Comeback Churches How 300 Churches Turned Around And Yours Can Too:

Comeback Churches Ed Stetzer, Mike Dodson, 2007-05-01 Research shows that over time most churches plateau and then eventually decline Typically they start strong and experience periods of growth then stagnate and lose members Since 1991 the North American population has increased by 15 percent while the number of unchurched people has increased by 92 percent Large church houses that were filled in the 1950s and 60s now hold a fraction of their capacity To counter this trend authors Ed Stetzer and Mike Dodson surveyed 300 churches from across ten different denominations that recently achieved healthy evangelistic growth after a significant season of decline What they have discovered is an exciting method of congregation reinvigoration that is shared in the new book entitled Comeback Churches Endorsements As a successful pastor church planter researcher and advisor to thousands of churches Ed Stetzer speaks from a wealth of experience with all kinds of churches Now in one volume your church can benefit from his wisdom This book is a winner Dr Rick Warren author of The Purpose Driven Life and The Purpose Driven Church First and foremost it is biblical Second it is well researched And third it is immensely practical and applicable this book should be in the hands of hundreds of thousands of pastors staff and church leaders Simply stated it is just that good Thom S Rainer author of Simple Church president CEO of Lifeway Christian Resources Finally a book of practical advice that is based on research I have seen it both ways endless research with little advice or much advice with little facts This book strikes the balance with perfection Elmer Towns Dean of Liberty University This is the most helpful practical book on church revitalization I ve read this century Leonard Sweet Drew Theological School George Fox University Comeback Churches is more than a pep talk It s rooted in the right stuff to bring a congregation out of the dismal into the vital Jack W Hayford President International Foursquare Churches Chancellor The King s College and Seminary No one to my knowledge has done the hard research presented the facts and offered such sound advice as Ed Stetzer and Mike Dodson Comeback Churches is the number one book on turning around declining and plateauing church ministry Gary L McIntosh D Min Ph D Biola University A refreshing book by authors who know how to make research exciting and instructional Leaders and members of non growing evangelical churches should read this book it wouldn t hurt mainliners either Bill Easum Easum Bandy Associates [Revitalize Your Church](#) Dan Eymann, 2019-01-28 Is church revitalization and turnaround biblical Or is it merely a secular concept In Revitalize Your Church you will discover that the Bible has much to say about revitalization Combining biblical scholarship first hand research and personal experience Pastor Dan Eymann develops a biblical blueprint for revitalization Utilizing the seven churches of Revelation Pastor Dan identifies seven crucial biblical building blocks for church revitalization He also builds a model for turnaround leadership from the example of Nehemiah one of the greatest turnaround leaders in biblical history Revitalize Your Church will give you hope and biblical insights on turning around a plateaued church Your church can experience revitalization and renewal **Reconnect Your Church** David Brown, 2023-02-16 Reconnect Your Church provides a practical road tested vision and process to equip

church leaders to reinvigorate their church How can churches stay healthy and dynamic over the long term What s needed to avoid or reverse church stagnation and decline While some churches are vibrant and growing many more are struggling especially after Covid The congregation might be declining and ageing there s little success in reaching out to with the gospel and more time is spent on inward facing problems than loving God and loving others But the potential that could be released is huge David Brown draws on his experience revitalising a church in central Paris to offer a vision and a process for church revitalisation with a focus on UK and European contexts Whether you are church planting in a well established and thriving church or looking to turn around a church in decline Brown provides biblically grounded wisdom along with change management principles for long term health When we reapply God s priorities to the church we unleash new life and energy in following Christ in community *Kingdom People Living by Kingdom Principles* Dr. Dalton Jenkins,2013-07-08 We do not have to travel to some foreign country to locate the mission field Right here literally in our backyards the world has come to us The church s basic mission is to preach the gospel of the kingdom of God this message has social and political aspects to its application This is the fundamental responsibility of the church This message is holistic and affects the total person As the church develops a comprehensive and practical understanding of missions this will propel Christians to act out their missional call The challenge as to how to be truly missional requires those people considered to be disciples to engage their communities in their everyday lives To capture the full essence of missions this book introduces a process called strategic evangelism This process serves to raise awareness by helping to clarify the nature of the structures and practices of the church relating to its missional focus to develop a better awareness of local missions and to introduce a process that will assist people to live out the mission by engaging their communities *Biblical Foundations for Baptist Churches* John S. Martin,2020-06-02 The emergence of the pastor Chief Executive Officer CEO position in churches today has become widely acceptable in Mega and Meta churches Recent studies have not explored this issue David Fisher acknowledges that in the 21st century being a pastor presents major challenges because it leads to professional and personal identity crisis resulting from secular and ecclesial challenges Studies have supported the idea that there is the need for church leaders to adopt the secular models of leadership and

several noted authors have shown that churches today have become like other organizations that have to market their products This is a problematic interpretation because leadership in modern churches has gone beyond the biblical and theological definitions of becoming shepherds of their flock and servants of God In the search for an effective pastoral leadership role this paper will explore the contemporary definition of pastoral leadership and compare it with what the scriptures say concerning the elders and servants of God assigned the duty of being shepherds of their flock ReClaimed Church Bill Henard,2018-06-01 It s no secret churches are dying Tragically thousands of churches in the United States are shrinking some closing their doors forever The key to reversing these trends argues Bill Henard is for a local church to recognize where it is in the church life cycle Unless churches intentionally do something about it many of them will follow the same pattern from birth to plateau and eventually to death But if a church learns to identify its place within the life cycle and embraces the necessary processes it can return to growth In a day when church membership has decreased evangelistic zeal has cooled and budgets are disappearing ReClaimed Church is the tool that struggling churches need Having previously written and taught seminary courses on church revitalization Bill Henard uses his expertise to provide all the practical insights and instructions needed to reclaim your church *Sunday School That Really Works, Responds, and Excels* Steve R. Rex Butts, 2022-05-17 Many people realize that the cultural landscape of North America has shifted significantly With such changes new challenges for how churches live as a proclamation of the gospel have and continue to emerge These challenges are related to the church s participation in the mission of God and particularly how local churches live faithfully to God while remaining relevant to such challenges Because Scripture is revered as God s word this matter also pertains to the way churches read Scripture since the Bible does shape how churches embody the gospel *Gospel Portraits* addresses the intersection of mission and hermeneutics for churches within their local contexts Believing the gospel calls the church to follow Jesus and bear witness to the kingdom of God this book proposes that churches should read the Bible as a Christ centered and kingdom oriented narrative This reading of Scripture allows churches to reimagine how they might embody the gospel within their local contexts Discerning what a contextual embodiment of the gospel involves churches portray God s new creation in ways that are coherent with the biblical story and relevant to their local context In doing so churches live as Christ formed and Spirit led communities portraying the gospel
