intellectual antecedents Cobden Ruskin nineteenth century social and psychological theories and economic thought The book provides an overview of the novelty and incisiveness of Hobson s contribution to British liberal theory and radical practice Historians economists social and political theorists and students of international affairs will find this an important book for a fuller understanding of early twentieth century British progressive thought **Theories of Imperialism (Routledge Revivals)** Norman Etherington, 2014-07-11 First published in 1984 this study examines closely the shifting attitudes towards and theories concerning imperialism from the colonial wars of the late nineteenth century to America s involvement in Vietnam This lucid investigation encompasses the World Wars the disintegration of the Colonies and the Cold War It also gives fascinating insight into the theories of imperialism advocated by such diverse writers as Hobson Wilshire Angell Brailsford Luxemburg and Lenin Throughout the author objectively evaluates the theory that capitalism is a cause of aggression a fundamental tenet of anti imperialist writers It is Norman Etherington s contention that further investigations into the sources causes and effects of imperialism can only take place if the various theories concerning it are analysed A fascinating and detailed study this reissue will be of particular value to students interested in the theories and history of imperialism **Writings on Imperialism and Internationalism (Routledge Revivals)** J. A. Hobson, 2013-11-05 J A Hobson s *Imperialism A Study* first written in 1902 was undoubtedly his most prolific work Yet Hobson wrote frequently about the topic of imperialism over the course of his career and a number of his articles are included in this collection first published in 1992 Exploring areas such as the presence of capitalism in South Africa following his visits to the country in the lead up to the Boer War free trade and the ethical implications of empire these articles and extracts reflect how Hobson s ideas changed over the decades in which they were written This is a fascinating collection of material that provides an unparalleled depth of insight into the views of one of the most important economic thinkers of the

early twentieth century *Democracy After The War (Routledge Revivals)* J. Hobson, 2013-12-17 First published in 1917 Democracy After the War considers the challenges faced in the development of liberal democracy Hobson emphasises the power of reactionary forces and their ability to hold back progress reiterating his view that the crux of the problem lies in the inequalities in income and wealth which led to imperialism Through analysing the economic foundations of imperialist conflicts Hobson comes to the conclusion that the success of democracy rests on the recognised importance of personal liberty *Confessions of an Economic Heretic* John Atkinson Hobson, 1976 **Routledge Revivals: Medieval France (1995)** William W. Kibler, Grover A. Zinn, 2017-07-05 First published in 1995 Medieval France An Encyclopedia is the first single volume reference work on the history and culture of medieval France It covers the political intellectual literary and musical history of the country from the early fifth to the late fifteenth century The shorter entries offer succinct summaries of the lives of individuals events works cities monuments and other important subjects followed by essential bibliographies Longer essay length articles provide interpretive comments about significant institutions and important periods or events The Encyclopedia is thoroughly cross referenced and includes a generous selection of illustrations maps charts and genealogies It is especially strong in its coverage of economic issues women music religion and literature This comprehensive work of over 2 400 entries will be of key interest to students and scholars as well as general readers

Social Science Under Debate Mario Bunge, 1999-01-01 Bunge contends that social science research has fallen prey to a postmodern fascination with irrationalism and relativism He urges social scientists to re examine the philosophy and the methodology at the base of their discipline *For a Working-class Culture in Canada* Canadian Committee on Labour History, 1996 Seafarer poet labour activist short story writer Christian philosopher journalist political economist cultural critic and socialist Colin McKay 1876 1939 was all of these a true working class intellectual Restless and inquiring McKay left the South Shore of Nova Scotia as a boy when he was not at sea he lived at various times in Montreal Saint John Toronto Glasgow London Paris Halifax and Ottawa From these centres he wrote hundreds of articles for the popular press and for literary political and labour publications McKay s insights into a broad range of twentieth century social economic and cultural issues make a forceful but until now unrecognized contribution to Canadian intellectual history For a Working Class Culture in Canada rediscovers this author and his ideas Ian McKay and Lewis Jackson have gathered more than 125 of Colin McKay s most trenchant essays and Ian McKay s introduction and annotations set them into their intellectual and social context Acadiensis Press and the Canadian Committee on Labour History have co operated to publish this unique document in the history of the Canadian working class □□□□□□, 2000 **Pesos or Plastic?** Ken Mitchell, Robert H. Scott, III, 2019-03-28 The book covers financial inclusion in the southern cone Argentina Brazil and Chile and its impact on public finance Possible negative consequences of greater financial inclusion are identified but the book argues potential benefits outweigh costs Financial inclusion has many definitions but in this book we interpret it as bank account ownership and the

