Read the manual carefully to learn how to use each tool and service your machine properly. Failure to do so could result in personal injury or machine damage.

This manual should be considered a normal part of your machine and should remain with the machine when you sell it.

The machine is of course single channel, and its outputs are noisy. The only more powerful and more accurate

Reproduction and distribution of this work are prohibited by law in the Republic of Turkey.

While product identification numbers in the clearing markets section, denominated in dollars, are helpful in locating the position, it's not ideal. That's because they change every time you enter a trade. If the market is high on the trading day, the identification number is a value above 100,000.00.

Warning is provided as part of the site's expert report to be followed and users are advised that support is provided as a service to the reader. The service is not intended to be a substitute for professional advice and should not be used as such.

The warranty provides you the assurance that should you find the product under repair within the warranty period, it will be replaced. However, the warranty also provides that replacement will be subject to the availability of the product. If not available, should the equipment be returned, or should it change its performance beyond the original factory specifications, the warranty will become void and your best recourse may be to return the unit to the "store" where you purchased it, or otherwise contacting the manufacturer's local office.

Only qualified, experienced operators, strictly trained according to local law, should be allowed to operate the machine. Moreover, only strictly trained personnel should be allowed to inspect - correct the machine.

All information, figures and specifications in this manual are based on the latest product information available at the time of publication. This will be corrected to cover changes as they come to light.
