When I realized what was placed in my hands I was in utter shock. I had prayed for words and woke up in a real life Bruce Almighty and Evan Almighty movie. Words kept appearing mostly in the form of license plates pulling in front of me with the answers to my thoughts just after the thoughts occurred. I had heard the universe communicates. However I never expected to understand that statement to this extent. Various friends' comments: Stephenie if you were just telling me this I would think you were crazy but here you stand with the pictures as proof I believe after everything you have shown me it is true. I just never expected it to be that good. This is huge. You need to get this somewhere. Stephenie God puts those thoughts in your head before you see the plates. Write the book. With the current events today a book like this could be a top seller. Stephenie Thought Plate For my bucket list I want to know how big God is. BIG. Okay if this is all real just put God first. 1ST Stephenie there is only one God ONE. Where is this all coming from God right. DEVINE. I said stop judging each other. We are all children of God. LAMBSON. After dropping a book titled Jesus Calling to a friend THRUJC it's important for the future. Everyone believes in him. FUTURE. Man this is some big
