Confucianism A Very Short Introduction Very Short Introductions:

Confucianism: A Very Short Introduction Daniel K. Gardner, 2014-07-29 To understand China it is essential to understand Confucianism First formulated in the sixth century BCE the teachings of Confucius would come to dominate Chinese society politics economics and ethics In this Very Short Introduction Daniel K Gardner explores the major philosophical ideas of the Confucian tradition showing their profound impact on state ideology and imperial government the civil service examination system domestic life and social relations over the course of twenty six centuries Gardner focuses on two of the Sage s most crucial philosophical problems what makes for a good person and what constitutes good government and demonstrates the enduring significance of these questions today This volume shows the influence of the Sage s teachings over the course of Chinese history on state ideology the civil service examination system imperial government the family and social relations and the fate of Confucianism in China in the nineteenth and twentieth centuries as China developed alongside a modernizing West and Japan Some Chinese intellectuals attempted to reform the Confucian tradition to address new needs others argued for jettisoning it altogether in favor of Western ideas and technology still others condemned it angrily arguing that Confucius and his legacy were responsible for China s feudal backward conditions in the twentieth century and launching campaigns to eradicate its influences Yet Chinese continue to turn to the teachings of Confucianism for guidance in their daily lives In addition to a survey of the philosophy and history of Confucianism Gardner offers an examination of the resurgence of Confucianism in China today and explores what such a revival means for the Chinese government and the Chinese people About the Series Oxford s Very Short Introductions series offers concise and original introductions to a wide range of subjects from Islam to Sociology Politics to Classics Literary Theory to History and Archaeology to the Bible Not simply a textbook of definitions each volume in this series provides trenchant and provocative yet always balanced and complete discussions of the central issues in a given discipline or field Every Very Short Introduction gives a readable evolution of the subject in question demonstrating how the subject has developed and how it has influenced society Eventually the series will encompass every major academic discipline offering all students an accessible and abundant reference library Whatever the area of study that one deems important or appealing whatever the topic that fascinates the general reader the Very Short Introductions series has a handy and affordable guide that will likely prove indispensable

Creating Identity Jayashree Kamblé, 2023-04-11 While the world often categorizes women in reductive false binaries careerist versus mother feminine versus fierce romance novels a unique form of the love story offer an imaginative space of mingled alternatives for a heroine on her journey to selfhood In *Creating Identity* Jayashree Kambl examines the romance genre with its sensile flexibility in retaining what audiences find desirable and discarding what is not by asking an important question Who is the romance heroine and what does she want To find the answer Kambl explores how heroines in ten novels reject societal labels and instead remake themselves on their own terms with their own agency Using a truly intersectional approach Kambl combines

gender and sexuality Marxism critical race theory and literary criticism to survey various aspects of heroines identities such as sexuality gender work citizenship and race Ideal for readers interested in gender studies and literary criticism Creating Identity highlights a genre in which heroines do not accept that independence and strong loving relationships are mutually exclusive but instead demand both echoing the call from the very readers who have made this genre so popular

Confucianism : a very short introduction Danie K. Gardner,2016 **Integrating Theology, Church, and Ministry in a Chinese Seminary** Peter L. H. Tie,Kevin S. Chen,2024-10-21 A perennial challenge for theological education is the integration of what is learned in the classroom with students church life and ministry Is there a connection How can greater connection be fostered Many seminaries earnestly wrestle with these questions Whereas some of the underlying issues are common to all seminaries others are influenced by the cultural context in which theological education church life and ministry take place In addition to cultural factors the history of the church and of theological education are different in each context The integration of theology church and ministry is crucial to the effectiveness of a Chinese seminary The great need for theological education for Chinese Christian leaders has rightly been sounded and should continue to be but simultaneously seminaries must think seriously about how to promote quality theological education Beginning with a programmatic article by Dr David Dockery a leading proponent for effective integration this book represents the efforts and reflection of experienced scholar practitioners who work out a vision for integration in the context of a diaspora Chinese seminary in San Jose California **Personal Identity and Applied Ethics** Andrea

