

CONFLICT & COMMUNITY IN CORINTH

A Socio-Rhetorical
Commentary on
1 and 2
Corinthians

BEN WITHERINGTON III

Conflict And Community In Corinth A Socio Rhetorical Commentary On 1 And 2 Corinthians

Walter F. Taylor

Conflict And Community In Corinth A Socio Rhetorical Commentary On 1 And 2 Corinthians:

Conflict and Community in Corinth Ben Witherington, 1995-01-24 This unprecedented commentary applies an exegetical method informed by both sociological insight and rhetorical analysis to the study of 1 and 2 Corinthians In addition to using traditional exegetical and historical methods this unique study also analyzes the two letters of Paul in terms of Greco Roman rhetoric and ancient social conditions and customs to shed fresh light on the context and content of Paul s message Includes 21 black and white photos and illustrations [Conflict and community in Corinth : a socio-rhetorical commentary on 1 and 2 Corinthians](#)

Conflict and Community in Corinth Ben Witherington, 1995-01-24 This unprecedented commentary applies an exegetical method informed by both sociological insight and rhetorical analysis to the study of 1 and 2 Corinthians In addition to using traditional exegetical and historical methods this unique study also analyzes the two letters of Paul in terms of Greco Roman rhetoric and ancient social conditions and customs to shed fresh light on the context and content of Paul s message Includes 21 black and white photos and illustrations **The Corinthian Dissenters and the Stoics** Albert V. Garcilazo, 2007 This book focuses on the controversy recorded in 1 Corinthians 15 regarding the denial of the resurrection of the dead Many attempts and proposals have been made to understand the background of Paul s opponents By focusing on the possible impact of Stoicism Albert V Garcilazo argues that the internal evidence of the letter indicates that some of the Corinthians had adopted a realized eschatology as well as an antisomatic view of the resurrection which in turn prompted them to reject the future resurrection of the dead Garcilazo suggests that the higher status members of the congregation were influenced by the cosmological anthropological and ethical teachings of the Stoa especially the tenets of the Roman Stoics He demonstrates this possibility by first considering the similarities between the doctrines of the Corinthian dissenters and the teachings of the Stoic philosophers particularly the teachings of Seneca Following a brief overview of Stoicism the author concentrates on some of the theological issues revealed in the letter and examines how other scholars have interpreted 1 Corinthians 15 Finally he provides a detailed analysis of 1 Corinthians 15 12-49 In short Garcilazo argues that the philosophy of the Stoics seemingly contributed to the resurrection controversy recorded in 1 Corinthians 15 *Corinthian Wisdom, Stoic Philosophy, and the Ancient Economy* Timothy A. Brookins, 2014-07-28 This work re-examines the divisive wisdom that Paul addresses in 1 Corinthians Challenging the recent consensus that the Corinthians wisdom was rooted primarily in the Greco Roman rhetorical tradition Timothy A Brookins offers a revisionary thesis centered on discourse similarities between the perspective of the Corinthian wise and the Stoic system of thought Brookins argues that several members of the church after hearing Paul s initial gospel message construed that message in terms of Stoic philosophy and began promoting a kind of Stoic Christian perspective that helped to precipitate divisions in the church Being apprised of their views Paul then exploited the Stoic discourse of his opponents in order to sustain common discursive ground In addition to providing a fresh synthesis of the data in 1 Corinthians Brookins brings in cutting edge

research on the ancient economy as he explores questions related to philosophical education and social status within the church community

Servant Leadership Efrain Agosto, 2012-11 Appearing for the first time in English the writings in this collection reflect some of the most innovative and influential work by Japanese intellectuals in recent years The volume offers a rare and much needed window into the crucial ideas and positions currently shaping Japanese thought shiso In addressing the political historical and cultural issues that have dominated Japanese society these essays cross a range of disciplines including literary theory philosophy history gender studies and cultural studies Contributors examine Japan's imperialist and nationalist past as well as representations and remembrances of this history They also critique recent efforts in Japanese right wing circles to erase or obscure the more troubling aspects of Japan's colonial enterprise in East Asia Other essays explore how Japan has viewed itself in regard to the West and the complex influence of Western thought on Japanese intellectual and political life The volume's groundbreaking essays on issues of gender and the contested place of feminist thought in Japan discuss the similarities between the emotional bullying of women who do not accept traditional gender roles and teasing in schools how the Japanese have adopted elements of Western orientalism to discredit feminism and historical constructions of Japanese motherhood

The New Testament in Color Esau McCaulley, Janette H. Ok, Osvaldo Padilla, Amy L. B. Peeler, 2024-08-06 In this one volume commentary a multiethnic team of scholars holding orthodox Christian beliefs brings exegetical expertise coupled with a unique interpretive lens to illuminate the ways social location and biblical interpretation work together These diverse scholars offer a better vantage point for both the academy and the church

