The team of expert contributors includes many of the most experienced and highly regarded international writers and practitioners from the global project portfolio management industry selected to provide the reader with examples, knowledge and the skills required to manage portfolios in any organization. Dennis Lock and Reinhard Wagner's definitive reference on project portfolio management explains the context and role of the discipline, the practical processes, tools and techniques required for managing portfolios successfully, the capability required and how to develop it. The text also covers the recognized standards as well as emerging issues such as sustainability and environment. Collectively, this is a must-have guide from the leading commentators and practitioners on project portfolio management from across the world.

The Project Management Office (PMO) Monique Aubry, PhD, MPM, Brian Hobbs, 2010-04-01. Since project management offices began to appear in organizations over the last decade, project management practitioners and their organizations have been asking how to structure project management offices (PMOs) and what functions to assign them. In *The Project Management Office: PMO A Quest For Understanding*, authors Brian Hobbs and Monique Aubry address these questions, providing a look at how PMOs exist today and some clues about how and why they're changing. Of particular interest to practitioners, the authors address the roles that PMOs play in organizations, which provides valuable insights for better creating, structuring and governing PMOs. When designing a PMO, an organization has a variety of choices regarding the PMO's structure and role assignment. By providing a way to define PMOs by type, this research explores how to set up and define a PMO depending upon the specific type of PMO. The authors discuss the many bases for the types of PMOs, including structural characteristics and functions, and how these types affect the PMO's role in the organization.

Mass Career Customization Cathleen Benko, Anne Weisberg, 2007-08-20. *Mass Career Customization* is a wake-up call to corporate America and a guidebook for business leaders. Centered on the powerful insight that today's career is no longer a straight climb up the corporate ladder but rather a combination of climbs, lateral moves and planned descents, *Mass Career Customization* provides a refreshing approach to attracting talent and strengthening leadership pipelines while providing varied and well-balanced career journeys.

Cultural Transformations John Mattone, Nick Vaidya, 2016-01-04. A Roadmap for Leadership and Cultural Transformation. Throughout today's rapidly changing business world, top CEOs face two primary challenges: solving the leadership gap and creating a sustainable corporate culture. International leadership coach John Mattone and CEO magazine editor in chief Nick Vaidya unlock the keys to leadership development and cultural transformation through intimate interviews with fourteen CEOs from top organizations including Deloitte, Graybar, The North Face, HP Financial Services, Virtusa and BigCommerce. Culture was long thought to be merely a soft resource in the corporate equation. However, more and more business leaders are beginning to recognize the necessity of culture when it

comes to creating and sustaining long term growth and change What is the key to creating a strong business culture Leadership The best cultures start with CEOs who set the tone for the rest of the company guiding others through the often difficult process of corporate transformation You ll gain valuable insights through experiences from the finest business minds on how to introduce and sustain cultural change in your organization Learn how successful CEOs came to realize their leadership potential Discover the key attributes that increase a leader s effectiveness Uncover your own leadership strengths and development needs Handle the primary obstacles to cultural transformation Address outdated mindsets and resistance to organizational change Mattone and Vaidya also draw upon their own extensive coaching and consulting experiences to provide a powerful and proven 6 Step Process for designing and implementing effective cultural transformations This process enhances the other valuable tools in this comprehensive guide so you can start building a positive organizational culture right away
