

## THE DISCOVERY OF AMERICA

Christopher Columbus discovered America in 1492. We don't know much about the man. He was born in Italy but lived in Spain for a long time. He was a seaman and made many sea voyages.

Most people in Columbus' days thought that the earth was flat and they did not believe that beyond the Atlantic Ocean lay India. In 1492 the King and the Queen of Spain gave him money to go to India. He decided to sail west as he was sure that our planet was round. There were 3 caravels: the Santa Maria, the Nina and the Pinta. After sailing 4000 miles he reached some land.

Columbus thought that it must be India but it was not. It was a new land - a new continent. It was America. Columbus named the land they had reached San Salvador. People began to speak about the land as "the New World".

European people came to the New World for many reasons. Some hoped to find gold and silver. Priests and missionaries came to bring the Christian religion to the Indians. Among those who came for freedom was a small group of English people called Pilgrims. They wanted to start a new life and to have no religious problems they had in England.

In 1620 on the ship "Mayflower" they landed in the north-east of America. They set up a colony and called that part of the country "New England".

### Answer the questions:

1. Who discovered America and when?
2. Who sent Columbus to India?

How can sincere support be given wholly to a political party unless it has clear principles underpinning its base Such a question is of particular relevance when asked of the Labour party in view of the events which have shattered the foundations of socialism worldwide over the past decade The author who has considerable practical experience as a Labour party activist sets out to re establish the concept of socialism as a vision for the future But the forward looking views of New Socialism need to be very different from the old The transformation of society over the past 60 years means that old doctrines have to be replaced by new if socialism is to be made attractive to the modern man or woman **The Final Solution**