Paul's Witness to Formative Early Christian Instruction Benjamin A. Edsall, 2014-04-08 Benjamin A Edsall re opens the old quest for the preaching and teaching of the early Church through a new approach that draws on ancient communication practices Given that ancient communicators relied explicitly on what they presumed their interlocutors to know the author reconstructs early Christian instruction through Pauline appeals to previous knowledge both explicit and implicit

Paul, Apostle to the Nations Walter F. Taylor, 2012 Who was Paul what did he do what did he write Walter F Taylor sets out to bring together a wealth of contemporary perspectives in a clear and accessible synthesis bringing to bear on his subject the best of recent social scientific and cultural anthropological thinking on Paul An appendix presents a clear summary of issues related to Paul's thought on gender and sexuality

The Morality of Paul's Converts Edwin D. Freed, 2014-12-05 A careful analysis of Paul's letters shows that in every church there were two main groups of converts those who were baptized and those being instructed for baptism Such analysis also makes it possible to determine which parts of each letter were directed towards which group Baptism was the rite by which converts were forgiven their past sins and became members of a renewed community of God from which any who continued to sin were expelled The Morality of Paul's Converts argues that Paul was always more concerned with how converts behaved than with what they believed about Christ Paul remained a Jew even after he accepted Jesus as the Messiah Paul eventually developed beliefs about Jesus as the Son of God in order to win

Gentile converts to faithfulness but this careful analysis of his writings reveals that his primary concern was always the morality of converts His message always remained focused on faithfulness toward God and moral probity **The New Testament** Donald A. Hagner,2012-11-15 This capstone work from widely respected senior evangelical scholar Donald Hagner offers a substantial introduction to the New Testament Hagner deals with the New Testament both historically and theologically employing the framework of salvation history He treats the New Testament as a coherent body of texts and stresses the unity of the New Testament without neglecting its variety Although the volume covers typical questions of introduction such as author date background and sources it focuses primarily on understanding the theological content and meaning of the texts putting students in a position to understand the origins of Christianity and its canonical writings Throughout Hagner delivers balanced conclusions in conversation with classic and current scholarship The book includes summary tables diagrams maps and extensive bibliographies ***Do This in Remembrance of Me*** Bradley Billings,2006-06-09 This title posits a new explanation of the longstanding textual problem affecting the Words of Institution in St Luke s Gospel by arguing that the social situation of the early Christian community explains why such emendations were made By examining the manner in which manuscripts function as windows into the social world of early Christianity Billings provides a fruitful study of the longstanding gap in our knowledge of a significant textual problem represented by the Western Text of Luke **The Missional Entrepreneur** Mark L. Russell,2011-06-01 Business as mission BAM an emerging concept and developing ministry has drawn fascination in missions and business circles BAM embodies the practice of using business strategically accomplishing missional purposes Though the term is ubiquitous in mission circles there is disparity between its meaning There has been much theoretical discussion about BAM but far less research accomplished on how it happens out in reality The Missional Entrepreneur takes an in depth look at business as missions in action with an eye to expose the most effective principles and practices of this movement **The Apologists and Paul** Todd D. Still,David E. Wilhite,2024-06-13 This volume examines the use of Paul s writing within the work of ante Nicene apologetic writers It takes apologetics as a broad genre in which many early Christian writers participated offering rhetorical defenses for emerging aspects of doctrine rooted in understanding of the scriptures and often specifically the writings of Paul The volume interacts with the writings of many significant apologetic writers including Melito of Sardis Clement of Alexandria Tatian Tertullian Hippolytus and Cyprian The chapters examine how these early Christian writers used the letters of Paul to develop their own philosophical ideas and defenses of aspects of the emerging Christian faith The internationally renowned contributors have all been specially commissioned for this volume and an afterword by Todd D Still considers the question of whether or not Paul was an apologist himself **The Earliest View of New Testament Tongues** Maurice E. Vellacott,2024-11-11 This book is a groundbreaking paradigm shifting look at the languages tongues problem glossai of the first century AD Corinthian church It adduces that in a multilingual setting new converts were expressing themselves in their native dialect without translation

where Koine Greek was not yet overriding all regional dialects This cuts against the idea that tongues were supernatural earthly languages an idea not found before AD 160 Vellacott also argues against the view that tongues were heavenly languages as claimed by Pentecostals Charismatics This he says is a novel trend started about 145 years ago by German higher critical scholars and seized upon after the 1906 15 Los Angeles Azusa Street Revival s supposed supernatural earthly languages proved to be a mirage whereupon a redefinition to heavenly angelic non earthly languages occurred This book soundly establishes the credibility of an ancient third view regarding tongues that they were non supernatural learned earthly languages The author endeavors to demonstrate that this is the earliest known Christian interpretation of New Testament tongues languages

