PAUL E. DETERDING

# Colossians Concordia Commentary

**Dr Ken Baker**

## **Colossians Concordia Commentary:**

*Colossians - Concordia Commentary* Paul Deterding, 2003-10-08 Despite its brevity Colossians has much to say Paul faces proto Gnostic deviations in the Colossian church choosing to emphasize incarnational Christology and build from there Based on the person of Christ Paul develops an ordered doctrine of creation and maintains an eschatological lens that keeps the focus on the Heavenly gifts to come Dr Deterding approaches the letter with equal parts academic and pastoral concerns tackling everything from the scholarly history of authorship to the rich sacramental theology of baptism The eschatology of the letter extends beyond those verses that speak of the life to come for its message is constantly given with an eye on eternity The true doctrine of Christ who is the exalted Lord over the entire creation refutes the false christologies that were circulating in Colossae variations of which continue to compete against the true Gospel in the world today Features A reconstruction of the probable Colossian heresy Arguments and evidence for undisputed Pauline authorship A focus on the Christology Soteriology and Cosmology of Colossians Additional Essays Baptism in the Message of Colossians The Pauline Model of Growth in Sanctification Colossian s relationship to Ephesians and Philemon About the series The Concordia Commentary Series A Theological Exposition of Sacred Scripture is written to enable pastors and teachers of the Word to proclaim the Gospel with greater insight clarity and faithfulness to the divine intent of the Biblical text The series will cover all the canonical books of the Old and New Testament with an original translation and meticulous grammatical analysis of the Hebrew Aramaic or Greek of each text The foremost interpretive lens centers on the unified proclamation of the person and work of Christ across every Scriptural book The Commentary fully affirms the divine inspiration inerrancy and authority of Scripture Each passage bears witness to the confession that God has reconciled the world to Himself through the incarnation ministry death resurrection and ascension of Christ His Son Authors expose the rich treasury of language imagery and thematic content of the Scripture while supplementing their work with additional research in archaeology history and extrabiblical literature Throughout God s Word emanates from authors careful attention and inculcates the ongoing life of the Church in Word Sacrament and daily confession

**Colossians** Paul E. Deterding, 2003 Explore a theological exposition of sacred Scripture The Concordia Commentary series enables pastors and teachers of the Word to proclaim the Gospel with greater insight and clarity Interpreting the canonical books of the Old and New Testaments through the person and work of Jesus Christ each commentary affirms the inspiration and authority of Scripture offering a literal translation textual notes and theological exposition Two new commentaries are available The letter to the Colossians is rich in Christology to which all the articles of faith are intimately connected One might even argue that Colossians possesses the most profound Christology in all the New Testament A true biblical Christology centered in the cross and the empty tomb gives life and meaning to all theology Colossians has much to say about the doctrine of creation Moreover the letter relates its teaching on creation directly to its Christology In this way Colossians unites the presupposition of all theology creation with the heart and center

of all theology Christology Colossians is also strongly eschatological The eschatology of the letter extends beyond those verses which speak of the life to come for its message is given with an eye on eternity The true doctrine of Christ who is the exalted Lord over the entire creation refutes the false Christologies that were circulating in Colossae variations of which continue to compete against the true Gospel in the world today

### **Colossians and Philemon (Baker Exegetical**

**Commentary on the New Testament)** G. K. Beale,2019-04-16 Find academic sophistication pastoral sensitivity and accessibility in the award winning BECNT series In this addition to the award winning BECNT series leading New Testament scholar and bestselling author G K Beale offers a substantive evangelical commentary on Colossians and Philemon Beale leads readers through all aspects of Colossians and Philemon sociological historical and theological to help them better understand the meaning and relevance of these biblical books As with all BECNT volumes this informative balanced commentary features Detailed interaction with the Greek text Extensive research Chapter by chapter exegesis A blend of scholarly depth and readability An acclaimed user friendly design The BECNT series aims for academic sophistication with pastoral sensitivity and accessibility making it a useful tool for pastors church leaders students and teachers

### Colossians

John Paul Heil,2010 This book investigates Colossians as a captivity letter from the primary implied author the imprisoned Paul to an implied audience of mainly Gentile converts currently in danger of influence by local Jews or Jewish Christians Utilizing a text centered literary rhetorical and audience oriented method it demonstrates new chiasmic structures for the entire letter that progressively encourage the audience to resist deceit and conduct themselves according to all the wisdom at their disposal as holy ones in Christ

*The Press of the Text* Andrew H. Bartelt,Jeffrey Kloha,Paul R. Raabe,2017-05-11 The breadth and depth of these essays are a fitting testimony to the personal and professional interests of James W Voelz They span a spectrum from Greek language and lexicography to hermeneutics and translation theory to interpretation and theology of both biblical testaments to contemporary issues in church and world Leading scholars with a diversity of interests and in diverse contexts offer a buffet of both general and focused issues from detailed translation theory and method to the World Series as a template for theological reflection from creeds and confessions to cultural and social hermeneutics Readers will find much that will strengthen and challenge their study of theology and the biblical text

