Behind the cross is a vast, green field that stretches towards a horizon under a dramatic sky. The sky is filled with soft, golden light, suggesting a sunset or sunrise, with wispy clouds catching the low light. The overall mood is peaceful and spiritual.

Miller, 2019-02-20 When thousands of young men in the North and South marched off to fight in the Civil War another army of men accompanied them to care for these soldiers spiritual needs In God's Presence explores how these two cohorts of men Northern and Southern and mostly Christian navigated the challenges of the Civil War on battlefields and in military camps hospitals and prisons In wartime military clergy chaplains and missionaries initially attempted to replicate the idyllic world of the antebellum church Instead they found themselves constructing a new religious world one in which static spaces customarily invested with religious meaning such as houses and churches gave way to dynamic sacred spaces defined by clergy to suit changing wartime circumstances At the same time the religious beliefs that soldiers brought from home differed from the religious practices that allowed them to endure during wartime With reference to Civil War soldiers diaries letters and memoirs this book asks how clergy shaped these practices how they might have differed from camp to battlefield hospital or prison and how this experience affected postbellum religious belief and practice Religion and war have always been at the center of the human condition with warfare often leading to heightened religiosity The Civil War cannot be fully explained without understanding religion's role in the conflict In God's Presence advances this understanding by offering critical insight into the course and consequences of America's epochal fratricidal war *Embraced* Bob Carroll, 2022-12-15 God loves you How many times have you heard those words Many people know in their head that God loves them but they haven't experienced this truth in their heart They long for an encounter with God the Father's love that is genuine tender and full of freedom and joy But their experiences with their own fathers have left them wounded and broken Written in a warm hearted honest and disarming way Bob Carroll shares his journey of growing up fatherless and in search of a father's love Through scriptural teaching personal stories and practical steps *Embraced* will touch the hearts of readers who long to feel like a deeply loved child of the Heavenly Father
