**Cabo Verdeans in the United States** Terza A. Silva Lima-Neves, 2024-05-15 In the last thirty years there has been a shift in the Cabo Verdean community in the ways it perceives itself ethnically and racially in the creation of opportunities for socio economic mobility and in the pursuit of new migratory patterns within the United States to take advantage of these opportunities Existing scholarship on the historical and contemporary experiences of Cabo Verdeans in the US has been hyper focused on racial and ethnic identities neglecting the space for Cabo Verdeans to share their stories which makes this collection unique Cabo Verdeans in the United States Twenty First Century Critical Perspectives edited by Terza A Silva Lima Neves centers Cabo Verdean stories as told by Cabo Verdeans to explore community building and challenges in the twenty first century The contributors examine questions of solidarity loss of innocence and what it means to live authentically and exist intentionally in safe spaces They offer critical reflections on traditional cultural gender norms and they discuss the intersections of cultural stigmas mental and physical health and access to care Using interviews and personal experiences the contributors challenge existing Cabo Verdean scholars to see the value in documenting their experiences and contributions in the United States

**The Acid Diaries** Christopher Gray, 2010-09-24 An exploration of the personal and spiritual truths revealed through LSD Reveals that LSD visions weave an ongoing story from trip to trip Shows that trips progress through three stages personal issues and pre birth consciousness ego loss and on to the sacred Explores psychedelic use throughout history including the mass hallucinations common in the Middle Ages and the early therapeutic use of LSD Toward the end of his fifties Christopher Gray took for the first time in years a 100 microgram acid trip So extraordinary and to his surprise so enjoyable were the effects that he began to take the same dose in the same way quietly and on his own once every two to three weeks In The Acid Diaries Gray details his experimentation with LSD over a period of three years and shares the startling realization that his visions were weaving an ongoing story from trip to trip revealing an underlying reality of personal and spiritual truths Following the theories of Stanislav Grof and offering quotes from others experiences that parallel his own including those of Aldous Huxley Albert Hofmann and Gordon Wasson he shows that trips progress through three stages the first dealing with personal issues and pre birth consciousness the second with ego loss

often with supernatural overtones and the third with sacred spiritual and even apocalyptic themes Pairing his experiences with an exploration of psychedelic use throughout history including the ergot spawned mass hallucinations that were common through the Middle Ages and the early use of LSD for therapeutic purposes Gray offers readers a greater understanding and appreciation for the potential value of LSD not merely for transpersonal growth but also for spiritual development
