Confronting Cruelty Confronting Cruelty:

Confronting Cruelty Dorothy Scott, Shurlee Swain, 2013-04-01 The problem of child abuse seems to have escalated in recent years Were there any battered babies before the 1960s Is the sexual abuse of children a recent phenomenon The subject is often discussed in the media with little or no awareness that it has a long history Confronting Cruelty examines our changing understanding of what cruelty is the continuing neglect and abuse of children in our society and the struggle between philanthropists social workers and other professional groups for the right to identify and treat the children who are abused Through the rich case records of the Children's Protection Society Dorothy Scott and Shurlee Swain document a hundred years of child abuse and explore how the community has responded to this ever present social problem

Confronting Cruelty Lyle Munro,2005-03-01 Why and how do people campaign on behalf of a species that is not their own Responses to this question provide important insights into the much misunderstood animal rights movement and the people in it who challenge the moral orthodoxy that underpins our attitudes towards nonhuman animals The norm of moderate concern for animals that animals matter albeit less than humans permits the ab use of animals in vivisection factory farming bloodsports and other contexts where animals suffer Social movement theory is used to show how animal rights activists are engaged in the social construction of cruelty as a social problem which they seek to prevent by their intellectual practical and emotion work in seminal campaigns against cruelty in the United States England and Australia

Confronting Animal Abuse Piers Beirne, 2009-07-16 Confronting Animal Abuse presents a powerful examination of the human animal relationship and the laws designed to protect it Piers Beirne a leading scholar in the growing field of green criminology explores the heated topic of animal abuse in agriculture science and sport as well as what is known if anything about the potential for animal assault to lead to inter human violence He convincingly shows how from its roots in the Irish plow fields of 1635 through today animal rights legislation has been primarily shaped by human interest and why we must reconsider the terms of human animal relationships Beirne argues that if violations of animals rights are to be taken seriously then scholars and activists should examine why some harms to animals are defined as criminal others as abusive but not criminal and still others as neither criminal nor abusive Confronting Animal Abuse points to the need for a more inclusive concept of harms to animals without which the meaning of animal abuse will be overwhelmingly confined to those harms that are regarded as socially unacceptable one on one cases of animal cruelty Certainly those cases demand attention But so too do those other and far more numerous institutionalized harms to animals where abuse is routine invisible ubiquitous and often defined as socially acceptable In this pioneering pro animal book Beirne identifies flaws in our traditional understanding of human animal relationships and proposes a compelling new approach **Confronting Child Sexual** Abuse Anne M Nurse, 2021-02-05 A sociological study of how media coverage social movements and personal experience shape our views of victims and offenders Confronting Child and Adolescent Sexual Abuse Cynthia

Crosson-Tower, 2014-01-30 Confronting Child and Adolescent Sexual Abuse is the first text to examine the history theory treatment and prevention of this complex phenomenon With in depth insights into the psychologies of victims their families and the perpetrators this comprehensive text shows readers how to recognize the symptoms and impact of childhood sexual abuse critically engage with the unique nature of each case complete a thorough assessment develop a treatment plan and effectively intervene in critical situations A national expert on child abuse and neglect and the author of numerous books and publications Cynthia Crosson Tower addresses a wide range of special topics and helps readers prepare for working in this challenging professional field Confronting Evil Fred E. Katz, 2004-03-29 Using insights from behavioral science a Holocaust survivor explores how evil actions can seem moral to the perpetrators and how we must alter our thinking to Confronting Child Abuse Deborah Daro, 1988 Describes the scope and causes of child abuse examines prevent this current policies and laws and offers a practical assessment of future strategies to end child abuse Narrative Research Now Ashley Barnwell, Signe Ravn, 2023-12 Supported by the editors popular podcast Narrative Now this interdisciplinary volume explores the capacities and limitations of narrative research It maps out new directions for the field while honouring Interdisciplinary Feminist Perspectives on Crimes of Clerical Child Sexual Abuse Kate Gleeson, Timothy Willem Jones, 2020-04-28 In recent years the sexual abuse of children in religious institutions has gripped the Western world as churches governments and civil society attempt to come to terms with the magnitude of widespread historical abuses Questions continue to be asked about why it is that perpetrators were able to offend repeatedly and with impunity what is it about institutions that facilitate or foster abuse and why have survivors of abuse often been treated inadequately by diverse national and international justice and political systems throughout the last century This volume makes a significant contribution to international understandings of the vexed and sensitive wicked problem of child sexual abuse in religious institutions. The chapters in this volume are written from a range of feminist disciplinary responses including law criminology. anthropology and history Together they provide important historical context for the current social and political interest in clerical sex crimes They examine political and legal avenues for redress for survivors of these crimes and critically examine the ways in which church cultures position clergy and clergy offenders in relation to victims The chapters originally published in a special issue of the Australian Feminist Law Journal Apologies and the Legacy of Abuse of Children in 'Care' J. Sköld, S. Swain, 2015-05-26 This book positions inquiries into the historical abuse of children in care within the context of transitional justice It examines investigation apology and redress processes across a range of Western nations to trace the growth of the movement national particularities and the impact of the work on professionals involved **Emotion** Rituals David W. McMillan, 2007-12-11 Cognitive behavior therapy does not typically include the use of emtion in its treatment protocols Emotion Rituals addresses this omission with a thorough discussion of the interplay between thoughts and emotions as vital to the therapeutic process McMillan's emotion rituals allow clients to apply what they learn in therapy