use of banking services Financial inclusion in this context proffers advantages in the area of tax collection perhaps the southern cone s gravest economic obstacle given its future debt servicing commitments and its socioeconomic development challenges Households with a bank account or the bank participation rate began increasing significantly around 2002 and this increase has coincided with an unexpected rise in tax collection especially value added taxes VAT spanning periods of macroeconomic growth 2003 2009 and stagnation 2010 2015 Correlation does not imply causation yet using empirical methods this book shows financial inclusion contributes to better tax collection by encouraging more formal market transactions via the use of bank provided credit and debit cards Consumption represents the largest component of most economies and consumption taxes contribute more to public revenue in the southern cone than other taxes hence more formal consumption enhances overall tax collection Las ciencias sociales en discusión Mario Bunge,1999 El merito mayor de esta obra reside en su amplio espectro de contenidos relevantes y en su estructura inteligente confiable y clara De este volumen se aprende muchísimo puede ser utilizado como columna vertebral de un curso o por una persona inteligente que desee iniciarse en cualquiera de las disciplinas que trata Reitero calidad y erudición son sus principales meritos **The Publishers' Circular and Booksellers' Record** ,1924 *Forthcoming Books* Rose Arny,1998-04 *Paperbound Books in Print* ,1992 Reappraising J.A. Hobson Michael Freedman,1990 J A Hobson was an influential social economic and political theorist at the turn of the century Fifty years after his death eight scholars reassess the importance and relevance of his work today and affirm him as a major British thinker *The New Confessions of an Economic Hit Man* John Perkins,2016-02-09 Featuring 15 explosive new chapters this new edition of the New York Times bestseller brings the story of Economic Hit Men up to date and chillingly home to the U S but it also gives us hope and the tools to fight back The previous edition of this now classic book revealed the existence and subversive manipulations of economic hit men John Perkins wrote that they are highly paid professionals who cheat countries around the globe out of trillions of dollars Their tools include fraudulent financial reports rigged elections payoffs extortion sex and murder In Perkins s case the tool was debt convincing strategically important countries to borrow huge amounts of money for enormous development projects that served the very rich while driving the country deeper into poverty and debt And once indebted these countries could be controlled In this latest edition Perkins provides revealing new details about how he and others did their work But more importantly in an explosive new section he describes how the EHM tools are being used around the world more widely than ever even in the U S itself The cancer has metastasized yet most people still aren t aware of it Fear and debt drive the EHM system We are hammered with messages that terrify us into believing that we must pay any price assume any debt to stop the enemies who we are told lurk at our doorsteps The EHM system employing false economics bribes surveillance deception debt coups assassinations unbridled military power has become the dominant system of economics government and society today It has created what Perkins calls a Death Economy But Perkins offers hope he concludes with dozens of specific

concrete suggestions for actions all of us can take to wrest control of our world away from the economic hit men and help give birth to a Life Economy *Confessions of an Economic Hit Man* John Perkins, 2004-11-09 Economic hit men John Perkins writes are highly paid professionals who cheat countries around the globe out of trillions of dollars Their tools include fraudulent financial reports rigged elections payoffs extortion sex and murder John Perkins should know he was an economic hit man His job was to convince countries that are strategically important to the U S from Indonesia to Panama to accept enormous loans for infrastructure development and to make sure that the lucrative projects were contracted to U S corporations Saddled with huge debts these countries came under the control of the United States government World Bank and other U S dominated aid agencies that acted like loan sharks dictating repayment terms and bullying foreign governments into submission This New York Times bestseller exposes international intrigue corruption and little known government and corporate activities that have dire consequences for American democracy and the world It is a compelling story that also offers hope and a vision for realizing the American dream of a just and compassionate world that will bring us greater security
