### **Benjamin Franklin, Autobiography (1791).**

It includes letters in first person and addresses to his family, friends and his son, that gives the author liability. Opposite to Robison Crusoe, which is a fictional autobiography, this is a non-fictional work.

Regarding America, North America included Canada, the United States and Mexico. France controlled almost all of the territory but they were mostly English speakers. Migrants from Great Britain, Holland and Germany. North America could provide a better life because the land was cheaper and there was religious freedom. No nobility → no parliament, no representation. One of the main reasons why the Civil War started was because the colonies did not want to pay France's taxes.

5 reasons to write his autobiography:

- Since he enjoyed stories by his ancestors, he hoped his son would be interested in his life too.
- Inspiration to other people since he was a poor boy who found fame and fortune.
- He cannot relive his life, so he makes it more durable through his memories.
- His writing allows him to reminisce without boring any listener.
- His account will gratify his vanity.

The notion of the "American Dream" was an important theme. The autobiography also has an historical role since there is a revolutionary process: The American Declaration of Independence in 1776. Two years later, the sovereignty of the United States was declared. The autobiography ends before the American rebellion against the British, it is unfinished.

The autobiography proves how persistent for self-improvement and love for learning led to Franklin's success and he was the first example of the American Dream. The main motive of his work → to show how a person could become honorable through self-assessment. Wrote it as if it was a review of failures and successes of trials in life.

**MAIN THEMES:** self-betterment, generosity and perseverance. Franklin practices vegetarianism with Keimer, explaining how he was able to maintain the diet because of his great perseverance and Keimer was incapable. He shows his determination. He writes about his disputes with his brother because he saw himself better. Franklin gets his revenge by going to Philadelphia and printing the most successful newspaper instead of abusing his brother. William is Franklin's illegitimate son from a relationship with a low woman who
