Salem Chapel (Romance Classic) Mrs. Oliphant, 2021-05-07 Salem Chapel is a historical novel by Mrs Oliphant published in 1863 Extract With these feelings the young pastor pursued his way to see the poor woman who according to Mrs Brown s account was so anxious to see the minister He found this person whose desire was at present shared by most of the female members of Salem without the intervention of the Devonshire Dairy in a mean little house in the close lane dignified by the name of Back Grove Street She was a thin dark vivacious looking woman with a face from which some forty years of energetic living had withdrawn all the colour and fulness which might once have rendered it agreeable but which was nevertheless a remarkable face not to be lightly passed over Extreme thinness of outline and sharpness of line made the contrast between this educated countenance and the faces which had lately surrounded the young minister still more remarkable
