**Conflict Management and Industrial Relations** G.B.J. Bomers,R.B. Peterson,2013-06-29 This volume contains a selection of the most notable contributions delivered at the research conference Industrial Relations and Conflict Management Different Ways of Managing Conflict which was hosted by the Nether lands School of Business in July 1980 Held at Nijenrode Castle the confer ence brought together an international gathering of thirty five of the most distinguished scholars in these fields to present research papers and to en gage in round table discussions One of the principal aims of the conference was to explore cross links and differences between the areas of conflict management and industrial relations in an international context The book opens with a chapter by George Strauss who provides an in troduction to and an overall view of the subject matter covered The chap ters that follow in Part I deal with differing conflict conditions and defini tions and their implications for managing conflict The manifestations of conflict and different modes of conflict management are the subject of the chapters in Part II In Part III three empirical studies of conflict are dis cussed Part IV is concerned with comparative industrial relations while value issues and conflict are the focus of Part V Finally in the Epilogue the participant feedback regarding the conference is reviewed **Leading the Team Organization** Dean Tjosvold,Mary M.

Tjosvold,1991-01-01 Managers recognize that a good team organization can be the most valuable of their firm s competitive advantages Lucrative markets draw competitors efficient technology is copied profitable products lose their appeal but a well run team organization continues to introduce new technologies find new markets create new products and improve service to clients However as Dean and Mary Tjosvold reveal there is a significant shortage both of strong leaders and of strong teams in corporate America today Most employees are reluctant to step forward and take charge because they doubt they have the ability to turn an organization around The Tjosvolds present here a model for creating leading and participating in teams that illustrates that only by working in teams throughout the organizational structure can a company reach its potential They further demonstrate how to involve supervisors middle managers and unions in productive teams and how organizations can use teams effectively to generate innovative programs or to solve specific problems A case study runs through the book that illustrates precisely how the team building model can be applied Leading the Team Organization is a valuable guide that will enable leaders and followerss to empower each other to achieve common goals and create more profitable and successful organizations **Subject Guide to Books in Print** ,1997 **The Conflict-positive Organization** Dean Tjosvold,1991
