

### Diagram of Mitosis (Prophase, Metaphase)

Draw a diagram of the cell during prophase and metaphase. Label the nucleus, nucleolus, and the spindle fibers. Also label the chromosomes. (You may use a diagram of a cell in prophase and a diagram of a cell in metaphase to help you.)

#### Prophase Diagram

- The nucleus is breaking down, the nucleolus is disappearing, and the spindle fibers are appearing. (Label the nucleus, nucleolus, and spindle fibers.)

a. Prophase	b. Metaphase	c. Anaphase

#### Metaphase Diagram

- The cell is in metaphase. The chromosomes are aligned in the center of the cell. The spindle fibers are visible. (Label the chromosomes, spindle fibers, and the center of the cell.)

a. Prophase	b. Metaphase

**The Scientific review (and Scientific and literary review) and Journal of the Inventors' institute**, 1866 *Obama on the Home Front* John D. Graham, 2016-08-08 The best comprehensive review of the Obama administration's policies available by the author of Bush on the Home Front Daniel P Franklin author of Pitiful Giants Presidents in their Final Term Barack Obama came into office as

the economy was careening into the worst downturn since the Great Depression On the political front he would be challenged by the same intense congressional polarization faced by Bill Clinton and George W Bush now exacerbated by the rise of the Tea Party movement In this comprehensive assessment of domestic policymaking John D Graham considers what we may learn from the Obama presidency about how presidents can best implement their agendas when Congress is evenly divided What did Obama pledge to do in domestic policy and what did he actually accomplish Why did some initiatives succeed and others fail Did Obama s policies contribute to the losses experienced by the Democratic Party in 2010 and 2014 In carefully documented case studies of economic policy health care reform energy and environmental policy and immigration reform Graham asks whether Obama was effective at accomplishing his agenda Counterfactuals are analyzed to suggest ways that Obama might have been even more effective than he was and at less political cost to his party As with the author s acclaimed Bush on the Home Front this book elaborates and applies a theory of presidential effectiveness in a polarized political environment
