Characters Feelings Vocabulary Ks2:

Enabling Access Barry Carpenter, Chris Stevens, Keith Bovair, Rob Ashdown, 2014-04-08 First Published in 1997 In special education we are at last in a good position to offer pupils a broad and balanced curriculum which is relevant to their needs and which is based on the same range of provision enjoyed by all pupils Such a curriculum can only be planned as a cohesive whole compartmentalizing aspects of the whole curriculum risks seeing one part as having more merit or worth than another The whole curriculum in all schools will vary depending on local needs and opportunities In special education it is important that we embrace that whole curriculum using its diversity and opportunity to plan for breadth balance and relevance This book makes a significant contribution to the developments in planning for access to the whole curriculum

The RSC Shakespeare Toolkit for Primary Teachers Royal Shakespeare Company, 2014-08-31 Developed by one of the world's leading theatre companies this fantastic resource offers teachers a practical drama based approach to teaching and appreciating three of Shakespeare's most popular plays Romeo and Juliet Macbeth and A Midsummer Night's Dream The toolkit brings the plays alive as performance pieces with Primary pupils undertaking drama based explorations of the text that take them through much of the play Teachers notes and accompanying photocopiable worksheets offer a lesson by lesson teaching route through each of the three plays in turn The schemes of work offer teachers a route through each play that has been designed to be flexible and to bolt on to what they already teach The schemes comprise a series of lessons that can either be followed in their entirety as a stand alone scheme of work or which can be dipped into by teachers wanting to augment their existing schemes of work *The Linguistic Challenge of the Transition to Secondary School* Alice

Deignan, Duygu Candarli, Florence Oxley, 2022-12-30 This book provides a unique analysis and description of the linguistic challenges faced by school students as they move from primary to secondary school a major transition which some students struggle with emotionally and academically The study draws on a bespoke corpus of 2.5 million words of written materials and transcribed classroom recordings provided by the project's partner schools combines quantitative and qualitative approaches to the corpus data to explore linguistic variation across school levels registers and subjects describes the procedures of corpus compilation and analysis of written and spoken academic language showing how modern corpus tools can be applied to this far reaching social and educational issue uncovers differences and similarities between the academic language that school children are exposed to at primary and secondary school contrasting this against the backdrop of the non academic language that they encounter outside school This book is important reading for advanced students and researchers in corpus linguistics applied linguistics and teacher education It carries implications for policymakers and schools looking to support students at this critical point in their schooling The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license [Teaching Primary English Through Drama](#) Suzi Clipson-Boyles, 2013-07-03 Teaching Primary
