Come Let Us Reason New Essays In Christian Apologetics:

Come Let Us Reason Paul Copan, William Lane Craig, 2012-03-01 *Come Let Us Reason* is the third book in a series on modern Christian apologetics that began with the popular *Passionate Conviction* and *Contending with Christianity's Critics*. The nineteen essays here raise classical philosophical questions in fresh ways, address contemporary challenges for the church, and will deepen the thinking of the next generation of apologists. Packed with dynamic topical discussions and informed by the latest scholarship, the book's major sections are *Apologetics Culture* and *the Kingdom of God*. The *God Question*, *The Gospels*, and *the Historical Jesus*. *Ancient Israel and Other Religions*, *Christian Uniqueness*, and *the World's Religions*. Contributors include J. P. Moreland, *Four Degrees of Postmodernism*, William Lane Craig, *Objections So Bad That I Couldn't Have Made Them Up*, Gary R. Habermas, *How to Respond When God Gives You the Silent Treatment*, Craig Keener, *Gospel Truth*, *The Historical Reliability of the Gospels*, and Paul Copan, *Does the Old Testament Endorse Slavery*.

Apologetics in 3D Peter S. Williams, 2021-09-03 This collection of papers and other materials from English philosopher Peter S. Williams develops a holistic vision for Christian apologetics centered around a biblical understanding of spirituality. Grounded in two decades of practical experience, here is a vision of apologetics that's interested in communicating through beauty and goodness as well as logic and arguments. **Take Courage** Timothy J. Pauls, Mark A. Pierson, Timothy J.

Pauls, 2021-03-23 *Take Courage* is a collection of essays written by pastors and professors about the care and cure of souls in the 21st century. As spiritual physicians, pastors are called to diagnose and treat all those suffering with the disease of sin. This noble task requires much from these undershepherds who are placed over Christ's flock. Yet the Good Shepherd himself has provided the effective tools of this healing art: the life-giving word and sacraments. Pastors then specialize in applying the medicine of forgiveness and bringing comfort to broken consciences. Collectively, these essays teach and expound upon this theme. This helpful book honors the 45 years of faithful service given by one such undershepherd, Harold L. Senkbeil. As a pastor, seminary professor, author, speaker, husband, father, and the executive director of DOXOLOGY, Senkbeil has consistently provided competent treatment for both laity and pastors by distributing the forgiveness won by Jesus on the cross.

Behold the Man Peter S. Williams, 2024-06-18 After a substantial new essay examining the nature of a properly skeptical historical inquiry into Jesus of Nazareth in the context of contemporary worldviews from pre-modernism to meta-modernism, *Behold the Man* presents revised essays on an eclectic range of issues from how the Epistle of James treats Jesus as Divine, within decades of the crucifixion, and an evaluation of recent arguments about the dating of the Fourth Gospel to debunking claims about Jesus and ancient aliens, and furthering debate about the resurrection. With a foreword by eminent New Testament scholar Craig L. Blomberg and extensive recommended resources, *Behold the Man: Essays on the Historical Jesus* represents a wide-ranging interdisciplinary engagement with historical Jesus studies. **The Method of Christian**

The Outrageous Idea of the Missional Professor, International Edition Paul M. Gould, 2019-06-05 The outrageous idea of this book is that God wants to use professors as professors to reach others transform the academy and meet the needs of the world God is on a mission to redeem and restore this fallen world and as members of one of the most influential institutions in society Christian professors in the university play an important role in that mission Becoming a missional professor will require a clear vision of God's heart for the lost as well as humankind's purpose and calling under the banner of Christ an understanding of the significance of the university as a cultural shaping institution and mission field and a desire for Christian wholeness in a fragmented world This idea is outrageous because many Christian professors struggle to live missionally and need a clear vision of such a life as well as role models to lead the way Many professors already living missional lives need encouragement to excel still more 1 Thess 4:10 We all need God's grace and mercy as we try to faithfully follow Christ within the university Paul M Gould PhD Purdue University teaches philosophy and apologetics at Oklahoma Baptist University and is the founder and president of the Two Tasks Institute D Keith Campbell PhD Southeastern Baptist Theological Seminary is Global Partnerships Vice President at Global Scholars Li Ma PhD Cornell University is Senior Research Fellow at the Henry Institute for the Study of Christianity and Politics at Calvin College Omar Montero PhD Candidate University of Buenos Aires is Associate Professor and Researcher for Undergraduates and Postgraduates in the Architectural and Design Department at the University of Buenos Aires Granville W Pillar PhD University of Newcastle is Associate Professor of Philology at Ferenc Rákóczi II Transcarpathian Hungarian Institute Ukraine Osam Edim Temple PhD University of Ibadan is former Professor of Philosophy at the American University of Nigeria and Special Advisor to the Honourable Minister of Niger Delta Affairs Bee Lan C Wang PhD University of Chicago taught at the Science University of Malaysia Northern Illinois University and Wheaton College Illinois

Christopher J. Wilson, 2019-12-09 Why do you believe in God Why do you believe in the Bible Why do you believe in miracles These are questions that Christians are often asked by sceptics The field of apologetics attempts to provide rational answers to these and other questions Unfortunately apologetical answers to these questions are often abstract and philosophical However the Christian apologist evangelist has a much more powerful argument in their arsenal the argument from miracles Miracles are the original Christian apologetic It was through the witnessing of miracles that Christianity was originally spread By applying modern tools of philosophical inquiry and scientific methodology Wilson is able to establish a core set of miracles which defy naturalistic explanations and strongly point toward occurrences of Special Divine Action SDA However once these occurrences are proven to be genuine miracles several questions remain Why does God sometimes perform

miracles Why does he often answer no How do these random acts fit into his overall plans of redemption By answering these and other questions Wilson develops a comprehensive apologetic for both Christianity in general and the Renewal Movement in particular

Litwak, 2014-06-05 Capturing important insights from Paul s speech to the multicultural and multireligious city of Athens in Acts 17 Paul Copan and Kenneth Litwak seek to enhance and embolden the church s witness in today s pluralistic society by helping us point contemporary Athenians beyond an unknown God to the God and Father of Jesus Christ

Why Does God Seem So Hidden? Joshua C. Waltman, 2023-04-06 Why does God seem so hidden obscure and silent Why doesn t he make himself known in a more explicit way to those who dispute his existence This line of questioning presents a perplexing conundrum for Christian theologians On the one hand Christians affirm that God s revelation of himself is sufficient but on the other hand it appears that some genuine seekers remain unconvinced of his existence In recent decades philosopher J L Schellenberg has proposed an argument for atheism that attempts to exploit this apparent contradiction This book offers a new take by approaching the conversation using a Trinitarian theological lens The character of Trinitarian love shapes the way God communicates in pursuit of relationships Namely God desires spiritually oriented communal divine human relationships and this endeavor necessarily entails hiddenness This work proposes five spiritual criteria that an individual must meet to be open to having a relationship with the triune God and these are the criteria that atheists have failed to consider Articulating these five is exactly what is needed to resolve the vexing theological puzzle of divine hiddenness

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g

Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