Sauchelli,2017-11-10 Soul self substance and person are just four of the terms often used to refer to the human individual Cutting across metaphysics ethics and religion the nature of personal identity is a fundamental and long standing puzzle in philosophy Personal Identity and Applied Ethics introduces and examines different conceptions of the self our nature and personal identity and considers the implications of these for applied ethics A key feature of the book is that it discusses a range of different approaches to personal identity philosophical religious and cross cultural including perspectives from non Western traditions Within this comparative framework Andrea Sauchelli examines the following topics Early views of the soul in Plato Christianity and Descartes The Buddhist no self views and the self as a fiction Confucian ideas of our nature and the importance of self cultivation as constitutive of the self Locke s theory of personal identity as continuity of consciousness and memory and objections by Butler and Reid as well as contemporary critics The theory of animalism and arguments concerning embodied theories of personal identity Practical and narrative theories of personal identity and moral agency Personal identity and issues in applied ethics including abortion organ transplantation and the idea of life after death Implications of life extending technologies for personal identity Throughout the book Sauchelli also considers the views of important recent philosophers such as Sydney Shoemaker Bernard Williams Derek Parfit Marya Schechtman and Christine Korsgaard placing these in helpful historical context Chapter summaries a glossary of key terms and suggestions for further

reading make this a refreshing approachable introduction to personal identity and applied ethics It is an ideal text for courses on personal identity that consider both western and non western approaches and that apply theories of personal identity to ethical problems It will also be of interest to those in related subjects such as religious studies and history of ideas

Animal Rights: A Very Short Introduction David DeGrazia,2002-02-21 By presenting models for understanding animals moral status and rights and examining their mental lives and welfare the author explores the implications for how we should treat animals in connection with our diet zoos and research *Four Wise Men* Mark W. Golden Vase (The Golden Lotus) Andrew Schonebaum,2022-07-22 The Plum in the Golden Vase also known as The Golden Lotus was published in the early seventeenth century and may be the first long work of Chinese fiction written by a single though anonymous author Featuring both complex structural elements and psychological and emotional realism the novel centers on the rich merchant Ximen Qing and his household and describes the physical surroundings and material objects of a Ming Dynasty city In part a social political and moral critique the novel reflects on hierarchical power relations of family and state and the materialism of life at the time The essays in this volume provide ideas for teaching the novel using a variety of approaches from questions of genre intertextuality and the novel s reception to material culture family and social dynamics and power structures in sexual relations Insights into the novel s representation of Buddhism Chinese folk religion legal culture class slavery and obscenity are offered throughout the volume *Finding God Among our Neighbors, Volume 2*

Kristin Johnston Largen,2017-02-01 For too many students Christian theology is learned in isolation from other religions traditions With this the second volume of her important work Kristin Johnston Largen returns to expand the systematic theology she began in the original volume Largen places the work of Christian theology soundly within the interreligious dialogue that is the defining feature of our time In doing so she prepares students of theology for the task of understanding and articulating their Christian beliefs in the context of a religiously and culturally diverse world In the original volume Largen focused her work on three loci God Creation and Humanity In this second volume she expands the project to include salvation the Church and the Holy Spirit As before each locus is set within the broader context of interreligious dialogue by considering how the varied beliefs of the world s religious traditions inform our understanding of our own tradition This volume explores indigenous religions Sikhism Confucianism and Daoism in particular **Aquinas and the Early Chinese**

Masters Joshua Brown, Joshua R. Brown, 2024 Aquinas and the Early Chinese Masters lays intellectual foundations for the integration of Chinese philosophy into Catholic theology Although Catholic theology in Chinese contexts has drawn upon Chinese philosophical concepts few have attempted to develop a rigorous systematic approach to testing what in the Chinese philosophical traditions can be fruitful or unfruitful for Catholic theological expression This book attempts to model such an approach by engaging classical Chinese philosophy with the mind and spirit of St Thomas Aquinas who read Aristotle and other pagan philosophers with both charitable appreciation and a firm critical eye It applies this Thomistic lens through concrete comparative engagements with three main representatives of early Chinese philosophy Mencius Mengzi Xunzi and Mozi In each chapter the book presents Aquinas thought as an evaluative frame for perceiving how Chinese philosophical commitments and concepts do or do not seem fit for adoption into Catholic theological science Following the general structure of the Summa theologiae the book is comprised of six chapters touching on the doctrine of God morality and Christology The first two chapters engage Confucian master Mengzi s notion of Heaven Tian and then the Mohist doctrine of Heaven s Will Tian zhi Chapter three provides a Thomistic assessment of the two main positions in the classical Confucian debate on the goodness of man s moral nature renxing Chapter four compares Aquinas account of charity and Mozi s doctrine of universal love jian ai Chapter 5 offers a Thomistic assessment of the possibility of understanding Christ in terms of Xunzi s sage shengren Finally Chapter 6 explores Christ as a moral teacher by putting Aquinas reading of Matt 8 21 22 into conversation with Confucian ethics of filial virtue