sessions to daily life fostering continual growth outside of the therapy hour and increasing the effectiveness of each session McMillan's unique writing style imparts hard facts and theoretical discussion in a conversational tone presenting new and complicated ideas in a readable and comprehensible manner Each chapter is devoted to one emotion and the rituals are suitable for use by both client and therapist allowing them each to better understand emotion and emotional responses The result is an accessible and lively text that offers an original approach to healing through feelings Child Witnesses in **Twentieth Century Australian Courtrooms** Robyn Blewer, 2021-04-15 This book considers the law policy and procedure for child witnesses in Australian criminal courts across the twentieth century It uses the stories and experiences of over 200 children in many cases using their own words from press reports to highlight how the relevant law was or was not applied throughout this period The law was sympathetic to the plight of child witnesses and exhibited a significant degree of pragmatism to receive the evidence of children but was equally fearful of innocent men being wrongly convicted The book highlights the impact safeguards like corroboration and closed court rules had on the outcome of many cases and the extent to which fear of children of lies or the truth and of reform influenced the criminal justice process Over a century of children giving evidence in court it is clear that the more things changed the more they stayed the same **The National Humane** Childhood Sexual Abuse Karen L. Kinnear, 2007-01-19 This work is an important new edition of a classic **Review** ,1923 study one of the few exhaustive examinations of childhood sexual abuse available with 40 percent new material Even though it is as old as human history child sexual abuse has generally remained a dark and well hidden secret Only in the last few decades has it become a topic of open public debate and scientific research and we still have more questions than answers How often are accusations of sexual abuse legitimate and how often are they the result of false memories Can sexual offenders be cured or will they ultimately re offend These are only a few of the difficult questions this volume seeks to answer Childhood Sexual Abuse A Reference Handbook explores the many ways we define child sexual abuse in the United States and in different parts of the world and how those differences are represented in U S and international laws It summarizes what we know about how to intervene treat and prevent childhood sexual abuse effectively and tells the stories of individuals who have had a dramatic effect on the handling of childhood sexual abuse For students social workers teachers policymakers parents and concerned citizens this work offers a one stop multifaceted discussion of one of the major issues facing children and their families Surveillance and Governance Mathieu Deflem, 2008-04-08 Presents insights in the sociological study of surveillance and governance in the context of criminal justice and other control strategies This volume provides a varied set of theoretical perspectives and substantive research domains on the qualities and quantities of some of the transformations of social control The Ecological Life Jeremy Bendik-Keymer, 2006-01-19 Written as a series of lectures this open access title offers a humanistic perspective on environmental philosophy that challenges some of the dogmas of deep ecology and radical environmentalism while speaking for their best desires. The book argues that being human centered

leaves us open to ecological identifications rather than the opposite Bendik Keymer draws on analytic and continental traditions of philosophy as well as literature and visual media He argues for a sense of ecological justice consonant with human rights and shows how humanistic thinking is committed to deepening respect for life and our ecological orientation In a clear jargon free and conversational tone The Ecological Life presents a timely and important contribution to civic engagement in an ecological century The ebook editions of this book are available open access under a CC BY NC ND 4 0 licence on bloomsburycollections com **Examining the Past and Shaping the Future Katie Wright, Shurlee** Swain, Kathleen McPhillips, 2021-11-29 The Royal Commission into Institutional Responses to Child Sexual Abuse 2013 17 was one of the largest public inquiries in Australian history and one of the most important investigations into child abuse internationally It facilitated a national conversation about justice for victims and survivors and how to improve child safety in the future Through the examination of practices in key social institutions including churches schools sporting clubs hospitals and voluntary organisations it provided new understandings of the widespread abuse that many people had experienced in the past and it made recommendations for a national redress scheme The Royal Commission also recommended sweeping reforms in policies practices and institutional cultures Offering valuable insights into the Royal Commission's history and background its social and cultural significance and its implications for policy development and legislative reform this book provides a wide ranging analysis of the work of the Royal Commission and its social psychological legal and discursive impact The chapters reveal not only the complexity of the matters that the Royal Commission was dealing with and the difficulties faced by the victims of child sexual abuse but also the challenges of researching and writing about this sensitive topic The chapters in this book were originally published as a special issue of the Journal of Australian Studies The International Handbook of Animal Abuse and Cruelty Frank R. Ascione, 2010 Animal abuse as a predictor of abuse against humans has been documented extensively Experts have explored alternatives to identify the early signs and stop the cycle This book offers an up to date compendium that covers the historical legal research and applied issues related to animal abuse and **Encountering Cruelty: The Fracture of the Human Heart** Michael R. Trice, 2011-04-21 Interest in recent cruelty years in reconciliation and conflict transformation has witnessed a great deal of attention to building a future through forgiveness and preventative measures in order to impede egregious wrongdoing This effort for a reconciled future is absent reflection on the nature of cruelty Cruelty has always been apparent in massive acts of wrongdoing and yet is repeatedly concealed in our assessment of the acts themselves This book is a theologically honest and deep structure exploration of cruelty in its personal communal and institutional encounters in human life Drawing on Nietzsche's challenge of cruelty to the western tradition the work offers a comprehensive study of how cruelty undermines care trust respect and justice all those elements of human reciprocity that mark our lives as interdependent beings The work concludes with a tightly written Epilogue on interpreting the theological meaning and accessibility of reconciliation today **Prohibiting Obscene Animal**
