Jansson,Riitta Lemmetyinen,2022-08-08 If the Son makes you free you will be free indeed John 8 36 Jesus Christ addresses his listeners with this marvellous promise His message of the Gospel brings people into communion with God and frees them from the bondage of sin guilt fear and despair At the same time he establishes the fellowship of believers and unites them by his Spirit and his love Blessed be the tie that binds our hearts in Christian love the fellowship of kindred minds is like to that above John Fawcett 1782 Therefore it is not surprising that people throughout the centuries have been attracted by communities marked by Christian faith love and hope The expectation to believe live and serve together within a group of fellow Christians has inspired countless people to join these organizations some of which have therefore grown to an amazing size Obviously these organizations like all others need a certain structure For whatever reason this structure is often strongly hierarchical giving a lot of power to the leader s Due to the comprehensive spiritual setting of these organizations the position and decision of the leadership is normally justified by spiritual arguments as well The leader s have been intrusted by God with their responsibility for the group and therefore the members should respect them accordingly and obey their instructions Unfortunately there seems to be a tendency that such leadership breaks away from its biblical basis and turns into a kind of authoritarian rule substantiated by Bible verses This means that the freedom of the Gospel and the rules of the structure often enter in conflict If aberrations from the basis of faith in Jesus Christ are detected they should be corrected This presupposes however that the teachings and rules of these organizations are known and can be verified on the basis of the Bible From the very beginning the Christians have been exhorted to check the preaching and teaching which they receive from their leaders whether it matches with the Gospel of Jesus Christ The two authors of this book Marianne and Riitta have experienced the attraction of Christian fellowship within the Sisterhood of Mary in Darmstadt Germany Subsequently they have lived and suffered the conflict between the spiritually and psychologically rigid structure of the organization and the freedom of the Gospel which they came to know They describe their experiences of the time after the walls had come tumbling down And they undergo the arduous task to decipher the code of the spiritual system of the Sisterhood and assess it on the basis of the Biblical Gospel It is my hope that their work might serve as an example to many Christians to become aware more clearly of the treasure of the Gospel of Jesus Christ And that this awareness enables them to listen to preaching

and teaching more attentively joining themselves with the people at Berea who welcomed Paul's message very eagerly examining the Scriptures daily to see whether these things were so Acts 17:11 If in this way this book contributes to further Christian maturity Riitta's and Marianne's painful pilgrimage would not have been in vain **Unfading Light** Richard Fritzky, 2020-11-02 Rich Fritzky poses five questions to forty-five individuals who have devoted much if not all of their lives to Abraham Lincoln The individuals reveal what led them to him in the first place the attribute or fixed mark that sealed their belonging to him the conversations that they would most have liked to have had with him the words of his that they were most moved by and the why and how of his maybe just maybe helping save the soul of the Republic yet again in our own time Among those interviewed were eleven celebrated Lincoln scholars and historians the leaders of the National Lincoln Forum the Abraham Lincoln Association Lincoln Groups and Civil War Roundtables from coast to coast two celebrated Lincoln artists an array of Lincoln impersonators including Gettysburg's own curators animators professors teachers presenters and more They so movingly responded inspiring and driving the author deep into Lincoln's universe and into much material that is not often considered especially as to racism and race his shadow boxing with God his faith and doubt his exquisite humanity and extraordinary ability to lead his nation of suffering and the torture it exacted upon him and his rich reverence for both all that America was and could be **Primer One: The Warning and Its Aftermath - Our Lord Jesus Christ Loves You - You Are Forgiven, I Give You My Mercy** A Soul, 2017-07-10 This book is the first volume in the series Mary Protectress of the Faith This book is a Primer as it is meant to be a simple introduction to the Christian faith and the spirituality of the Immaculate Heart of Mary It is meant to be an Invitation from God and Our Lady to you dearest reader to enter into the Divine Heart and Divine Will of Our Heavenly Father This first volume is meant to be used in the immediate aftermath of The Great Warning Illumination of Conscience as prophesied by Our Lady at Garabandal Spain during the 1960s This book contains prayers heavenly messages and commentaries meant to help people who are looking for credible and relevant information and reconciliation with God It is the author's hope that this book serves its purpose Although this book is written by a Catholic Christian the intended audience is for all peoples of all faiths and non-believers Series Mary Protectress of the Faith Volume 1 *The Greek's Ultimate Conquest* Kim Lawrence, 2018-02-01 Years after their night of wild passion a Greek tycoon goes looking for the woman he can't get out of his mind in this scorching hot romance Reeling from his best friend's death Greek shipping magnate Nik Latsis found a temporary escape from the torment of grief in the arms of a stunning stranger Since then her beguiling beauty has haunted his dreams Unable to shake her memory Nik knows that only another taste will rid him of his burning desire Chloe never forgot the night she offered her innocence to the undeniably sexy Greek And she never forgave him for disappearing the next morning either Now Nik will need more than seductive charm if he's to entice feisty Chloe back into his bed **Madame Bovary** Gustave Flaubert, 2024-07-08 We were in class when the headmaster came in followed by a new fellow not wearing the school uniform and a school servant

carrying a large desk Those who had been asleep woke up and every one rose as if just surprised at his work The head master made a sign to us to sit down Then turning to the class master he said to him in a low voice Monsieur Roger here is a pupil whom I recommend to your care he ll be in the second If his work and conduct are satisfactory he will go into one of the upper classes as becomes his age The new fellow standing in the corner behind the door so that he could hardly be seen was a country lad of about fifteen and taller than any of us His hair was cut square on his forehead like a village chorister s he looked reliable but very ill at ease Although he was not broad shouldered his short school jacket of green cloth with black buttons must have been tight about the arm holes and showed at the opening of the cuffs red wrists accustomed to being bare His legs in blue stockings looked out from beneath yellow trousers drawn tight by braces He wore stout ill cleaned hob nailed boots
