*The Culture of Sex in Ancient China* Paul R. Goldin, 2001-10-31 The subject of sex was central to early Chinese thought Discussed openly and seriously as a fundamental topic of human speculation it was an important source of imagery and terminology that informed the classical Chinese conception of social and political relationships This sophisticated and long standing tradition however has been all but neglected by modern historians In *The Culture of Sex in Ancient China* Paul Rakita Goldin addresses central issues in the history of Chinese attitudes toward sex and gender from 500 B C to A D 400 A survey of major pre imperial sources including some of the most revered and influential texts in the Chinese tradition reveals the use of the image of copulation as a metaphor for various human relations such as those between a worshiper and his or her deity or a ruler and his subjects In

his examination of early Confucian views of women Goldin notes that while contradictions and ambiguities existed in the articulation of these views women were nevertheless regarded as full participants in the Confucian project of self transformation He goes on to show how assumptions concerning the relationship of sexual behavior to political activity assumptions reinforced by the habitual use of various literary tropes discussed earlier in the book led to increasing attempts to regulate sexual behavior throughout the Han dynasty Following the fall of the Han this ideology was rejected by the aristocracy who continually resisted claims of sovereignty made by impotent emperors in a succession of short lived dynasties Erudite and immensely entertaining this study of intellectual conceptions of sex and sexuality in China will be welcomed by students and scholars of early China and by those with an interest in the comparative development of ancient cultures

**The Fountainhead of Chinese Erotica** Charles R. Stone, 2003-03-31 The Lord of Perfect Satisfaction Ruyijun zhuan a short work of fiction from the early sixteenth century tells the story of the Tang dynasty s notorious Wu Zetian the only woman to rule as emperor of China

It is famous not for the history it relates but for its graphic sexual descriptions the first ever in a Chinese novel purportedly given from a woman's point of view. Despite its renown and unmistakable influence on later writing, the origins and significance of the *Ruyijun zhuan* have never been explored in any language and until now it has never been translated. Its date of composition is unknown, its author unidentified. One of its earliest appraisals, written by a contemporary scholar known for his conservatism, maintains that the *Ruyijun zhuan* is a moral work notwithstanding its sexual content. Combining a complete translation with a detailed and far-ranging study of the text, *The Fountainhead of Chinese Erotica* places this important cultural document into historical context and offers possibilities on its meaning.

**Cultural Integration and the Gospel in Vietnamese Mission Theology** KimSon Nguyen, 2019-11-14

Postcolonial Vietnam has an urgent need for contextualized theology of mission. God, Christ, and the church that is rooted in indigenous cultural traditions and the dual Vietnamese spirit of resistance and assimilation. Dr. KimSon Nguyen navigates the religious-cultural dimensions of Vietnamese spirituality and Daoism that have hindered the assimilation of the Christian faith in the Vietnamese context and explores a fresh approach to missiology in Vietnam. Dr. Nguyen draws upon his deep knowledge of Vietnamese evangelical history to analyze contextualization and mission theology in Vietnam. He proposes an evangelical theology of God as a way to the centrality of the Vietnamese home as the house of the Lord and ancestor veneration as a theological framework for an indigenous theology of the family. Narrowing the gap between culturally removed evangelical missionary practice and widespread syncretistic spirituality in Vietnam, Nguyen calls for a paradigm shift in Vietnamese mission theology that is both robustly evangelical and authentically Vietnamese.
