**Welcome to the Spirit World** Sharon Margolis,2018-08-22 Welcome to the spirit world Allow me to introduce you to the universe of metaphysics Based on my personal experiences this book explains the fundamental concepts of psychic phenomena While in the spirit world my thoughts and emotions were shared first by my friend Ruth and later by others as though we had one mind I felt their fears and desires their awe and adventurous spirit They knew mine as well Yet back in our body we could only communicate through the spoken word We journeyed to the land of the dead danced in the eternal light delved into spirit worlds none of us dreamed existed Specters of the dark side guided us through their realms Shaman in the twilight wolf wilderness Spirit Bird in the Valley Of The Birds Joel the medieval Irishman in the Record Of All Time Ruth and I thought our travels together were wondrous accidents until it happened again and again Each experience was more complex and powerful than the last Our journeys were never planned nor did we discuss beforehand places we had discovered while there alone Neither of us wanted

to plant subconscious hints as to where we should go or what we should do But once we were there we led each other to our secret places dimensions and past lives of which the other person had no knowledge This book tells of my experiences on the astral planes with Ruth alone and with other travelers It also includes explanations of metaphysical topics such as astral travel channeling and metaphysical energy This should help you to understand the goings on during my journeys as well as afford you a sound base for further investigations Take my hand and let us begin our voyage      **Revealing Light** Maryann Weston,2025-01-28 A spiritual odyssey Revealing Light How Cancer Illuminated My Divine Blueprint tells the story of its author s psychological and spiritual evolution from confronting her mortality with a deadly illness to creating a community of like minded people In 2015 amid a successful career wife and mother Maryann Weston was diagnosed with cancer Engulfed first in waves of fear she didn t want to die and leave her family A million questions and reasons to fight flooded her mind Confronted by death she felt inadequate and small If only she had known then how supremely and divinely Spirit would soon walk beside her onto cancer s battlefield Her fear and doubt suddenly began to lift when she started reconnecting with her childhood clairvoyance studying mediumship and astrology drawing from her strong calling to discuss her healing and the psychic abilities she had suppressed since childhood This book is about the gifts received through adversity about learning in the fiery waters of a spiritual baptism that many cancer warriors experience and how crisis can shatter existence to reveal divine purpose in life a blueprint we agreed to before we were born      *Mediums Not so Rare* Edward Rogers,2016-04-11 As often happens in life Edward was catapulted from his layer of safe sanctuary into a world of unknown undertakings first working as a teacher then a multitude of jobs each pushing him farther into the extremes of poverty Suddenly being flung into a messy divorce Edward spent his last money on a reading with internationally known psychic Rosemary Altea changing his life forever Never looking back Edward continued this spiritual path investigating and befriending many mediums and along this route he now shares with you you will enter into the world of spirits and new dimensions      **Channeling** Kathryn Ridall,1988 Channeling offers state of the art New Age techniques for making contact with and receiving wisdom from those who have lived before In a straightforward format it provides an introduction to channeling and describes what some have learned from their channeling experiences      **Compressed Air** ,1911      **Compressed Air Magazine** ,1911      *Integrated Ascension* Joshua Stone,2001-01-15 This book is one of the best books ever written on the subject of how to achieve your Ascension in this lifetime in a balanced and integrated manner A great many people and lightworkers are working on achieving their Ascension or Self Realization however they are focusing on a Spiritual level and not integrating their Ascension or Self Realization on a Psychological and Physical Earthly level This book is one of the few books available that teaches readers in a very easy to understand and practical manner how to achieve this on all three levels of your being Mind Body Spirit in an integrated and balanced manner This book is totally revolutionary and cutting edge Absolutely electrifying reading