COLOSSIANS: "Presenting you Holy" Dr Ken Baker,2019-06-19 I guess every believer is conscious of wanting to go further with God to dig deeper and to climb higher Paul himself said Not that I have already arrived but I press on But the New Testament whilst stating that qualification also provides an astonishing optimism of grace a marvellous confidence that God can do all things in and through us The little book of Colossians expresses that confidence to a high degree The writer is not daunted by the poor quality of the believers neither by the sins of their past nor the distractions of their present In simple powerful prose he outlines a challenge which is worth taking up It is the challenge of Christian holiness Jesus Christ has done a work the past tense is exhilarating so that he might offer us to God holy and blameless and irreproachable It is God s design that is that we

are presented holy It is the purpose of this book to explore how Colossians enables that undertaking **Colossians and Philemon** Alan J. Thompson,2022-07-05 In this Tyndale commentary on the books of Colossians and Philemon Alan

Thompson shows how these books unpack and apply the beauty of the gospel of God s grace pointing to the hope we have in Christ s supremacy and the difference that the gospel makes in the delicate context of Onesimus s departure from Philemon

*Called by the Gospel* Michael Paul Middendorf,Mark Schuler,2007-07-15 *Called by the Gospel* is the title for a series of introductory theological textbooks written from a distinctly Lutheran perspective In keeping with the predominant place of the gospel in Lutheran theology this introductory volume on the New Testament carries the same title as the series *Called by the Gospel* Readers will find within its pages a high view of the Christian Scriptures explanation of keys texts with careful attention to the historical and cultural contexts particular focus on the presentation of Jesus by the various texts and a conversational style that seeks to convey the message of the text for contemporary times Although the book was written with university students in mind any Christians who seek to deepen their grasp of the New Testament will find within its pages helpful and challenging insights This book builds on material presented in the first volume of the series *Called to be God s People* and supplements its contents with maps photos suggested readings discussion questions and a glossary Together these two volumes prepare the university student for an in depth consideration of Christian doctrine in *Called to Believe Teach and Confess* **The Sword and the Mask** Jon C. Furgeson,2022-08-12 Is spiritual warfare real Is it just a metaphor for social justice Do territorial spirits have a stranglehold on the planet What does the Christian do with the rising fascination with the supernatural in Western culture Does any of this matter for daily life With meticulous care Jon Furgeson dives into the sea of perspectives and voices in the church and Western culture bringing the reader on a journey to gain perspective After clearing the clutter and the confusion he presents a bold new yet faithful way to understand spiritual warfare to see how it affects every person to the foundations of who they are and how the Spirit of God in Christ acts in the midst of the fallen powers to take broken sinners and turn them into antifrangible saints *The Art of Exegesis* Matthew E.

Borrasso,2019-02-27 Although he loomed large during his lifetime Martin Hans Franzmann has faded away in the minds of American Lutherans Memories of him typically orbit around an appreciation for his hymnody He was however more than a hymn writer To only understand or appreciate his hymns is to only understand or appreciate a part of him This book seeks to shine a light on a brilliant and gifted poet of the church by unpacking and analyzing his life and work In so doing it is hoped that he will loom large once again Franzmann s hymns have endured for a reason namely because he was singularly focused on teaching people to hear the voice of God in the text of the Scriptures **A Companion to Philemon** Lewis

Brogdon,2018-05-08 When is the last time you heard a sermon Bible study or even read the Letter to Philemon For some the answer is recently but for too many the answer is it has been a long time or worse yet never Why is it that Philemon though included in the Christian canon is not read and studied as a text with theological depth that is helpful for serious study and

preaching In A Companion to Philemon Lewis Brogdon insists that a part of the reason is the interpretation that Paul is sending a thieving runaway slave back to his good master This interpretation is not only problematic it is also theologically limiting and offers the church very little to reflect on as we face mammoth issues of inclusion and fellowship such as racism sexism and classism A Companion to Philemon challenges the church to reimagine the interpretation of Philemon by focusing on the role exclusion had in the events that led to his departure from Philemon Using the issue of exclusion Brogdon takes the interpretation of Philemon in new directions that not only invite the church to read Philemon but also challenge us to examine both our understanding and practice of Christian fellowship today

**The Seven Cities of the Apocalypse and Roman Culture** Roland H. Worth, 2019-05-07 To understand the immediate cultural and societal background of the cities to which John wrote in Revelation 1 and 2 we must first understand the broader background of Roman civilization and its impact upon Asian province writes Roland H Worth in the introduction to this fascinating information packed work It is an in depth study of the history culture society economics and environment of early Christians living in Roman Asia Drawing on a multitude of resources from diverse disciplines Worth surveys Roman life and attitudes in general and demonstrates how Roman power developed and was exercised in Asia He describes life in Roman Asia what it was like to live in that province how the imperial cult grew and prospered there as well as the nature of official governmental persecution in the first century A second book The Seven Cities of the Apocalypse and Greco Asian Culture will fill in the details of the local background of the Christians for whom the mini epistles in the book of Revelation were written

