Connect Access Card For Macroeconomics:

Loose-leaf Macroeconomics Principles + Connect Plus Access Card Campbell McConnell, Stanley Brue, Sean Flynn, 2010-02 McConnell and Brue's Macroeconomics Principles Problems and Policies is the leading Principles of Macroeconomics textbook. It continues to be innovative while teaching students in a clear unbiased way. The 18th Edition builds upon the tradition of leadership by sticking to 3 main goals: help the beginning student master the principles essential for understanding the economizing problem, specific economic issues, and the policy alternatives; help the student understand and apply the economic perspective and reason accurately and objectively about economic matters; and promote a lasting student interest in economics and the economy.

Loose Leaf Version of Macroeconomics with Connect Access Card Campbell McConnell, Sean Flynn, Stanley Brue, 2012-05-21 McConnell, Brue, and Flynn's Macroeconomics Brief Edition 2e comes from the same author team as the market leading Principles of Economics textbook. Macroeconomics Brief Edition tailors the core concepts from proven leader Macroeconomics 19th edition to create a concise introduction to the course that is distinct in purpose, style, and coverage. Like the 19th edition, Macroeconomics Brief Edition 2e continues to be innovative while teaching students in a clear unbiased way. Content and pedagogy have 3 main goals: help the beginning student master the principles essential for understanding the economizing problem, specific economic issues, and the policy alternatives; help the student understand and apply the economic perspective and reason accurately and objectively about economic matters; and promote a lasting student interest in economics and the economy. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it so that your class time is more engaging and effective.

Interactive Text, Macroeconomics William A. McEachern, 2002-07-23 This very successful textbook is distinguished by a superior writing style that draws upon common reader experiences to introduce economic concepts, making economic theory more accessible and interesting. Case Studies and numerous examples take advantage of readers' intuitive knowledge of economics, building upon real-life situations. Macroeconomics Interactive Text by William McEachern combines the original textbook with rich multimedia, real-time updates, exercises, self-assessment tests, note-taking tools, and much more. This combination of print and online material provides students with active learning tools and tutorials and helps instructors shorten preparation time and improve instruction. The Interactive Text offers a complete technology teaching solution that integrates all of the media together in one seamless package; no assembly is required. Macroeconomics Interactive Text consists of two components: a Print Companion and an Online Companion, seamlessly integrated to provide an easy-to-use teaching and learning experience. The Print Companion is a paperback textbook that includes the core content from the original textbook. All time-sensitive pedagogical features and materials at the end of chapters have been moved from the printed textbook to the Online Companion. The Online Companion provides a dedicated Web site featuring all of the core content from the Print Companion.
