Audia Christopher Schaal, 2010-09 Standing before a barren wasteland of a planet, the mighty and powerful Rezorin looked down upon the view of nothingness. I shall bring life to this dissolute world and make life in my image. I will teach them my ways, and they will worship me, but I will treat them as my equal. And with his great power, Rezorin raised his hands, and with a flash of light, the planet began to shift and move. Clouds gathered, and rain fell from the skies, filling the land with lakes and oceans. Plants and trees began growing from soil, sprouting foliage and bringing oxygen for life. Rezorin then took his mighty power to destroy one of the surrounding moons; the debris created a ring around the planet, leaving only one moon untouched. This ring shall bring everlasting beauty to signify my love for all who live here. The power from Rezorin slowly drained him to complete the new world. With this new world finished, I shall call it Vianna, after my love that will always live within my soul. And with a burst of light and energy, Rezorin shed the last bit of energy he had remaining to fully finish Vianna.
