Colonization Of Psychic Space A Psychoanalytic Social Theory Of Oppression:

The Colonization of Psychic Space Kelly Oliver, 2004 Oliver philosophy Vanderbilt U does not attempt to apply psychoanalysis to oppression Rather she transforms psychoanalytic concepts such as alienation melancholy and shame into social concepts by developing a psychoanalytic theory based on a notion of the individual or psyche that is thoroughly social The psyche and the social world are so

Debunking the Myths of Colonization Samar Attar, 2010-04-13 Debunking the Myths of Colonization examines Salman Rushdie's thesis on the paradoxical nature of colonialism and its horrific impact on the psyche of the colonized It probes Frantz Fanon's theories concerning the relationship between colonizers and colonized and attempts to apply these theories to modern Arabic literature Like Rushdie and Fanon many Arab writers have embarked on a journey to the metropolis of their ex colonial masters Due to their encounter with English or French culture they have written memoirs poems or fictions in which they have represented themselves and the other Their representations differ markedly according to their own make up as human beings their class education experiences and gender Yet what brings them together is their love hate relationship with the ex colonizer In the case of the Palestinian writers however there is only bitterness and bewilderment at Israel as a colonizing power in the 21st century and its Jewish citizens who were once victims in Europe but now have turned into victimizers

Kristeva Stacey Keltner, 2013-05-03 Julia Kristeva is one of the most creative and prolific writers to address the personal social and political trials of our times Linguist psychoanalyst social and cultural theorist and novelist Kristeva's broad interdisciplinary appeal has impacted areas across the humanities and social sciences S K Keltner's book provides the first comprehensive introduction to the breadth of Kristeva's work In an original and insightful analysis Keltner presents Kristeva's thought as the coherent development and elaboration of a complex multidimensional threshold constitutive of meaning and subjectivity The threshold indicates Kristeva's primary sphere of concern the relationship between the speaking being and its particular social and historical conditions and Kristeva's interdisciplinary approach Kristeva's vision Keltner argues opens a unique perspective within contemporary discourses attentive to issues of meaning subjectivity and social and political life By emphasizing Kristeva's attention to the permeable borders of psychic and social life Keltner offers innovative readings of the concepts most widely discussed in Kristeva scholarship the semiotic and symbolic abjection love and loss She also provides new interpretations of some of the most controversial issues surrounding Kristeva's work including Kristeva's conceptions of intimacy social and cultural difference and Oedipal subjectivity by contextualizing them within her methodological approach and oeuvre as a whole Julia Kristeva Thresholds is an engaging and accessible introduction to Kristeva's theoretical and fictional works that will be of interest to both students and scholars across the humanities and social sciences

The Culture of Confession from Augustine to Foucault Chloe Taylor, 2010-05-26 This book is a genealogical study of confession Drawing on the work of Michel Foucault as well as the history of Western confessional writings from Ancient Greece to contemporary pop culture this book challenges

the transhistorical and commonsense views of confession as an innate impulse resulting in the psychological liberation of the confessing subject On the contrary confessional desire is argued to be contingent and constraining and alternatives to confessional subjectivity are explored The Violence of Victimhood Diane Enns,2012-03-01 Analyzes current understandings of victimhood in discussions of child soldiers identity politics violent conflict and global responses to atrocity

Marina Warner and the Ethics of Telling Silenced Stories Lisa Propst,2020-12-17 Efforts to fight back against silencing are central to social justice movements and scholarly fields such as feminist and postcolonial studies But claiming to give voice to people who have been silenced always risks appropriating those people s stories Lisa Propst argues that the British novelist and public intellectual Marina Warner offers some of the most provocative contemporary interventions into this dilemma Tracing her writing from her early journalism to her novels short stories and studies of myths and fairy tales Propst shows that in Warner s work features such as stylized voices and narrative silences tales that Warner s books hint at but never tell question the authority of the writer to tell other people s stories At the same time they demonstrate the power of literature to make new ethical connections between people inviting readers to reflect on whom they are responsible to and how they are implicated in social systems that perpetuate silencing By exploring how to combat silencing through narrative without reproducing it *Marina Warner and the Ethics of Telling Silenced Stories* takes up an issue crucial not just to literature and art but to journalists policy makers human rights activists and all people striving to formulate their own responses to injustice *Augustine and Frontiers of Pluralism* Boleslaw Z. Kabala,Thomas P. Harmon,Ashleen Menchaca-Bagnulo,2025-05-14 This book focuses on St Augustine as a worthwhile resource for thinking through the challenges and prospects of pluralism The contributors speak to several dimensions of this organizing concept understanding of which is advanced by engagement with Augustine The volume brings together scholars from different disciplines faith traditions and political commitments all of whom have deemed it worthwhile to return to Augustine to learn about a signature theme of common life in the twenty first century The chapters address a variety of topics including civic engagement feminism Black religious thought domination liberalism and time In an age of pluralism the hope is to access the insights of the thinker who struggled with a plurality of desires motivations and political theological imaginations and to benefit from his thoughts The book will be of particular interest to scholars of theology philosophy and political science

