### The Executive Branch

#### Chapter 6:

#### Lesson 1 The President and Vice President

#### ESSENTIAL QUESTION

- What is required of leaders?

#### Office of the President

1. **Defining** As you read the text, complete the chart below.

Constitutional Requirements of President	Characteristics of Presidents
<ul style="list-style-type: none"> <li>• must be at least 35 years old</li> <li>• native-born U.S. citizen</li> <li>• U.S. resident for at least 14 years</li> </ul>	<ul style="list-style-type: none"> <li>• So far, all have been male.</li> <li>• most have come from state with large populations</li> <li>• most have been white (Barack Obama was 1st African American president)</li> <li>• most have been Protestant Christians (JFK was the 1st Catholic president)</li> <li>• most have a college education</li> <li>• many have been lawyers</li> </ul>

2. **Explaining** The president is elected by an indirect method of voting. What does that mean?

Voters do not vote directly for president. The Electoral College elects the president. When voters choose a candidate's name from the ballot, they are actually choosing a list of Electoral College members who pledge to vote for that candidate.

3. **Analyzing** How is it possible that the electoral votes of just a few small states can determine the outcome of a close presidential election?

Most states have a winner-take-all system. If a candidate wins by just a few popular votes in a state, that candidate wins all the state's electoral votes. The candidate might win several small states by winner-take-all and gain enough electoral votes to win the national election.
