China's Securing, Shaping, and Exploitation of Strategic Spaces: Gray Zone Response and Counter-Shi Strategies Robert J. Bunker,2019-12-23 The timing of Dr Robert J Bunker's new SWJ pocket book is apropos given the increasing intransigence of the Chinese Communist Party CCP in both its domestic police state security policies and foreign expansionistic economic and military activities This authoritarian regime bereft of its former Marxist and Maoist ideologies except in name only under the iron fisted leadership of president for life Xi Jinping is increasingly in the news for the many draconian and predatory behaviors and actions in which it is now engaging Dave Dilegge Editor in Chief Small Wars Journal

While Dangers Gather William G. Howell,Jon Pevehouse,2011-06-27 Nearly five hundred times in the past century American presidents have deployed the nation's military abroad on missions ranging from embassy evacuations to full scale wars The question of whether Congress has effectively limited the president's power to do so has generally met with a resounding no In *While Dangers Gather* William Howell and Jon Pevehouse reach a very different conclusion The authors one an American politics scholar the other an international relations scholar provide the most comprehensive and compelling evidence to date on Congress's influence on presidential war powers Their findings have profound implications for contemporary debates about war presidential power and Congress's constitutional obligations While devoting special attention to the 2003 invasion of Iraq this book systematically analyzes the last half century of U S military policy Among its conclusions Presidents are systematically less likely to exercise military force when their partisan opponents retain control of Congress The partisan composition of Congress however matters most for proposed deployments that are larger in size and directed at less strategically important locales Moreover congressional influence is often achieved not through bold legislative action but through public posturing engaging the media raising public concerns and stirring domestic and international doubt about the United States resolve to see a fight through to the end **Marxism, communism and**