The Child in Question Julie C. Garlen,Lisa Farley,2021-05-14 What is a child The concept of childhood is so familiar that we tend to assume its universality However the meaning of childhood is always being negotiated not only by the imaginations of adults but also by nations markets history and children themselves Yet as much as the question is considered by the social world the contributions in this book remind readers that children are also active embodied and inquiring agents engaged in figuring a relationship with that the world they inherit This book s unifying theme The child in question emerges from an assertion that childhood has boundaries far more elastic than can be held by the familiar notion of the innocent child

developing toward a heteronormative future The title pays homage to the work of sociologist Diana Gittins who over twenty years ago asked how the shifting meanings of children and childhood impact the lives of children The contributions of this book examine contemporary educational policy and practice curriculum material literary and visual representations and teacher narratives to further probe how and why it matters that childhood as a concept and experience remains as multiple and elusive as ever The chapters in this book were originally published as a special issue of the journal Curriculum Inquiry

Off the Menu Rita Nakashima Brock,2007-01-01 Asian American Christianity is one of the fastest growing forms of American Christianity and it has already proven to be one of the richest and most innovative movements in North American religion With a deep understanding of their roots in classic Christianity as well as the diversity of Asian culture these theological voices have contributed some of the freshest and most provocative work of recent decades This volume brings together women who are searching for authentic Christian dialogue in a world of hybridity and changing context and it represents one of the most significant areas of growth and vitality in contemporary Christianity

Psychoanalysis and Colonialism Sally Swartz,2022-09-23 Within this important and insightful book Sally Swartz introduces readers to early entanglements of psychoanalytic theory with colonialism and how it has led to significant and long lasting implications for psychoanalysis Psychoanalysis and Colonialism is unique in drawing together a wide array of sources and a span of history from the beginnings of psychoanalysis to current theory and practice The book explores ways in which Freudian theory incorporated the idea of the primitive into the centre of mapping the untamed territories of the unconscious via notions of taming instinctual excess civilizing the primitive and conquering and bringing order to wildness The text describes the influences of colonialism on the thinking of Freud and Jung and goes on to describe anti colonial voices including C saire and Mannoni Memmi and Fanon and their contribution to psychoanalytic theory It concludes with thoughts on the challenges of decolonizing psychoanalysis This book is an accessible account of the links between colonialism and psychoanalysis and is suitable for general readers with an interest in the topic as well as all psychoanalytic practitioners grappling with the ways in which issues of race class gender and sexuality affect their ways of working and writing

A Womb of Her Own Ellen L.K. Toronto,Joann Ponder,Kristin Davisson,Maurine Kelber Kelly,2017-02-03 Gender and body based distinctions continue to be a defining component of women s identities both in psychoanalytic treatment and in life In this book a distinguished group of contributors explore the ways in which women s sexual and reproductive capabilities and their bodies are regarded as societal and patriarchal property and how as the other they can be the focus of mistreatment such as rape sexual slavery restriction of reproduction rights and ongoing societal repression They also explore the cultural definitions of motherhood and how these set narrow definitions for the acceptable face of motherhood and for being a woman generally

Global Perspectives on Motherhood, Mothering and Masculinities Andrea Moraes,Tola Olu Pearce,2021-06-01 The two phenomena highlighted in this edited volume motherhood mothering and masculinities are each recent areas of development

in critical Feminist and Men's Studies In contributing to these areas of gender studies this book draws attention to the fact that much can also be gained when we explore relationships between them an idea that may not readily come to mind While femininities and masculinities are co constructed motherhood and mothering bring additional perspectives to the study of femininity that affect the construction of masculinity in complex ways The 12 chapters in this volume allow readers to ponder some of these complexities and may suggest other issues that require investigation Spanning many continents the essays have both a global and historical reach emphasising cultural differences and historical changes Of import is the idea that mothers have agency and are active in constructions affecting their lives They are able to bring motherhood out of the shadows as they strive to build re evaluate or alter their roles within families and communities These have an impact on developments in masculinities The book is divided into three parts and the chapters investigate a wide range of issues including cultural constructs gender in parent child relationships non binary developments the impact of war on mothering decolonisation struggles and much more

Lacan and Education Policy Matthew Clarke, 2019-06-13 *Lacan and Education Policy* draws on the rich conceptual resources of Lacanian psychoanalysis Using Lacan's four discourses Matthew Clarke offers a sophisticated critique of recent education policy and the neoliberal model of political economy within which it sits including the ways in which education has been diminished and trivialised through the economistic and depoliticising moves of policy Clarke articulates possibilities for thinking differently about education and education policy beyond the reductive narratives of neoliberalism He argues that psychoanalytic theory is valuable not so much for allowing us to see what education really is but for offering insights into what prevents education from being enabling us to shift our focus instead into the possibilities education offers as a space of becoming The book suggests possibilities for conceptualising and creating the other side of education

Hegel, Freud and Fanon Stefan Bird-Pollan, 2014-12-22 Revolutionary theories from Marx onward have often struggled to unite the psychological commitments of individuals understood as ideological with the larger ethical or political goals of a social movement As a psychiatrist social theorist and revolutionary Frantz Fanon attempted to connect the ideological and the political Fanon's work gives both a psychological explanation of the origins of ideology and seeks to restore the individual to autonomy and political agency This book explores the deeper philosophical foundations of Fanon's project in order to understand the depths of Fanon's contribution to the theory of the subject and to social theory It also demonstrates how Fanon's model makes it possible to understand the political dimensions of Freudian psychoanalysis and the psychological dimensions of Hegel's social theory This is the first book to bring these two central dimensions of Fanon's thought into dialogue It uses Fanon's position to provide a deeper interpretation of key texts in Freud and Hegel and by uniting these three thinkers contributes to the creolization of all three thinkers
