Williams,2017-10-23 I expected good but this is great Janet Pirus Phelps Principle Strategic CFO Former CFO Papa Murphy s Pizza Gaps are holes in your organization where tasks fall and failure breeds They inhibit your ability to implement strategic plans lead people and run successful projects Daily executives

middle managers and project managers wrestle with the big six

- Absence of common understanding
- Disengaged executive sponsors
- Misalignment with goals
- Poor change management
- Ineffective governance
- Lackluster leadership
- Ignoring any of these gaps endangers any strategy or project

They regularly destroy hundreds of companies ability to turn their corporate vision into business value taking careers with them

**Filling Execution Gaps** addresses the sources of these gaps and how to fill them

Without any one of these important functions projects fail

- Without change management adoption suffers
- Without common understanding there is confusion
- Without goals business units and capabilities aligned execution falters
- Without executive sponsorship decisions languish
- Too little governance allows bad things to happen while too much governance creates overburdening bureaucracy
- Without leadership at all levels of the organization people are directionless

Using decades of experience years of research and interviews with hundreds of business leaders author of the Amazon 1 Best Seller in Business Project Management **Rescue the Problem Project** Todd Williams illustrates how to fill these gaps meet corporate goals and increase value
