MacPhail,2023-02-13 The new Companion to Erasmus in the Renaissance Society of America's Texts and Studies Series draws on the insights of an international team of distinguished experts whose contributions are arrayed in eleven chapters followed by a detailed chronological catalogue of Erasmus works and an up to date bibliography of secondary sources The ambition of this companion is to illuminate every aspect of Erasmus life work and legacy while providing an expert synthesis of the most inspiring research in the field This volume will be of invaluable assistance to students and teachers working in any of the numerous disciplines to which Erasmus devoted his tireless efforts including philosophy religion history rhetoric education and the history of the book **Life of Edward Bouverie Pusey, Doctor of Divinity, Canon of Christ Church ; Regius Professor of Hebrew in the University of Oxford** Henry Parry Liddon,1894 *Life of Edward Bouverie Pusey* Henry Parry Liddon,1894 1846-1860 Henry Parry Liddon,1898 **Truth and Irony** Terence J. Martin,2015-12-15 Tapping into selected works of Erasmus of Rotterdam this book offers a series of philosophical meditations designed to retrieve and deploy a distinctively Erasmian manner of thinking one that is capacious in its perception agile in its judgments and unsettling in its irony In purpose it takes a philosophical route addressing perennial questions of self knowledge what we can know and how best to communicate what we take to be true what we ought to do or how we should live and what we might hope for or what would offer us fulfilment In method however this work taps into the various strategies of irony at play in the works of Erasmus looking for guidance in handling these age old questions What readers will find in Erasmus is a knack for playfully reversing appearances and realities a penchant for pushing disturbing questions relentlessly to the limit and a skill for juxtaposing oddly matched opposites Again and again Erasmus presses readers to rethink these fundamental questions with dexterity and nuance ever ready to appreciate the surprising and unsettling upshot of ironic insight Nostradamus Denis Crouzet,2018-03-16 One of the most enigmatic figures in history Nostradamus apothecary astrologer and soothsayer is a continual source of fascination Indeed his predictions are so much the stock in trade of the wildest merchants of imminent Doom that one could be forgiven for forgetting that Michel de Nostredame 1503 1566 was a figure firmly rooted in the society of the French Renaissance In this bold new account of the life and work of Nostradamus Denis Crouzet shows that any attempt to interpret his Prophecies at face value is misguided Nostradamus was not trying to predict the future He saw himself rather as prophesying i e bringing the Word of God to humankind Like Rabelais for whom laughter was a therapy to help one cope with the misery of the times

Nostradamus thought of himself as a physician of the soul as much as of the body His unveiling of the menacing and horrendous events which await us in the future was a way of frightening his readers into the realisation that inner hatred was truly the greatest peril of all to which the sole remedy was to live in the love and peace of Christ This inspired interpretation penetrates the imaginative world of Nostradamus a man whose life is as mysterious as his writings It shows him in a completely new dimension securing for him a significant place among the major thinkers of the Renaissance
