Character Education in America's Blue Ribbon Schools Madonna Murphy, 2002-07-09 Character Education in America's Blue Ribbon Schools is based upon descriptive documentary and qualitative research conducted on the award winning school applications in the United States Department of Education's Elementary School Recognition Program i.e. the Blue Ribbon Schools The purpose of the program is to focus national attention on schools that are doing an exceptional job with all of their students Areas studied are developing a solid foundation of basic skills and knowledge of subject matter and fostering the development of character values and ethical judgment The first edition of this book reported on the first decade of this program from 1985 to 1994 The second edition adds the schools that have won the award from 1996-2001 Included are the Blue Ribbon schools that applied for Special Honors in Character Education and five that actually won that recognition in 1998-1999 This edition finds character education much stronger in American schools in recent years and is full of many promising practices It is a practical book that will guide school administrators teachers parents board members and concerned citizens interested in starting or strengthening the character education focus of their school

A Call for Character Education and Prayer in the Schools William H. Jeynes, 2009-11-24 This book offers an examination of the related topics of school prayer and character education in the United States advocating for their return to public schools According to William Jeynes the lack of both school prayer and consistent moral instruction in our schools has had devastating consequences both for our education system and for the nation as a whole In A Call for Character Education and Prayer in the Schools Jeynes makes a compelling case for restoring moral instruction and nonspecific religious moments to the classroom as a way of restoring a much needed moral grounding in American society in general A Call for Character Education and Prayer in the Schools traces the history of character education in the public schools including coverage of leading advocates of their inclusion from Thomas Jefferson to DeWitt Clinton to Horace Mann Jeynes then offers a broad survey of the country since the Supreme Court decisions of 1962 and 1963 asserting that most of America's greatest problems are moral in nature and could be addressed by making moral instruction and a focus on the spiritual a part of our young citizens' school lives

Education Abstracts, 1941 **The Teachers Journal and Abstract**, 1926 **Supervision of the Elementary School** Clarence Robert Stone, 1929 **The Self Beyond Itself** Heidi M. Ravven, 2014-09-16 Intertwines history philosophy and science A powerful challenge to conventional notions of individual responsibility Publishers Weekly Few concepts are more unshakable in our culture than free will the idea that individuals are fundamentally in control of the decisions they make good or bad And yet the latest research about how the brain functions seems to point in the opposite direction In a work of breathtaking intellectual sweep and erudition Heidi M Ravven offers a riveting and accessible review of cutting edge neuroscientific research into the brain s capacity for decision making from mirror neurons and self mapping to surprising new understandings of group psychology The Self Beyond Itself also introduces readers to a rich alternative philosophical tradition of ethics rooted in the writing of Baruch Spinoza that finds uncanny confirmation in modern science Illustrating the results of today s research with real life examples taking readers from elementary school classrooms to Nazi concentration camps Ravven demonstrates that it is possible to build a theory of ethics that doesn t rely on free will yet still holds both individuals and groups responsible for the decisions that help create a good society The Self Beyond Itself is that rare book that injects new ideas into an old debate and an important contribution to the development of our thinking about morality Washington Independent Review of Books An intellectual hand grenade A

magisterial survey of how contemporary neuroscience supports a vision of human morality which puts it squarely on the same plane as other natural phenomena William D Casebeer author of Natural Ethical Facts **Left Behind: The Public Education Crisis in the United States** Paul Jalbert,2018-05-01 This book addresses the harmful influences that the cultural social economic political and ideological dimensions in current American society have upon the delivery of elementary secondary and university education It examines the effects of poverty funding at the local state and federal levels and racial and ethnic discrimination Arguing against the continuation of standardized testing an ill conceived methodology to measure the performance of children the author advocates more one on one teaching and evaluation He charges that students rights to education are not respected and in elementary and high school receive little in the way of instruction that translates into life skills and proposes what some of those skills should be A critique of the extreme ethnocentric approach to education in the United States Left Behind advocates strong instruction in the Humanities and foreign languages and the establishment of education abroad as a permanent program in high school and university The author identifies Capitalism as the basic influence that in the form of employing business model constructs has slowly transformed our children into obedient consumers Physical Education has waned and become a major contributor to adolescent obesity Seeking to replace children s complacency with critical thinking instruction the author demonstrates how the corporate mass media occupy their minds He also fears the erosion of the profession of teaching by an online instruction frenzy The book explores the possibilities for a viable nation wide education institution in which decision making is in the hands of teachers parents and education experts instead of politicians and business people The remedies that could be taken up by ordinary people are accessible at the commonsense level what prevents change are the lack of political will and economic greed bolstered by the ideological power of the mass media Education Abstracts Norman John Powell,Paul McCracken Cook,1941 **Prep School Cowboys** Melissa Bingmann,2015-02 An engaging well researched account of the private schools that proliferated in the interwar years in the American Southwest Bingmann does an excellent job of situating these schools in the context of the history of American education Lynn Dumenil author of The Modern Temper American Culture and Society in the 1920s