A Critical Introduction to the New Testament Carl R. Holladay, 2011-07-01 This book introduces the New Testament in two senses it not only provides basic literary and historical information on each of the twenty seven writings but also orients readers to the religious theological and ethical issues related to the message and meaning of Jesus Christ The overall goal is to help interested readers of the New Testament become informed responsible interpreters of these writings and thereby enrich their personal faith and understanding By giving special emphasis to how the New Testament has helped shape the church s identity and theological outlook throughout the centuries as well as the role it has played within the broader cultures of both East and West this introduction also seeks to assist readers in exercising creative informed leadership within their own communities of faith and in bringing a deeper understanding of early Christianity to their conversations with the wider public Along with separate chapters devoted to each New Testament writing there are chapters explaining how this collection of texts emerged as uniquely authoritative witnesses to the church s faith why they were recognized as canonical whereas other early Christian writings were not how the four canonical Gospels are related to one another including a discussion of the Synoptic Problem how the Jesus tradition his teachings stories from his ministry and the accounts of his suffering death and resurrection originated and developed into Gospels written in narrative form and how the Gospels relate to Jesus Christ as he was and is Also included is a chapter on the writings of Paul and how they emerged as a collection of authoritative texts for the church This chapter includes a discussion of ancient letter writing special considerations for interpreting the Pauline writings and Paul s decisive influence within the history of the church and western culture

The Holy Fool in European Cinema Alina G. Birzache, 2016-02-05 This monograph explores the way that the profile and the critical functions of the holy fool have developed in European cinema allowing this traditional figure to capture the imagination of new generations in an age of religious pluralism and secularization Alina Birzache traces the cultural origins of the figure of the holy fool across a variety of European traditions In so doing she examines the critical functions of the holy fool as well as how filmmakers have used the figure to respond to and critique aspects of the modern world Using a comparative approach this study for the first time offers a comprehensive explanation of the enduring appeal of this protean and fascinating cinematic character Birzache examines the trope of holy foolishness in

Soviet and post Soviet cinema French cinema and Danish cinema corresponding broadly to and permitting analysis of the three main orientations in European Christianity Orthodox Catholic and Protestant This study will be of keen interest to scholars of religion and film European cinema and comparative religion **Paul and his Rivals** Clair Mesick, 2024-08-19 At the heart of Paul's Corinthian correspondence is a historical puzzle How did the relative calm of 1 Corinthians deteriorate into the chaos of 2 Corinthians and what role did the so called Jewish super apostles play in that conflict This book proposes a new solution it was Paul not his rivals who shot the first volley in the Corinthian conflict Paul's claims of unique authority for instance as the architect atop whose foundation all others must build 1 Cor 3 10 and the Corinthians father while others are mere pedagogues 4 15 would relegate other leaders to lesser positions His contention that accepting financial support put an obstacle before the gospel 9 12 would jeopardize the livelihood of apostles who relied on such support Finally Paul's claim that he becomes lawless to the lawless 9 21 or that circumcision is nothing 7 19 could throw into question Paul's own Jewishness cf 2 Cor 11 22 By reading the Corinthian correspondence against the grain imagining how Paul's letter might have backfired for an audience who did not yet take him as scripture this book explores how misunderstandings and misinterpretations can fracture church communities and cause a ripple effect of conflict and accusation **The Blackwell Companion to The New Testament** David E. Aune, 2010-01-22 The Blackwell Companion to the New Testament is a detailed introduction to the New Testament written by more than 40 scholars from a variety of Christian denominations Treats the 27 books and letters of the New Testament systematically beginning with a review of current issues and concluding with an annotated bibliography Considers the historical social and cultural contexts in which the New Testament was produced exploring relevant linguistic and textual issues An international contributor list of over 40 scholars represent wide field expertise and a variety of Christian denominations Distinctive features include a unified treatment of Luke through Acts articles on the canonical Gospels and a discussion of the apocryphal New Testament **Leaps of Faith** Robert J. Dean, 2017-02-14 If you are passionate about participating in the recovery of preaching for the spiritual formation of God's people then you will want to jump into this lively collection of biblically rigorous culturally intuitive grace drenched sermons Robert Dean sets the bar very high even as he throws the gauntlet down with these remarkable expressions of all that preaching was supposed to be and can still become Animated by the conviction that the preached word is the playground of the Living Word the pages of Leaps of Faith are populated by saints and sinners pimps and prophets Unexpectedly and delightfully Bono works alongside Bonhoeffer Dr Phil learns a lesson from the Amish and a discussion of body odor primes the senses for contemplating the mission of God Rooted deeply in the lives of actual worshipping communities these wonder laden sermons from the prophetic imagination of an emerging pastor theologian dare the reader to leap into the continuing story of the Triune God and in doing so discover that all of life has been taken up in the Gospel of Jesus Christ

When people should go to the books stores, search establishment by shop, shelf by shelf, it is in reality problematic. This is why we allow the book compilations in this website.
