Comcast Sportsnet Philly:

The Big Story David Grzybowski, 2024-11 This book provides an oral history of television news broadcasting in Philadelphia from the late 1970s into the 2020s In over 200 interviews journalists in front of and behind the camera reflect on what it was like to cover major news stories and how they built trust with viewers **Competition in Sports Programming & Distribution: Are Consumers Winning?: Congressional Hearing**, **The Philadelphia Reader** Robert Huber, Benjamin Wallace, 2006-07-21 Do you love Philadelphia Do you love good writing Well this is the book for you It s about the people of Philadelphia the good the fine and the imperfect Yes the sports heroes are here Mike Schmidt Julius Dr J Erving And the politicians Ed Rendell John Street And the moguls Brian Roberts Comcast honcho And the would be moguls Mark Yagalla world class embezzler And so many more including writing in their own words Terry Gross Patti LaBelle W Wilson Goode Sr Judy Wicks Judith Rodin and Smarty Jones proving that this horse is no one trick pony And so many more 25 of them in all The people and the horse who have meant something to this city during the last 20 years Ripped from the pages of Philadelphia magazine well OK carefully removed and lovingly pasted into this book here are profiles of the people who made an era **Competition in Sports Programming and Distribution** United States. Congress. Senate. Committee on the Judiciary, 2007 **Sid Gillman** Josh Katzowitz, 2012-08-07 Sid Gillman unlike so many of his coaching colleagues never wrote a book about himself He never published his own ideas about the game and why he thought passing the ball in an age where most quarterbacks handed off to running backs was the key to his success In more than four decades of coaching nobody thought it necessary to tell the definitive Sid Gillman story Until now Gillman was a true innovator The kind of football genius that goes overlooked by today s average fan but who will never be forgotten by the coaches he directly and indirectly impacted The modern day offenses that emphasize spreading the field with receivers running backs and tight ends That was Gillman s idea The idea that the long pass could stretch a defense That was Gillman s baby as well What NFL fans watch today in ever increasing numbers and the high flying offenses those fans love can be directly traced back to the Midwestern coach who was a forerunner to the West Coast offense Gillman wasn t a perfect man He had plenty of warts and he made plenty of enemies But he also made a major impact on the game comparable to how Vince Lombardi Paul Brown and Woody Hayes left a timeless impression Josh Katzowitz tells you how Gillman was just as important as any coach who came before him or afterward This is not simply a biography of an innovator It details exactly how and why the NFL football you watch today is the image of what Gillman believed was possible It s why football luminaries like Al Davis Bill Walsh and Chuck Noll cite Gillman as one of the most important influences on their careers and lives It s why if you watched the Green Bay Packers beat the Pittsburgh Steelers in Super Bowl XLV you could see the scope of Gillman s reach In order to truly understand the reason why football offenses are so exciting today learning about Gillman is absolutely essential Katzowitz takes you on that journey **FCC Record** United States. Federal Communications Commission, 2006-07 **Controlled Chaos** Mark

Saltveit,2015-07-28 The author of THE TAO OF CHIP KELLY returns with deep insight into the mind of one of the NFL's most innovative and increasingly controversial coaches The 2014 off season saw the excitement of Chip Kelly's NFL debut turn ugly fast Before his second training camp even opened the coach abruptly cut DeSean Jackson his popular and explosive wide receiver who signed with division rival Washington Reporters wondered whether Kelly was built for the NFL whether the offensive schemes that dominated the college game could work in the pros and whether he had the fortitude to handle the media Kelly responded to his critics by navigating crippling injuries and a fractious locker room to lead the Eagles to a 9-3 record Then they lost three straight games a collapse fueled by DeSean Jackson's revenge and perhaps Kelly's own stubbornness Still the Philadelphia Eagles with Chip Kelly at the helm continue to implement a strategy that goes beyond the X's and O's and into the very fabric of the organization Mark Saltveit the author of THE TAO OF CHIP KELLY illuminates the strategies and philosophies of Chip Kelly in the nitty gritty stories of one NFL season featuring characters such as Murderleg Johnny Manziel and Bryan Braman the ex model who grew up homeless and tackled a Titans punt returner head first without a helmet As Kelly continues to reinvent the game of football itself with insights from the Navy Seals rugby stars and silly movies CONTROLLED CHAOS is essential reading for any gridiron fan

Movin on Up Robert Gordon,Tom Burgoyne,2005 Movin On Up takes a fun ride through the then and now of a great city and its ball club The city and its team have cooked up a partnership as strong and as strange as scrapple and toast over the past 121 years Since 1883 the Phillies have been on the move at times slowly many times glacially and sometimes quickly Movin On Up layers the present on the past by revisiting the places the Fightin Phils once called their new home But Movin On Up is really about people past and present not only players but others who help and helped Philly move on up to the fabulous sports town we know today The journey rolls along humorous and poignant episodes old and new that have splashed Philly and its fan with the signature color that both fascinates and infuriates outsiders As this new millennium dashes toward the midpoint of its first decade Philly's Phillies have a new park a new team and a new attitude Well maybe the attitude isn't all that new as you'll read and see
