Michael Martin, 1995-08-25 THE NEW AMERICAN COMMENTARY is for the minister or Bible student who wants to understand and expound the Scriptures Notable features include commentary based on THE NEW INTERNATIONAL VERSION the NIV text printed in the body of the commentary sound scholarly methodology that reflects capable research in the original languages interpretation that emphasizes the theological unity of each book and of Scripture as a whole readable and applicable exposition 1-2 Thessalonians Florence Morgan Gillman, Mary Ann Beavis, HyeRan Kim-Cragg, 2016-11-08 When Paul wrote First Thessalonians shortly after the recipients had accepted the Gospel many significant issues had already arisen among them Of great concern was the social complexity and even persecution they encountered because they had turned to God from idols 1 9 The countercultural stance of those earliest believers and especially the impact that may have had for women is addressed throughout this commentary While Paul directs no remarks only to women in this letter the ramifications of his preaching on their daily lives emerge vibrantly from the application of a feminist hermeneutics of suspicion to the text While Second Thessalonians is a shorter letter it has been disproportionately influential on Christian thought especially apocalyptic doctrine and the Protestant work ethic From a feminist perspective it is androcentric rhetorically manipulative and even violent In this commentary Mary Ann Beavis and HyeRan Kim Cragg explore this text from many angles to expose both constructive and destructive implications in the text Notably they suggest a perspective on the afflictions endured by the Thessalonian church that neither glorifies suffering nor wishes for revenge but rather sees the divine presence in women's acts of compassion and care in circumstances of extreme duress and inhumanity From the Wisdom Commentary series Feminist biblical interpretation has reached a level of maturity that now makes possible a commentary series on every book of the Bible It is our hope that Wisdom Commentary by making the best of current feminist biblical scholarship available in an accessible format to ministers preachers teachers scholars and students will aid all readers in their advancement toward God's vision of dignity equality and justice for all The aim of this commentary is to provide feminist interpretation of Scripture in serious scholarly engagement with the whole text not only those texts that explicitly mention women A central concern is the world in front of the text that is how the text is heard and appropriated by women At the same time this commentary aims to be faithful to the ancient text to explicate the world behind the text where appropriate and not impose contemporary questions onto the ancient texts The commentary addresses not only issues of gender which are primary in this

project but also those of power authority ethnicity racism and classism which all intersect Each volume incorporates diverse voices and differing interpretations from different parts of the world showing the importance of social location in the process of interpretation and that there is no single definitive feminist interpretation of a text      **Exploring 1 & 2 Thessalonians** John Phillips,2005 No one analyzes the biblical text better than John Phillips I have benefited greatly from his commentaries and recommend them heartedly to pastors teachers and Bible students everywhere Dr David Jeremiah Senior Pastor Shadow Mountain Community Church      **1 and 2 Thessalonians** Leon L. Morris,2015-03-25 Leon Morris offers comment on the books 1 2 Thessalonians      **TNTC 1&2 Thessalonians** Leon Morris,2015-03-26 The apostle Paul s correspondence with the church at Thessalonica provides a valuable glimpse into issues confronting the community Was Paul merely exploiting them for money When will Christ return What about those members who had already died Would they receive Christ s blessings when he came again As Leon Morris deploys his characteristic knowledge and wisdom in interpreting these two letters he not only illuminates their original meaning and context but also shows how they bear on the church today      **1-2 Thessalonians (Redesign)** James H. Grant Jr.,2015-11-17 The apostle Paul wrote to the church in Thessalonica to encourage Christians to live in light of the gospel In 1 and 2 Thessalonians he addressed a number of topics including the persecution they were enduring the second coming of Christ and how they were to live in difficult times While the letters were written nearly two thousand years ago pastor James H Grant Jr insists that Paul s audience includes us as well as the Thessalonians Grant applies Paul s message to contemporary churches over the course of twenty five chapters by leading readers systematically through the epistles unpacking the gospel and its implications in light of Christ s second coming Part of the Preaching the Word commentary series      1 & 2 Thessalonians Jacob W. Elias,1995-06-09 Jacob W Elias invites us to listen in while Paul and his missionary companions encourage and warn believers in ancient Thessalonica Elias shows Paul dealing pastorally with everyday concerns of church life while reminding his converts about the big picture What God has done through the death and resurrection of Jesus Christ will yet be brought to glorious completion The church has an active role to play in God s redemptive mission in the world Today apocalyptic biblical texts are often ignored or misused But Elias tells how the gospel proclaimed to the Thessalonians undergirds the nurture of churches marked by faith love and hope      *1 & 2 Thessalonians (Understanding the Bible Commentary Series)* David J. Williams,2011-08-01 The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the truth found in this commentary series      1 & 2 Thessalonians Dr. Matthew N. O. Sadiku,2014-03-31 Every serious student of the Bible desires to understand the text discover the biblical principles and

apply the truths to his her life This commentary is designed to help students pastors and Bible teachers understand First and Second Thessalonians in a simple manner Working from the popular New International Version NIV the author provides helpful commentary on the text verse by verse This verse by verse commentary is different from others in two respects First it is brief while some commentaries are unnecessarily wordy and verbose Second it is Pentecostal in outlook This implies that we generally adhere to the doctrine of biblical inerrancy and adopt a literalist approach to the interpretation of the Bible The major aim of this commentary is to expose readers to First and Second Thessalonians It is written primarily for the busy pastor Sunday school teacher or Christian leader who desires to better understand Pauls message to the Thessalonians First Thessalonians encourages believers to endure persecution while Second Thessalonians corrects a wrong understanding of the day of the Lord These epistles were designed to help the church in Thessalonica face suffering in a Christ centered manner and they can do the same for believers today
