Constructing Masculinity Discussion In Contemporary Culture:

Constructing Masculinity Maurice Berger, Brian Wallis, Simon Watson, 2012-09-10 This anthology takes us beyond the status of masculinity itself questioning society's and the media's normative concepts of the masculine and considering the extent to which men and women can transcend these stereotypes and prescriptions

Gender under Construction Ewa Glapka, Barbara Braid, 2018-03-27 Gender performativity its variances depending on their historical social and cultural contexts and the rituals representations and institutions involved in gender performances are some of the issues the authors addressed in this collection Gender under Construction takes a non essentialist view of gender and provides illustrative examples of gender constructive processes by pursuing them in various contexts and by means of diverse methodologies In so doing the book demonstrates that it is unfeasible to consider gender as a fixed biological trait Instead the authors propose to look at gender performance as ongoing processes in which femininities and masculinities enter multiple and dynamic intersections with a myriad of categories including those of nationality ethnicity class sexuality and age Contributors are Iqbal Akthar Renata uk Ewa Glapka Deirdre Hynes Borja Ibaseta Martin King Ana Cristina Moreira Lima Mervi Patosalmi Marcia Bastos de S Andr a Costa da Silva Vera Helena Ferraz de Siqueira Christi van der Westhuizen and Isabelle V Zinn

Moderating Masculinity in Early Modern Culture Todd W. Reeser, 2006 Moderating Masculinity in Early Modern Culture proposes a definition of gender based on a ternary model in which moderation and masculinity are inextricably linked Like the Aristotelian virtue of moderation which requires the presence of excess a

Violent and Vulnerable Performances: Challenging the Gender Boundaries of Masculinities and Femininities, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2013 As social constructs masculinities and femininities are continually being challenged and reconstructed and in so doing new subjectivities are re produced The boundaries of gender thus remain both violent and vulnerable violent in the Butlerian sense of subject formation and normative gender policing and vulnerable as they are fraught with possibilities for new ways of gendering and new definitions of sexual difference This volume thus examines the boundaries of masculinities and femininities through various cultural socio historical and political contexts and the tensions which arise from the constant challenges and reconstructions Violent and Vulnerable Performances Challenging the Gender Boundaries of Masculinities and Femininities contains fourteen chapters which demonstrate the situatedness of gender and its impacts on race class sex the body identity language work the family and further cultural socio political and economic processes

Men in the Middle James Gilbert, 2005-07 While the 1950s have been popularly portrayed on television and in the movies and literature as a conformist and conservative age the decade is better understood as a revolutionary time for politics economy mass media and family life Magazines films newspapers and television of the day scrutinized every aspect of this changing society paying special attention to the lifestyles of the middle class men and their families who were moving to the suburbs newly springing up outside American cities Much of this attention focused on issues of masculinity both to

enforce accepted ideas and to understand serious departures from the norm Neither a period of male crisis nor yet a time of free experimentation the decade was marked by contradiction and a wide spectrum of role models This was in short the age of Tennessee Williams as well as John Wayne In *Men in the Middle* James Gilbert uncovers a fascinating and extensive body of literature that confronts the problems and possibilities of expressing masculinity in the 1950s Drawing on the biographies of men who explored manhood either in their writings or in their public personas Gilbert examines the stories of several of the most important figures of the day revivalist Billy Graham playwright Tennessee Williams sociologist David Riesman sex researcher Alfred Kinsey Playboy literary editor Auguste Comte Spector and TV sitcom dad Ozzie Nelson and allows us to see beyond the inherited stereotypes of the time Each of these stories in Gilbert's hands adds crucial dimensions to our understanding of masculinity the 1950s No longer will this era be seen solely in terms of the conformist man in the gray flannel suit or the Marlboro Man

Once Upon a Time in the Contemporary World Elena Polyudova, 2016-04-26 This volume brings together a selection of streams present in modern mass media culture from classic cartoons to TV series The chapters form a rich mosaic of interconnecting themes and highlight the current process of transforming well known fairy tale plots The book considers recent media productions such as *Once Upon a Time* and *Beauty and the Beast* as modern fairy tales for children and adults showing these new versions of familiar characters to reflect the psychological demands of the contemporary audience in the post modernist cultural environment In addition the book explores new Internet fiction genres including fan fiction interactive fairy tales and fairy tale blogs As a part of cultural studies the book considers classic cartoons based on books such as *Mowgli* and *The Little Prince* from philosophical and cross cultural points of view

Postfeminism and Contemporary Hollywood Cinema J. Gwynne, N. Muller, 2013-06-28 By analyzing the negotiation of femininities and masculinities within contemporary Hollywood cinema *Postfeminism and Contemporary Hollywood Cinema* presents diverse interrogations of popular cinema and illustrates the need for a renewed scholarly focus on contemporary film production

The Social Construction of Man, the State and War Franke Wilmer, 2004-04-16 Combining detailed analysis with a close reading of historical narratives documentary evidence and first hand interviews this is the first book on conflict to look seriously at the issue of ethnic identity and what it means for future peace

