Chapter 1: eReading Devices and Their Capabilities Pariah S. Burke, 2015-03-13 The first thing to understand about digital publishing is what devices people use to consume digital content, including what types of publications each device class can support, how people use the devices, and where e-reading hardware is headed. You will find a startling array of devices on the market, but ultimately there are only four classes of devices on which digital publications are consumed. In this chapter, you will learn about the following Device Classes: eReaders, Tablets, Computers, Mobile Phones, Hybrid Devices, Future Devices, Designing for Devices.