Judging the Sabbath Ron Du Preez, 2008  
*The Future Inheritance of Land in the Pauline Epistles* Miguel G. Echevarria Jr., 2019-01-25 The Apostle Paul's vision of eternity is centered on the inheritance theme Although Paul rarely unpacks this concept he employs the inheritance in a manner that encompasses the hope of a renewed cosmos promised to Abraham and his descendants Thus the apostle does not redefine a theme grounded in the Old Testament and Second Temple literature as if it now referred to heaven or some other spiritualized existence He expects what every pious Jew expected the tangible fulfillment of the promise when at last God's people will dwell in a land where they will experience rest under the rule of Messiah What Paul clarifies is that those who are in Christ are the beneficiaries of the inheritance Although believers do not currently possess what has been promised to them they have the hope that the Spirit will lead them on a new exodus through the wilderness of the present sinful age until they inherit the coming world

**Biblical Theology of prayer in the New Testament** Francois P. Viljoen, Albert J. Coetsee, 2023-08-31 This publication deals with a biblical theology of prayer based on the New Testament It forms the second of a two volume publication on a biblical theology of prayer dealing with the concept of prayer in the Old and New Testament respectively This New Testament volume begins with an introduction on prayer and worship in early Jewish tradition followed by eleven chapters dealing with New Testament corpora It concludes with a final chapter synthesising the findings of the respective investigations of the Old and New Testament corpora to provide a summative

theological perspective of the development of the concept of prayer through scripture Prayer forms a major and continuous theme throughout the biblical text Prayer was an integral part of the religious existence of God's people in both the Old and New Testament It underwent its greatest developments during after and as a result of the Exile and was deepened and transformed in the New Testament In both the Old and the New Testament God is the sole addressee of his people's prayer This conviction continued into the New Testament but was broadened with Trinitarian elements of worship adoration and intercession A biblical theological investigation is chosen as methodology Since all the biblical books form part of one canonical text the assumption is that the various theologies about prayer being displayed in these books can be synthesised into a developing meta theology about prayer As the Old and New Testament form part of the canonical text the results about prayer in the Old Testament can be brought into play with the results about prayer in the New Testament This eventually leads toward an overarching biblical theology of prayer

**Rhetoric, History, and Theology** Jason A. Myers, Todd D. Still, 2022-03-07 The subjects of rhetoric history and theology intersect in unique ways within New Testament and early Christian literature The contributors of this volume represent a wide range of perspectives but share a common interest in the interpretation of these texts in light of their rhetorical historical and theological elements What results is a fresh and perceptive reading of the New Testament and early Christianity literature *Wisconsin Lutheran Quarterly*, 2005

**Ephesians** David A. deSilva, 2022-04-28 Exploring Ephesians in light of both the Jewish and Greco Roman traditions and environment informing the audiences reception of the text Galatians: The Christian Standard Commentary Timothy George, 2020-11-01 Galatians is part of The Christian Standard Commentary CSC series This commentary series focuses on the theological and exegetical concerns of each biblical book while paying careful attention to balancing rigorous scholarship with practical application This series helps the reader understand each biblical book's theology its place in the broader narrative of Scripture and its importance for the church today Drawing on the wisdom and skills of dozens of evangelical authors the CSC is a tool for enhancing and supporting the life of the church

The Warrior Messiah in Scripture and Intertestamental Writings Sook-Young Kim, 2010 The picture of the warrior Messiah depicted in the Old Testament as a future redeemer figure matches that of Jesus as the warrior in the New Testament fighting against the cosmic evil power The warrior TM's struggle takes place in a cosmic heavenly dimension rather than earthly utilizing the word from his mouth as the only weapon to defeat the demons and the evil hosts Strong unity and continuity of the motif are detected within the Old and New Testaments as well as between the Testaments

## Embracing the Beat of Expression: An Emotional Symphony within **Colossians Concordia Commentary**

In a world taken by screens and the ceaseless chatter of instant conversation, the melodic elegance and mental symphony produced by the published word frequently diminish into the back ground, eclipsed by the relentless sound and interruptions that permeate our lives. But, nestled within the pages of **Colossians Concordia Commentary** an enchanting fictional prize full of raw thoughts, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, that captivating masterpiece conducts readers on a psychological journey, well unraveling the concealed tunes and profound impact resonating within each carefully constructed phrase. Within the depths of this emotional examination, we will discover the book is main harmonies, analyze its enthralling writing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
