**Close Writing** Paula Bourque, 2023-10-10 How closely do your students read their writing What are the implications for those who do and those who don't During her work in classrooms literacy coach Paula Bourque noticed that students who read their own writing closely are engaged in their work write fluently are able to produce lengthy drafts and incorporate teaching points from mini lessons into the day's writing In this comprehensive book Paula shows you that no matter what structures or lessons you use in your writing classroom the strategies in Close Writing will help you make these better by creating student writers who are more aware of what effective writing looks like who care about what they write and who take ownership and responsibility for their growth as writers Paula argues that a key element in close writing is learning to look and looking to learn by closely reading our own writing Instead of focusing on the mechanics of their writing she encourages students to read their words for understanding clarity and the effect they will have on an audience She urges

them to recognize their habits and their approaches to writing and to build upon them Close Writing is based on research and methods that are reliable and valid best practices but it will not prescribe lessons or structures It gives you a peek inside classrooms where teachers just like you are working with budding authors just like yours Paula also provides considerations for ELL writers as well as a section of interviews with authors She shares an extensive reference resource guide and a companion website with students work samples reproducibles and templates and videos of classroom writing lessons round out this must have resource

**Principles of Ethical Youth Coaching** Justin E. Mayer, 2012-02-17 Coaches Would you like to coach your players in an ethical environment where you are developing the character of your players while still being competitive Parents Would you like your son or daughter coached in a safe environment where they will be able to develop life skills that will maximize their performance in areas outside of sports like education The Principles of Ethical Youth Coaching provides the answers The reality of sports is that very few athletes ever make it to the highest level of a given sport Yet the training resources offered to youth coaches focus almost exclusively on strategies to promote winning The techniques advocated by these training programs may be acceptable for professional athletes however they are not acceptable for youth athletes The overwhelming focus on winning causes coaches to miss opportunities to promote character development skills in their players When if at all ethical player development skills are brought up in these programs it is done so in passing and no concrete strategies are offered On the other hand some well intentioned programs seek to eliminate winning from the equation This is not a realistic approach as winning is a fundamental aspect of sports and it must be embraced in the appropriate manner The Principles of Ethical Youth Coaching shows coaches how to develop the character of their players while embracing the competitive nature of sports

**Created to Be God's Friend Workbook** Henry Blackaby, 2003-04-08 What if we knew our lives our everyday lives Held a significant place in God's great plans Would not everything take on a different cast Henry Blackaby author of the bestselling Experiencing God book and bible study material believes that no Christian need live without a God given direction To understand that in fact God did know you and choose you from eternity he writes will give you an enormous sense of purpose in life In Created to Be God's Friend Workbook Henry Blackaby and Kerry Skinner turn to the Old Testament patriarch Abraham to show how we can walk in growing faith and friendship with God The Bible's compelling portraits of Abraham have profound relevance for us through them we see how faith and obedience lead to a lifetime of joyous blessing even when they seem bewildering and difficult This stand alone workbook which can also be read as a companion to the trade book Created to Be God's Friend provides illuminating questions and provocative insights allowing individuals and groups to explore how to Let God take the initiative to make us His friends Follow the Lord's timing when striking out for new territory and taking risks Deal with the consequences of divine commands and opportunities we have ignored Avoid letting success distract us from following God's call Believe that God can bring what He started to a grand conclusion For the God of the universe to have thoughts and purposes for us Blackaby and Skinner remind us also means that He will be at work in us and around us to bring them to pass It was true for Abraham's life It can be true for ours as well This format is designed for either individuals or group leaders Created to Be God's Friend is a remarkable study in our relationship with a personal God who is constantly working in each of our lives Previous editions 0 7852 6758 1
