Gecko Owners Manual:

The Leopard Gecko Manual Philippe de Vosjoli, Thomas Mazarlig, Roger J. Klingenberg, Ron Tremper, Brian Viets, 2017-10-03 The leopard gecko has fast become the reptilian version of the parakeet or goldfish. Considered to be the first domesticated species of lizard, the leopard gecko is attractive, perfectly sized, and easy to breed. **Leopard Gecko Manual** takes a close look at all the characteristics that have made these attractive lizards so amazingly popular in the pet world. Written by a team of herpetoculture experts and gecko specialists, this up-to-date and authoritative guide provides reliable guidelines for keepers who wish to add a gecko to their vivarium and maintain their pet in excellent health and condition. This second edition is revised and expanded to include new sections on Gecko nutrition and feeding, housing, breeding, and banded Geckos. Inside the **Leopard Gecko Manual**: How to select leopard geckos as pets or for breeding; Understanding the anatomy and behavior of these fascinating lizards; Feeding your leopard gecko a nutritionally sound diet with the latest insights on feeder insects and prepared foods; How to design and maintain the ideal naturalistic habitat for your leopard gecko; Detailed information on all aspects of breeding, egg laying, and incubation; What you need to know about skin shedding cycles and tail loss; Recognizing signs of disease and how to handle health issues; Special chapters on African fat-tailed geckos and other eublepharids.

Crested Geckos John Orlando, 2019-09-09 Reptiles are popular pets, and it can be argued that the crested gecko is the best reptile to keep as a pet. This newly updated and expanded edition of the best-selling **The Crested Gecko Manual** promises to excite new and seasoned herp enthusiasts with its in-depth discussion on all aspects of crested gecko keeping. Crested geckos are one of the most exciting species to enter the reptile hobby in the last several decades. Long thought extinct, several lizards were found to be living in New Caledonia in the mid 1990s. Shortly thereafter, a handful of these geckos made their way into the pet trade, where they proved to be one of the hardiest, least demanding species a reptile lover could desire. But keepers must still learn all they can about the biology, behavior, and natural history of these charming lizards to have a good chance at successful maintenance. Inside, you will find information about these subjects as well as the basic techniques keepers use to keep their crested geckos healthy and happy.

Leopard Gecko Owner's Manual Theodore Perkins, 2024-07-20 **Leopard Gecko Owner's Manual: Expert Advice for Keeping and Caring for a Healthy Leopard Gecko**.