Female Masculinity Jack Halberstam, 2019-01-05 In this quintessential work of queer theory Jack Halberstam takes aim at the protected status of male masculinity and shows that female masculinity has offered a distinct alternative to it for well over two centuries Demonstrating how female masculinity is not some bad imitation of virility but a lively and dramatic staging of hybrid and minority genders Halberstam catalogs the diversity of gender expressions among masculine women from nineteenth century pre lesbian practices to contemporary drag king performances Through detailed textual readings as well as empirical research Halberstam uncovers a hidden history of female masculinities while arguing for a more nuanced understanding of gender categories that would incorporate rather than pathologize them He rereads Anne Lister's diaries and Radclyffe Hall's

The Well of Loneliness as foundational assertions of female masculine identity considers the enigma of the stone butch and the politics surrounding butch femme roles within lesbian communities and explores issues of transsexuality among transgender dykes lesbians who pass as men and female to male transsexuals who may find the label of lesbian a temporary refuge Halberstam also tackles such topics as women and boxing butches in Hollywood and independent cinema and the phenomenon of male impersonators Featuring a new preface by the author this twentieth anniversary edition of Female Masculinity remains as insightful timely and necessary as ever Chaucer's Approach to Gender in the Canterbury Tales

Anne Laskaya,1995 This volume presents a feminist approach to the Canterbury Tales investigating the ways in which the tensions and contradictions found within the broad contours of medieval gender discourse write themselves into Chaucer's text Four discourses of medieval masculinity are examined which simultaneously reinforce and resist one another heroic or chivalric Christian courtly love and emerging humanist models Each chapter attempts to negotiate both contemporary assumptions of gender construction and essentialist readings of gender common to the middle ages throughout the author argues that the Canterbury Tales offer a sophisticated discussion of masculinity and that it strongly indicts some of the prevalent medieval notions of ideal masculinity while still remaining firmly homosocial and homophobic The book concludes that on the question of gender issues the Tales are best studied as male authored texts containing representations and negotiations revealing much about late medieval masculinities Dr ANNE LASKAYA teaches in the English Department at the University of Oregon **Fascination of Queer** Stefano Ramello,2020-05-06 **White Masculinity in Contemporary**

Australia Andrea Waling,2019-07-10 Spanning the disciplines of sociology history media and cultural studies and popular culture this book offers a historical exploration of Australian masculine tropes and an examination of contemporary representations of masculinity in the media With attention to a range of thematic issues including race gender sexuality mythmaking media representation class and nationality it draws on new qualitative research and interview material to investigate the ways in which everyday Australian men take up or reject such ideas White Masculinity in Contemporary Australia thus explores the contradictory resistance to and adoration of ideals of masculinity forms of Othering used to differentiate the practice of good masculinity from that of bad masculinity the relationship between heterosexuality masculinity and Australian sporting culture as central to ideals of masculinity and the existence of differing pressures to be masculine As such it will appeal to scholars across the social sciences with interests in gender and sexuality Australian studies and contemporary popular culture **Asian Masculinities** Kam Louie,Morris Low,2005-07-25 This book shows how East Asian masculinities are being formed and transformed as Asia is increasingly globalized The gender roles performed by Chinese and Japanese men are examined not just as they are lived in Asia but also in the West The essays collected here enhance current understandings of East Asian identities and cultures as well as Western conceptions of gender and sexuality While basic issues such as masculine ideals in China and Japan are examined the book also addresses issues including

homosexuality women's perceptions of men the role of sport and food and Asian men in the Chinese diaspora

Constructing Social Work Practices Arja Jokinen, 2018-12-17 First published in 1999 Jokinen Juhila and Poso

comprises both theoretical reflexive articles and articles based on empirical social constructionist studies. It provokes new ways of looking at social work practices as interpretative and interactive processes. In addition to this theoretical and methodological contribution, the volume provides empirically based material on the practical implications of an alliance between social work and social constructionism.

Constructing Digital Cultures Judith E. Rosenbaum, 2017-11-01

Announcing presidential decisions, debating social issues, disputing the latest developments in television shows, and sharing funny memes: Twitter has become a space where ordinary citizens and world leaders alike share their thoughts and ideas. As a result, some argue Twitter has leveled the playing field, while others reject this view as too optimistic. This has led to an ongoing debate about the platform's democratizing potential and whether activity on Twitter engenders change or merely magnifies existing voices. Constructing Digital Cultures explores these issues and more through an in-depth examination of how Twitter users collaborate to create cultural understandings. Looking closely at how user-generated narratives renegotiate dominant ideas about gender and race, it provides insight into the nature of digital culture produced on Twitter and the platform's potential as a virtual public sphere. This volume investigates arenas of discussion often seen on Twitter, from entertainment and popular culture to politics, social justice issues, and advertising, and looks into how members of ethnic minority groups use and relate to the platform. Through an in-depth examination of individual expressions, the different kinds of dialogue that characterize the platform, and various ways in which people connect, Constructing Digital Cultures provides a critical, empirically based consideration of Twitter's potential as an inclusive, egalitarian public sphere for the modern age.
