consumerism and excess in America and sought to resolve the issue by creating a network of communication between universities governments institutions and corporations The solution of promoting greater education experiences as an alternative to consumerism in America required that different sectors of society functioned in unison to address political social economic and educational concerns The Films of Charles and Ray Eames reconsiders how design intersects with humanity culture and the sciences *Connections* Charles Eames,1976 **The Furniture of Charles and Ray Eames** Mathias Remmele,2007 The oeuvre of the American designer couple Charles and Ray Eames is extraordinary in its range and diversity Their groundbreaking furniture designs which have remained current throughout the decades since their creation play a central role in the Eames oeuvre As the sole authorized manufacturer of Eames designs in Europe and the Middle East for the past 50 years Vitra is commemorating Charles Eames 100th birthday with the publication of *The Furniture of Charles Ray Eames* Grouped into categories based on materials such as plywood plastic wire and aluminum all of the Eames designs produced by Vitra are presented in detail Reproductions of vintage photographs and documents accompany explanatory texts that provide in depth information on the historical background and distinctive structural features of the furniture designs Contemporary photographs illustrate the aesthetic quality of these objects The active preservation of Charles and Ray Eames legacy is the subject of a dialogue between Rolf Fehlbaum the Chairman of Vitra and Charles grandson Eames Demetrios the present director of the Eames Office *Eames Design* Charles Eames,John Neuhart,Ray Eames,Marilyn Neuhart,1989
